

## Purchase of Supplies And Equipment Approved By Board of Education

### Regular Meeting Held In High School on Monday — Salary Schedule Adopted

Stirling Board of Education met in regular session at the High School on Monday evening with Chairman C. I. Hatton presiding and Messrs. J. B. Belshaw, M. J. Black, H. Donnan, R. E. Fox, C. B. Macklin, W. Wright, R. A. Patterson and Dr. E. A. Carleton in attendance.

Following the adoption of the minutes of the previous meeting, Principal Wells gave a brief report on his attendance at the O.E.A. and thanked the members for the honorarium towards his expenses.

He reported on the inspection of the Shop Inspector, who found the equipment and the work being done at the local schools in good order and expressed a wish that arrangements would be made in the new public school for teaching shop work.

Mr. Wells also made requisition for a quantity of cherry lumber, a radio and record player, and permission to procure a special film for religious education. All requests were granted.

Principal Good submitted a list of High School needs which were granted, and asked the Board for a settlement of the salaries of the High School staff, in keeping with the schedule adopted by the Centre Hastings High School Area, of which Stirling is to become a part. The allotment of study periods before the exams was left in the hands of the Principal.

The Purchasing Committee was authorized to purchase sufficient coal for the current year.

R. A. Patterson, chairman of Finance Committee presented the following accounts for payment:

#### Public School

C. A. Wells, \$14.25; Mrs. D. Rodgers, \$24.00; F. McCutcheon, \$5.65; Dominion Store, \$7.79; Bateman's Ladies' Wear, \$5.21; G. Noble, \$1.15; Lamb's Electric, \$3.50; R. A. Hermiston, \$9.05; Hatton Hardware, \$54.52; J. C. McGee, \$4.70.

#### High School

David's Electric, \$8.34; Dominion Store, \$5.81; Telephone (2 months), \$10.30; Stevenson's Ladies' Wear, \$11.19; J. S. Whitehead, \$4.67; Munro's Grocery, \$9.48; Bartlett's Grocery, \$15.38; J. L. Good, \$2.85; Gestetter Co., \$36.16; J. C. McGee, \$2.65; C. B. Rollins, \$5.00; H. Francis, \$2.25; G. Noble, \$18.24; H. C. Martin, \$9.47; H. Jones, \$15.50; Hatton Hardware, \$133.53; Central Scientific Co., \$14.81; Industrial Arts, \$5.00.

In the absence of H. R. Tompkins, chairman of the Teachers' Committee, Dr. E. A. Carleton reported on the offer of re-engagement to the Public School teachers. On motion, the Board approved the action of the committee and set a maximum of \$1850 for lady assistants.

Following a discussion on High School Teachers' salaries, the Board authorized the teachers' committee to adhere to the schedule of the Area Board for September to December.

## Stirling Seniors Defeated By Trenton

Stirling Seniors journeyed to Trenton on Tuesday night for their first game in the T.V.L. Senior Softball League. The Seniors, who were not in top form, lost to Trenton by a score of 19-7.

The local team meets Hastings under the lights in Stirling to-night and are out for a win.

## Can You Top This?

A purebred Holstein cow, Springfield Beauty, 756545, owned by W. L. Pollock and Son, Harold, Ont., gave birth to five heifer calves from August 22nd, 1947 to May 25th, 1949 — two pairs of twins and one single calf in twenty-one months and all living.

One pair of twins is now in the herd of James Eagleson, of Harold, and one pair in the herd of W. E. Pollock, of Ivanhoe.

## Editor Has The Mumps!

Due to the illness of the Editor, who has gone and caught the "mumps", this issue of the News-Argus is edited by the Staff. This is our first effort at editing this great family journal and we ask our readers to bear with any errors or omissions. We're hoping the Editor gets rid of his "bumps" or "mumps" before next week. We have found, after all, that he does do a little work around here.

## Attention Veterans!

Mr. C. Lowe, Service Bureau Officer of the Canadian Legion, Ontario Provincial Command, will be visiting the Stirling Branch, between the hours of 2 p.m. and 5 p.m., on June 29th.

Any Veterans, or their dependents, who would like any assistance or advice with problems concerning war pensions, allowances, treatment or general welfare, are asked to contact Doug Patterson, at Phone 330 or 2136, who will be pleased to arrange an interview.

## Winner of Silver Medal

Don Barton, Rawdon Township, has been announced as the winner of the college silver medal for General Proficiency (second) in the second year exams at the Ontario College of Pharmacy. Don is a former student of Stirling High School and his many friends join in extending congratulations.

## Recommended For Teacher's Certificate

Among those who were recommended for a First Class Interim Certificate at Peterborough Normal School on Friday last was Miss Vivian Welbourne, of Stirling. Eighteen of the Normalites were recommended and some fifty will remain to write examinations.

## Bonarlaw Club Omitted

In the account of the Hastings County Girls' Achievement Day published recently the Bonarlaw Club was inadvertently omitted from the list of Clubs taking part. The Bonarlaw Club has a membership of five, Misses Marion McCoy, Rosemary Webb, Mary Neal and Donna and Stella McComb. The first two named took part in a skit presented at the Achievement Day, while all five took part in the day's programme. The joint leaders of the Club are Mrs. Geo. Williams and Mrs. W. J. Barlow.

## Passes Examinations

Congratulations are extended to Roy Thompson, son of Mr. and Mrs. K. B. Thompson, of Springbrook, who has been successful in his 3rd year exams in Chemical Engineering at University of Toronto.

## Hooks Large Pickeral

Fishing in Rawdon Creek on Tuesday night, Thos. MacConnell, local painter, hooked a pickeral measuring 25 inches in length with a girth of 14 inches and weighing 7 lbs.

## Engagement

Mr. and Mrs. Clarence D. Fitchett, Holloway, wish to announce the engagement of their only daughter, Rosella Jane, to Maurice Grenville, son of Mr. and Mrs. Carl Clancy, of Harold. Wedding to take place on Saturday, June 25th, at 12 o'clock in Eggleton United Church.

## ROTARY CLUB WEEKLY MEETING

The weekly Rotary meeting was well attended on Tuesday night of this week with twenty-four members and visitors present. The highlight of the evening was an address by Norman Banfield, a member of the Trenton Rotary Club. Norman, who is secretary of his own Club and a very active member, certainly gave the members of the Stirling Club something to think about as far as crippled children's welfare is concerned. He told the story of his own life from beginning to the present time and it was certainly one to remind his listeners. His story told that how, as a child of a few months, he was stricken with infantile paralysis and how, through the generous support of a local service club, after nine operations, he finally was able to go to a Boy Scout Camp where he learned to walk at the age of twelve. A little later in life, he took a business course, and after never having been in school before, graduated with a percentage of 89.25. Today he is undoubtedly one of Canada's finest citizens and besides his work as an accountant, is devoting his time to furthering the work in aid of crippled children.

Guests present at the meeting included: Orloff May, E. Jones, Herb Smith, Percy McGuire, Don Sutherland, Arthur Bateman, Bill Gardner, Norman Banfield.

## In Hospital

Mrs. G. L. Clute, local librarian, who suffered a heart attack recently, was taken to Belleville Hospital on Saturday evening for treatment. Her many friends throughout the district wish her a speedy recovery.

## Local Happenings of Interest About Town

Miss Barbara Bishop, of Lockport, spent the week end with Dr. and Mrs. Ralph Vandervoort.

Mrs. F. W. Prudhomme, of Odessa, was a guest last week of Mrs. W. J. Whitty.

Rev. and Mrs. C. C. Brazill, of Toronto and Barbara are renewing acquaintances in Stirling.

Mr. and Mrs. H. A. Jackson, Allen and Donald, of Newmarket, were guests on Thursday and Friday of Mrs. W. C. Pitman.

Mrs. B. Farrell, of Grimsby, is a guest of Mr. and Mrs. Earl Luery.

Mr. and Mrs. Moreford, of Cobourg, spent Sunday with Mrs. Anne Ackers and Shirley.

Mr. and Mrs. Edward Powers, of Buffalo, N.Y., spent the week end at the home of the latter's sister, Mrs. Frank Long.

Mr. and Mrs. S. R. McCrory spent several days this week at the Canadian International Trade Fair at Toronto.

Mr. and Mrs. N. W. Purvis, of Toronto, were recent visitors of the latter's parents, Mr. and Mrs. T. A. Kerr. Friends will regret to learn that Mrs. M. Myers underwent a major operation in Belleville Hospital on Saturday. We are glad to report her condition is favourable.

Mr. and Mrs. Don Morton, Judy and Joe, of Regina, will arrive on Sunday to spend a two weeks' vacation with the former's mother, Mrs. Hugh Morton.

Mr. and Mrs. John Spry, Wyandotte, Mich., spent a few days last week with Mr. and Mrs. Thos. Spry.

Mr. and Mrs. C. A. Wells and Tommy, spent Sunday with Mr. and Mrs. T. G. Bowerman, Cherry Valley.

## GRADUATES AT EDMONTON

Of interest to relatives in Stirling and district is the announcement that Marjorie June McTaggart, of Edmonton, Alta., daughter of Mr. and Mrs. W. J. McTaggart, has graduated from University of Alberta School of Nursing with high honours. Miss McTaggart won awards for proficiency and the highest standing in the senior year and delivered the valedictory address at the graduation exercises on May 16th last.

Her mother, Mrs. W. J. McTaggart, is a niece of Mrs. W. C. Pitman and Messrs. R. A. and Wm. Patterson, of this Village; Mrs. J. C. Linn, of Stirling, R.R. 3; Mr. J. B. Patterson, Corbyville, and Mrs. Percy Hoard, Elk Point, Alta.

## Roswell Reid Loses Barn And Contents

Fire of undetermined origin Tuesday afternoon, completely destroyed a large frame barn on the property of Roswell Reid, 7th concession Sidney township, just south of Sidney Baptist Church.

The men were working in the fields when the fire was noticed at mid-afternoon but horses and calves stalled in the building were saved. However, a quantity of hay and grain and some machinery was lost in the blaze.

Members of the Belleville Fire Department, assisted by a volunteer fire brigade were successful in saving a nearby henhouse and cattle shed, the buildings being only 15 feet from the burning barn.

## LIBERAL CANDIDATE

FRANK FOLLWELL

Belleville business man, and former mayor of that city, is the Liberal Candidate in the forthcoming Federal election on June 27th.

## Lady Bowlers Organize

The Annual Meeting of the Stirling Ladies' Lawn Bowling Club was held on Wednesday evening, May 25th in Reynolds' Shoe Store. The following officers were elected:

President—Mrs. R. T. Burgess  
Vice-President—Mrs. W. Whitty  
Treasurer—Mrs. N. Wescott  
Secretary—Mrs. E. Ketcheson  
Lunch Committee—Mrs. W. Elliott, Mrs. A. E. Carleton, Mrs. M. Fraser, Mrs. E. Ketcheson.

Prize Committee—Mrs. N. Morton, Mrs. E. Utman, Mrs. R. Patterson, Mrs. W. Elliott.

Games Committee—Mrs. W. Whitty, Mrs. E. Fox, Mrs. N. Wescott, Mrs. E. Munro.

Thursday, June 2nd, was chosen as a tentative date for the official opening and plans were made for a pot luck supper. Anyone interested in bowling is invited.

A fee of \$1.50 was fixed for non-permanent residents, who wish to bowl part time.

## New Librarian

Owing to the illness of Mrs. G. L. Clute, whose resignation was to become effective July 1st, Mr. R. W. Meiklejohn has assumed the duties of Librarian at the Stirling Public Library. Mr. Meiklejohn is secretary-treasurer of the Stirling Board of Education and is well qualified for the position.

## Juniors Win Over Glen Ross

(By G. D.)

On Friday last the Stirling Juniors edged a 7-5 victory over the too-confident Glen Ross team. This was the first scheduled game in the Stirling and District Softball League.

The Juniors took the lead in the first two innings, lost it in the third, but rallied in the fourth to put them back on top. "Baldy" Jim Faulkner was on the mound for the winners and pitched a good brand of ball and received excellent support from his team-mates. Brooks on the hill for Glen Ross pitched good ball but did not have good fielding support. It would be well for the other teams if they looked out for the Juniors this year — They have their eyes on the cup.

## Named Principal Of Hanover School

Lorne M. Johnston, son of Mr. and Mrs. Boulter Johnston, of Harold, has been named principal of Hanover High School to fill the vacancy left by the death of J. R. Hamilton. Mr. Johnston has been principal of New Hamburg High School for several years.

## News Items Omitted

Owing to a last-minute rush of news copy and advertisements, several items have been left out, but will be published in next week's issue.

## Harry Brown Heads Midgets

Entries Will Be Accepted  
Till Saturday, June 4th —  
Six Teams Are Already In

Harry Brown was chosen president of the Hastings Centre Midget Softball League at an organization meeting held in the Council Chambers on Saturday night. Delbert Sine was elected as the League secretary.

The League is open to boys up to sixteen years of age and entries will be accepted up to Saturday next, June 4th, when a schedule will be drawn up. All games will be played on Saturday. Six teams have already entered including two from the Village, and are as follows: Glen Ross, managed by Harry Brown; Ivanhoe, managed by Delbert Sine; West Huntingdon, managed by Russell Sills and the two local teams, managed by Major Fraser and C. A. Wells.

#### Games Saturday

The first games will be on Saturday night when all six teams will be in action. Two twilight games commencing at 7.30 p.m. will have Stirling Rotary and Glen Ross meeting on the north diamond and Minto vs. West Huntingdon on the south diamond, while Ivanhoe and Stirling's other team will play under the lights at 9 o'clock.

Softball fans of the district are urged to come out and give the boys of the community their support and help provide them with good, clean sport.

## Legionnaires Win Over Minto

(By G. D.)

Staging a seven-run rally in the last inning Stirling Legionnaires defeated Minto 10 to 5 in a scheduled Stirling and District Softball League game at the Recreational Field on Monday night. The game was a close battle until the Legion's big inning and was witnessed by a good crowd of fans.

The Legion opened the scoring in the first inning on Rose's single and successive doubles by Shannon and Kreh for two runs. They added another in the third when with one away, Rose singled for his second straight hit, went to third when Shannon grounded out, and scored on a mighty triple by Kreh into deep left field. The latter was left stranded on third when Stapley grounded out. They were held scoreless into the seventh when with one out, Rose again started a rally with a single. Shannon walked but was out at second on Kreh's single which scored Rose. Stapley walked, Patterson singled, Abernethy doubled, Noble singled and R. Sills homered for a total of seven runs.

Minto went scoreless until the fourth when singles by McInroy and Sine, a sacrifice by A. Ray and a double by Stocker netted them two runs. Haslett singled, but Noble on the mound for Legion, bore down and struck out B. Sine and Patterson. They added two in the sixth on a walk to Ray, a single by Stocker and a double to centre by B. Sine. They added their final tally in the seventh when Campbell doubled and after Gibson and McInroy went out. Sine singled him home. Ray struck out to end the game.

Noble was on the mound for the winners, with Kreh behind the bat, and pitched a good brand of ball. For Minto the pitching duties were divided, Arnold Ray pitching three innings and I. Potts finishing the game.

Kreh with a triple, double and single, Rose, with three singles, and Sills, with a homer, were the main hitters for Legionnaires, while Stocker, Sine and Haslett were the best with the willow for Minto.

The teams:  
Legion — B. Bastedo, 2b; R. Rose, 3b; T. Shannon, 3b; W. Kreh, c; G. Stapley, cf; D. Patterson, lf; Abernethy, 1b; Noble, p; R. Sills, rf.  
Minto — D. Campbell, 1b; B. Gibson, lf; C. McInroy, 2b; Geo. Sine, c; A. Ray, rf; Bud Stocker, cf; R. Haslett, 3b; B. Sine, rf; E. Potts, p.

Score by innings:  
Legion ..... 2 0 1 0 0 6 7 — 10  
Minto ..... 0 0 0 2 0 2 1 — 5  
Umpire: J. Wright, at plate; Don Campbell, bases.

## What Others Say!

### THOSE ROADSIDE MAIL BOXES

(Winchester Press)

A suggestion that will bear repetition in these parts is that residents along rural roads should see that their names are neatly and legibly painted on their mail boxes.

To the country-dwellers using these receptacles day by day, their worldness has become a homely and familiar sight. But it may surprise them to know that the town-dweller has a quite different impression as he travels the highway; he may very readily judge the progressiveness of a farmer by the condition of his mail box — and that is no exaggeration. There is another angle, however. The friendliness existing between town and rural dwellers, who depend so much upon each other, is infinitely more real when the one knows where the other lives. The town-dweller is handicapped in this respect, and the

farmer gives the matter little thought. There is something unfriendly, uninviting, about an unidentified mail box. Now, before the springtime rush, and before the highways entice seasonal motorists, we trust our rural readers will take this tip.

### CHILDREN TRAFFIC VICTIMS

(The Toronto Telegram)

Between the opening of school last September and the closing for the Easter holidays, 149 children were victims of traffic accidents in Toronto. In 95 of these accidents, children of from 5 to 9 years of age were involved; in 39 children were between the ages of 9 and 12. In 71 of the cases, the children were on their way to or from school. More than a quarter of the accidents were due to children running out from between parked cars.

These figures emphasize once more the absolute necessity of all traffic, whether motor, cyclist or horse-drawn, exercising constant diligence to avert danger, specially when school is going in or coming out, when chil-

dren are at play along the streets and where parked cars hide the view. They illustrate, too, the necessity for training little children to awareness of the dangers of the streets.

"Elmer" the Safety Elephant, introduced into the schools in November, 1947, by The Telegram in conjunction with the Toronto Traffic Safety Council, has helped to make school children safety-conscious. Each school which experiences an accident-free month is awarded a six-foot green pennant bearing "Elmer" and the inscription, "An Elephant Never Forgets". If a single accident mars the record of any school flying the flag, it is taken down by a police officer and a short talk is given to the assembled pupils. The flag is not returned until the school has maintained an accident-free record for another month. School spirit has made the loss of the flag a major incident in the school life. During the first year of operation the green pennant programme reduced child accidents by 44 per cent. Although 195 children were injured in 1947-48, 35 schools were able to keep their flag flying all year without a single accident.

## Entered Into Rest

HERBERT HENRY CASEY

Herbert Henry Casey died suddenly on his farm in the 8th concession of Thurlow township late Monday afternoon. He was operating a fertilizing machine in a field some distance from his house when he was seized with a heart seizure which resulted in his death. His body was found some time later by members of the household.

The late Mr. Casey, who was in his 78th year, was born in Thurlow township and all his life was passed in that district. His parents were the late Mr. and Mrs. James B. Casey. He was a member of Zion United Church and his sudden death has brought much regret to those who knew him.

Surviving him are his wife, the former Tryphena C. Falliser; one

daughter, Mrs. Walter (Irene) Morrow, of Frankford; four sisters, Mrs. Florence Lloyd, Toronto; Miss May Casey, Stirling; Mrs. Ada Ward, Holway and Miss Annie Casey, Chicago; two grand daughters, Mrs. Ralph Utman and Miss Sandra Morrow, Frankford; one great grandchild, Cheryl Utman, Stirling.

The funeral was held from his late residence on Thursday, May 26th, at 1:30 p.m., D.S.T., to Zion Hill United Church for service at 2 p.m., D.S.T. Interment Zion Hill Cemetery.

## Woman Injured In Car Crash

Injured when her car smashed into a school bus two and a half miles north of Marmora late Friday afternoon, Mrs. Frank Leal, Marmora, was taken to Belleville General Hospital by Dr. W. J. Donevan for treatment. The bus, driven by Charles Archer, was returning from its afternoon trip and there were no children aboard. Damage was heavy to both vehicles.

## John Tambllyn's Record

John Tambllyn, of Orono, has sold Holstein cattle of total value of \$600,000 in the last eight years. He is salesman for breeders of the Black and White cattle in the counties of Peterborough, Durham, Northumberland and Hastings.

"I disposed of all of them through one buyer, C. S. Erb and Co., of Pennsylvania," Mr. Tambllyn said. "In my long dealings with them, I have had very few disagreements with them, and those exceptions were only of a minor nature. I have found them very fair in business."

Flour used in Newfoundland is all enriched by added vitamins and minerals, but Canadian law prohibits enrichment in the other nine provinces.

## Marmora Station Agent Transferred

Mr. P. D. Kennedy, who has been station agent at Marmora C.N.R. station, is leaving Marmora to take over the same position at Unionville, Ont. At present he is spending a vacation at Little Britain. Mr. Kennedy has been courteous and friendly in his duties as station agent and has made a lot of friends here. He is succeeded at Marmora Station by Mr. C. L. Redden, formerly of Campbellford, who is highly esteemed in that community and should be welcomed at Marmora.

## 55 New Phones In Stirling

Nearly 55 new telephones are in service in Stirling as a result of the installation last Friday morning of a new extension to the dial equipment in the exchange here, according to G. W. Proctor, Bell Telephone manager for this region.

The new equipment, representing 200 telephone number available for awaiting subscribers, will be sufficient to meet the needs of Stirling for some time.

In preparation for the expansion, all Stirling phone numbers from 200 to 299 inclusive were changed some days ago by prefixing the digit "2", making them 2200 to 2299. A few of the 55 applicants cannot be served at present, however, because of a shortage of outside wires and cables, but there is now no scarcity of exchange equipment here.

Projects are already underway to provide the necessary outside wires and cables to connect the few waiting applicants, and everything possible is being done to bring service to all who have ordered it, Mr. Proctor stated.

## Allan's Mills

Mrs. Murney McInroy is a patient in Kingston General Hospital where she is undergoing treatment.

Mr. and Mrs. Harry Grills and Mr. and Mrs. Jack Paylor, of Campbellford, visited Mr. and Mrs. A. Burkitt on Sunday.

Sandra Melklejohn returned home

from Western Hospital, Toronto, on Sunday evening.

Several from this vicinity attended the I.O.O.F. service in Springbrook on Sunday evening.

The Wellman brothers held a barn raising on Saturday with about 30 men attending the raising.

Mrs. R. Hubble, of Carmel, was the guest speaker at the W.I. meeting on Wednesday afternoon.

### You Can Defeat Your Biggest Tax Problem . . .

That is the 8% sales tax. The one the budget missed. The one that hits you hardest. This quotation

" . . . This tax costs the Canadian taxpayers 30 cents for every dollar of processed material"

from a Liberal member of Parliament shows what the government is doing to keep taxes high . . . despite the "bribery" reductions in the budget.

So that you may have a sure, adequate income, the Progressive Conservative Party will

- Reduce sales taxes.
- Provide deductions to farmers for members of family who contribute to revenue.
- Reduce income tax rates and increase exemptions.
- End the administrative persecution of farmers by tax collectors.

For your protection the Progressive Conservative Party will take these steps:

### PRICES

—Permanent floor price legislation based on these principles:

- A definite formula in the Farm Prices Support Act for arriving at floor prices.
- Floor prices will be announced well in advance of production period.
- The formula will allow for variations in production and demand for individual products.
- The floor price formula will be arrived at in consultation with representatives of producers.

### EXPORT MARKETS

Restoration of the Canadian Wheat Board to serve its original purpose as a Marketing Agency for wheat producers . . . and its extension to include the handling of coarse grains.

Inclusion of representatives of farmer's organizations on all Boards dealing with farm matters. Aggressive and immediate action to recapture lost markets; the development of new markets; to achieve security of export markets through foresighted negotiations.

Dominion marketing legislation based on the principle of democratic producer control.

### PRODUCTION

Reclamation and conservation of existing soil resources; development of new producing lands through irrigation; greater accessibility to domestic markets by improved transportation facilities.

## Use of Fertilizer With Tomatoes

Every grower wants to apply his

fertilizer in such a way that it will be used with the greatest efficiency. It should be applied so that the plant roots can readily reach it and so that

it is in contact with moist soil. The problem of making recommendations for fertilizer placement is not simple since the character of the soil influences the choice of methods. On heavier soil types, concentrated applications such as band placement may be particularly effective, but on lighter sandy soils nutrient uptake may be limited by inavailability during dry weather.

The National Joint Committee on Fertilizer Application in the United States have recognized this factor and have recommended band placement for tomatoes on heavy soils, but on light sandy soils have recommended that the fertilizer should be applied broadcast and ploughed under, followed by two or more side dressings. During the last three years studies of fertilizer placement with tomatoes have been conducted on a light sandy soil at the Smithfield Sub-station, Northumberland County, Ont., says Dr. H. Hill, Division of Horticulture Central Experimental Farm, Ottawa. Five different basic methods of fertilizer application were employed with and without starter solution as well as combinations of such methods:—

1. Fertilizer placed in the bottom of the row furrows and covered lightly with soil.
  2. Fertilizer applied with a fertilizer-grain drill.
  3. Fertilizer broadcast and ploughed under.
  4. Fertilizer broadcast followed by disking.
  5. Fertilizer applied in bands three to four inches to each side of the row and three to four inches deep.
- The highest marketable yield was obtained where one of these basic methods of application before, or at planting was supplemented by a side dressing of 150 pounds muriate of potash, and 200 pounds of ammonium sulphate per acre at the time of the last cultivation. When the supplemental dressing was not applied the highest total and marketable yield was obtained by placing the fertilizer in the furrow, closely followed by application with a grain drill.

Placing superphosphate only in the

furrow and side dressing with nitrogen and potash did not give good results. There did not appear to be any advantage from band placement on this light soil since total yields were lower than other basic methods and marketable yields were further reduced. In 1946, when soil moisture was deficient during the growing period, yields were especially reduced by this method of application.

The use of a starter solution increased yields appreciably and had a larger effect in producing early ripe fruit. The occurrence of blossom end rot was increased by the concentrated application of fertilizer such as band placement and in the bottom of the furrow while if the fertilizer was broadcast followed by disking blossom end rot was consistently reduced.

Consistent high yields and a low percentage of blossom end rot were obtained by broadcasting the fertilizer before disking, employing a starter solution, and applying a side dressing of nitrogen and potash at the time of the last cultivation.

## Wellman's Women's Institute

The Wellman's W.I. held their May meeting at the home of Mrs. John Heagle on Wednesday, May 18th. The meeting opened with the Institute Ode, followed by the Lord's Prayer.

During the business period, Mrs. William Matthews was elected as secretary-treasurer. Mrs. Clifford Clancy gave an outline of the co-operative programme that are being planned. The roll call was answered by each member presenting a plant or seed and after the meeting closed these were exchanged.

Musical numbers were given by Mrs. Lorne Watson and Mrs. Fred Beckett. Mrs. Pollock gave the topic based on programme planning and stated how important it was to have a well-planned programme and something of interest to each member. She stressed the importance of the members' willingness to help with the

# PLYMOUTH GIVES YOU MORE!

MORE FOR YOUR MONEY...

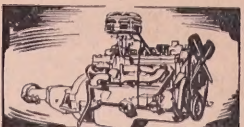

AND MORE THAT'S NEW!

Plymouth gives you value where it counts!

More Value where Comfort Counts! Plymouth's longer 118 1/2" wheelbase (up to 4 1/2" longer than competitive cars) allows better cradling of passengers and greater comfort.

More Value where Safety Counts! Plymouth's chain-height seats (up to 3" higher than competitive cars) provide more restful comfort and safety, over the hood vision.

More Value where Performance Counts! The renowned, simplified L-head Plymouth engine has fewer moving parts to wear, reduces maintenance costs. Provides all of 97 hp, and has higher compression ratio for flashing performance at all speeds.

Here's the new Plymouth... a car that likes to be compared for VALUE!

In the new Plymouth, Engineering magic greets you right from the start. You don't grope for a starter button. You don't pull on a choke. You simply turn the ignition key—and the engine starts! In the more powerful 97 horsepower engine, there are many Chrysler-Engineered features, such as—4-ring pistons for better compression, fuel and oil economy—a floating oil intake and oil filter for longer, more efficient engine life. Your dealer will show you many more.

Plymouth doors are wide at the bottom to allow easy entrance. Interiors are roomy and restful, with plenty of headroom. Seats are chair-height, wider and deeper from front to back. Windshield and rear windows are 1/2 larger for better, safer vision.

Get the most for your automobile dollar. Compare Plymouth on all counts! When you do, you'll agree that feature for feature — dollar for dollar — the great new Plymouth is Canada's best price-buy!

#### Rousing Charivari

On Thursday evening about forty people tendered the newlyweds, Mr. and Mrs. William Hubble, of Mount Pleasant, a rousing charivari. The group serenaded with plenty of noise after which they were invited into the house where all enjoyed an evening of fun and merriment, rounded off with a sing-song led by Mrs. Margaret MacMullen with Miss Betty McConnell as accompanist. Later all enjoyed ice cream, water ice wafers, cake and confectionery.

Mr. and Mrs. Hubble were delighted to welcome their guests and invited them back to pay another visit in the future.

## NEWS FOR THE BUSY FARMER

### HATS OFF TO THE FARMER

No other business presents such a challenge to young Canadians as farming. As a way of life it demands skill, ability and character to a high degree, comments the Gananoque Reporter. Anyone can make a living of sorts in the city. But to be a really successful farmer a man needs a wide variety of abilities and qualities. Coupled with good health, common sense and genuine love of the land, he must be something of a soil technician, a crop expert, gardener, orchardist, blacksmith, electrician, carpenter, butcher, veterinarian, mechanic, lumberman, weatherman and business man.

A farmer needs common sense to judge what to grow and to determine the best times for plowing and seeding and to solve the enormous number of minor and major difficulties that arise on a farm. In addition he requires an acute market sense to judge the best time for selling or withholding crops or animals. There is little use in disposing—or growing—certain crops or stock when the market is glutted with them.

As for the other skills:

"Pa, the tractor has broken again. Can you fix it?"

"Dad, will you take a look at the grey mare. She's gone a little lame and I think she's picked up a stone."

"The kitchen roof's leaking again."

"Dad, we're going to need some

"I know you're tired, dear, but we

we haven't any lights—the windmill generator has stopped working."

"Dad, we're going to need some ham before long. How about butchering that big hog like you promised?"

"How much seed do we need for the back forty and what are we going to plant?"

And so on, and so on . . .

Many farmers live so far from town they cannot call in experts they need even if they can afford to. They must rely on their own wits and ingenuity. The fact that so many do this with so much efficiency places the Canadian farmer on a high level of intelligence and capability.

We take off our hats to the farmer. He is tops.

### SEED TESTING IN GOVERNMENT LABS.

Canada is the only country in the world where the sale of seed for seeding is according to grades. These grades, which are mandatory, are established under the Seeds Act of the Dominion Department of Agriculture. They are on the basis of purity, germination and quality, and are enforced with the support of eight seed testing laboratories, located in various points across Canada, says G. A. Elliott, Associate Chief Laboratory Services, Plant Products Division.

In testing seed samples for purity, special machines are used. For instance, one ensures proper mixing;

another, called a blower, sends a measured current of air through the sample and carries away poor and light seeds through a glass tube, leaving only the sound seeds to be examined. This machine assists the analyst in determining the percentage of pure seed in the sample. The quantity to be examined varies with the kind of seed.

Special equipment is also used for germination tests. For example, where formerly seeds had to be counted by hand, a suction plate now picks up 100 seeds and neatly spaces them on a blotting paper ready to be placed in the germinator. Seeds are also tested in sand or soil. At least 200 seeds are germinated for each test. Different kinds of seeds, and the germinating period also varies according to the kind of seed. Pre-chilling of seeds is sometimes necessary.

After the purity and germination tests are completed, the sample is submitted to the grader, who examines it for quality and appearance, after which the grade is determined. It will thus be seen that a grade is not arrived at by guess work but rather according to definite procedures. To follow these procedures the analyst is aided by a manual entitled "Rules for Seed Testing".

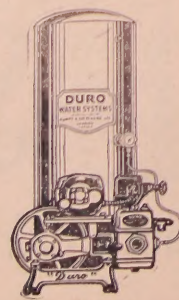

### Good Cement

A good rule to remember in mixing cement is—change the proportion of sand and gravel, but do not change the proportion of water and cement. Four Imperial gallons of water are recommended per sack of cement used in most types of farm construction. With this amount of cement and water, 24 cubic feet of sand and three cubic feet of gravel are suggested.

## Better Camping For Boys And Girls

The Department of Education, through its Physical and Health Education Branch, gives practical and timely assistance of various kinds to non-profit summer camps for boys and girls.

Two of the most valuable forms of its help are in granting financial assistance, and in helping train counsellors.

**Financial Assistance** — By meeting simple qualifications and conditions, any non-profit camp operated in Ontario, by an Ontario organization, for Ontario boys and girls may secure:—

- (a) 50 cents per camper for those remaining 6 to 8 consecutive nights;
  - (b) 75 cents per camper for those remaining 9 to 12 consecutive nights;
  - (c), and \$1 per camper for those remaining 13 or more consecutive nights. Maximum grant is \$3,000.
- Eligible camps may not charge more than \$1.75 per person per day, and must, of course, have an Ontario Department of Health Camp licence.

Camp licenses are required by law for any group of ten or more persons camping for three or more days. They are issued without charge, upon application to the Ontario Department of Health, Parliament Buildings, Toronto 2, the only requirements being the observance of reasonable precautions to safeguard health — conditions all camps are anxious to maintain.

### Staff Assistance

The Department of Education helps provide counsellors and junior counsellors for non-profit camps by conducting two three-week Counsellor-Training Courses, almost without expense to prospective counsellors.

These courses are open to any Ontario Secondary School pupil, 15 years or over, who has completed at least Grade 9 by July 1, 1949. The training is taken in camp, the leadership being experienced camp people. The courses for girls are conducted at Belwood Camp, near Fergus, Ontario; the courses for boys at Bark Lake Camp, near Ironton, in Haliburton County.

The dates are the same for the courses in both camps:—

Course I—July 4th to 25th

Course II—August 2nd to 23rd.

The Department also has available to non-profit camps on a free-loan basis, an extensive library on various phases of camping. In addition, it will try to assist camps with advice regarding any camp problems, and, within reasonable distance, try to supply conference or staff-meeting program-personnel on request at little or no expense.

The Department's desire is, in every way possible, to foster better and better camping for more and more boys and girls.

For full details regarding the financial assistance to camps and/or the Counsellor-in-training Courses, or other camp topics, write: Camping Section, Physical and Health Education Branch, Department of Education, Parliament Buildings, Toronto 2, Ontario.

Correspondence regarding camp licenses is to be sent to: Department of Health, Sanitary Engineering, Division, Parliament Buildings, Toronto 2, Ontario.

### OTTAWA HOLSTEIN SALE

At the All-Eastern sale of Holstein cattle in Ottawa Wednesday, 69 head averaged \$385 for a total of \$26,580. Forty-four bred heifers brought \$17,415 for an average of \$393; eight cows \$3,600, average \$557; eight bulls average \$373; one yearling 325; one baby bull, born at the sale, \$55.

Thirty-two of the Holsteins went to the United States. C. S. Erb & Co., Middletown, Pa., heaviest buyers of the sale, took 15 for \$6,985, an average of \$465. The first animal in the ring was bought by Erb & Co. at \$750, high price of the day for the bred heifer Maxvegan Triune Martha, two-year-old granddaughter of Montvic Monogram consigned by Murdoch Atkinson of Dunvegan. Their bid of \$710 was the top price in the male section, for Larchway Sovereign Kenno, consigned by Clarke Rathwell, of Napan.

In the junior section, George W. Henry, of Todmorden paid the highest price, \$400, for a January calf Maxvegan Triune Beauty, a half-sister of the top-price animal of the sale.

### ANGLO-AMERICAN

(Christian Science Monitor)  
Recently there was a great spurge in the press of the United States about that stupendous American achievement, the airlift. The only thing

wrong with this picture was its terminology. The airlift, as it happened, was an Anglo-American achievement. Approximately one-third of the joint effort was British, paralleling the comparative resources of the two nations.

The comparisons are unimportant as such. What is important is the solidarity of purpose and the close technical teamwork which made this marvel of achievement possible. The rift occasioned by the Boston tea party finds no place in the lift provided by the Berlin sky party.

### FIRE DESTROYS ROSLIN HOME OF MRS. MINNIE KERR

Fire of unknown origin Saturday midnight completely destroyed the home and contents owned by Mrs. Minnie Kerr, Roslin, well-known Hastings county beekeeper.

### CALCIUM MATERIAL FROM HOME SOURCES

Most of the high calcium bearing materials added to poultry rations are at present, imported from the United States. The possibility of substituting for these, materials available in the Maritime Provinces was investigated at the Dominion Experimental Farm, Nappan, N.S., says C. D. T. Cameron.

In these experiments the three calcium-bearing materials — oyster shell, clam shell and calcite limestone — all products obtained in the Maritime Provinces — were compared as sources of calcium for the production of eggs of sound shell, as well as for other related calcium needs of pullets. These feeding tests extended over an eight-month period in each of the past two years and involved sixteen hundred Barred Plymouth Rock pullets. Each of these materials was compared when finely crushed products were mixed in an all-mash laying ration at the rate of three per cent of the total feed mixture. In addition, the coarsely ground materials were available in hoppers at all times. An additional group of pullets was included in each of these trials in order to determine whether insoluble grit should be fed with these products for satisfactory performance.

According to the data recorded on feed consumption, egg production, and egg shell strength, each of these products was an entirely satisfactory source of calcium for laying hens and might well substitute in the laying ratio for such products at present imported. This substitution is of particular interest at the present time in view of increased freight charges and present currency difficulties. The performance of the birds which had access to insoluble grit in hoppers throughout the experiment, in addition to oyster shell, showed no apparent improvement over the other groups in this experiment.

### NEW SEWAGE SYSTEM FOR TRENTON

A proposed new sewage system and disposal plant for the town of Trenton would require a debenture issue of \$500,000 which would be bought back over a period of 20 years, revealed Councillor Weaver, Acting Mayor in the absence of Mayor Couch, to the Board of Health.

First steps taken in this vast sewage project was the incorporation of \$2000 in this year's budget for an engineering survey of the sewage system.

**MRS. AGNES R. WHEELER**  
Mrs. Agnes R. Wheeler, widow of Caleb Wheeler, died on Monday in the Green Nursing Home, Stirling, where she was a patient for the past four years.

The late Mrs. Wheeler, who was in her 87th year, was born at Oak Lake and was a daughter of the late William Windsor and his wife the late Margaret Lott. All her life was passed in this vicinity and she was well-

known and highly esteemed in the community. She was a faithful member of St. Paul's United Church and when age and health permitted she took an active part in church and charitable work. She lived a long and useful life and many old friends entertain much regret at her passing. She was the last of her family. Her husband died nine years ago.

The funeral service took place at Duffin's Funeral Home at 2 p.m. on Wednesday.

Interment in Stirling Cemetery.

### River Valley

Miss Mae Brooks, Belleville, spent a few days under the parental roof. Congratulations to Mr. and Mrs. Kenneth Fairman on the arrival of a baby boy born May 15th.

Mrs. George Conley is spending some time with her son, Cecil, of Peterboro.

Mr. and Mrs. Hart, Mr. and Mrs. Harris and Joan, of Lainesburg, Mich., spent last week end at the home of Mr. and Mrs. Frank Carr.

A number of the homes in the community are being improved with a coat of paint.

Mr. and Mrs. Walter Irven, of Campbellford, spent the week end visiting with Mr. and Mrs. Stanley Irven and Mr. and Mrs. Roy Irven.

Mr. and Mrs. Gerald Brooks, Mae and Glen spent Sunday with Mr. and Mrs. Kenneth Green.

Mr. and Mrs. Bob Davies, Joy and Sydney, of Stockdale, and Mr. and Mrs. Sheldon McIntosh, Jimmie and Douglas, of Stirling, spent Sunday evening at the home of Mr. and Mrs. John Kane.

### Neighbours Honour Young Couple

A large number of friends and neighbours gathered in the Orange Hall, Springbrook, on Friday evening, and presented the newlyweds, Mr. and Mrs. Delbert McComb with a beautiful Daveno-bed, and a number of other gifts. A short musical program was given, which included community singing, led by J. F. Baker, who also contributed a vocal solo, with Mrs. Ralph Wellman, as accompanist.

A piano solo, "Glow-worm", was given by Miss Barbara Melkjohn; a vocal solo by Linda Wellman; and a vocal duet by Misses Beverley McKeown and Fay Wellman. Three members of the "Melody Makers" orchestra also gave a pleasing number and later in the evening, furnished excellent music for round and square dancing.

Frank J. Cosbey acted as chairman and called Mr. and Mrs. McComb to the platform when an address was read by Bob Cosbey wishing the couple happiness and a long and blissful wedded life. Both the bride and groom replied, thanking all those responsible for the beautiful gifts, and social evening, and invited all to visit them in their home. They were given three hearty cheers and a tiger preceded by "For They Are Jolly Good Fellows".

Rev. J. M. Brownlie, rector of St. Mark's Church was asked to address the gathering which he did in his usual pleasant manner.

Bountiful refreshments were provided in the basement by the ladies.

### Hubble-Salter Nuptials

On Saturday, May 14th, Mrs. Annie Storms Salter, formerly of Deseronto, and Mr. William Hubble, of Mount Pleasant, were quietly married at the Picton United Church parsonage by Rev. A. E. McCutcheon.

The attendants were the bride's brother and sister-in-law, Mr. and Mrs. John Storms, of Picton.

Mrs. Hubble's niece served a buffet luncheon to the wedding party at her home in Picton following the ceremony.

### By-Laws To Control Dogs and Set Cemetery Rates Passed By Council

Seek Permission From The Municipal Board To Raise \$135,680 For New School

Bylaws to prohibit the running at large of dogs in Stirling during the summer months, to amend the existing Cemetery Bylaw and to borrow money for current expenses were given the necessary readings and passed at a lengthy meeting of Village Council on Friday evening last. Reeve H. J. Wells occupied the chair and was supported by Councillors E. G. Bailey, Guy Bradshaw, W. T. Elliott and J. V. Holt.

#### Equipment For Fire Brigade

Through a letter from Gordon Bailey, secretary, The Stirling Fire Brigade asked Council to purchase some new equipment. The property committee was authorized to make the necessary purchase.

Clerk Mallory was instructed to place the insurance on the Public Library and contents, amounting to \$6,000, with E. Ketcheson, local agent.

The clerk was also instructed to write the Ontario Municipal Board for permission to borrow and issue debentures for a sum of \$135,680 for the erection of a new public school.

Complaints of youths firing air guns and small calibre rifles within the limits of the corporation brought instructions from Council to the Chief Constable to prosecute anyone so doing and the Clerk was instructed to have a warning notice inserted in the local newspaper.

The publication in the News-Argus of the Bylaws prohibiting dogs running at large and governing the Stirling Cemetery was also authorized by Council.

Tenders for fill for the parking lot on the corner of Emily and Church Streets will be called to close June 15th. Councillors Holt and Bailey and Reeve Wells were appointed a committee to supervise the filling and levelling of the parking lot.

The sale of dog tags was left in the hands of Chief Constable Eggleston. Council will meet the week of the 20th inst. to set the Village Tax Rate for the year.

Following are the accounts passed and ordered paid:

Picton Gazette, \$50.00; Bill's Garage, \$4.92; McFarland Construction, \$212.75; Melotte Cream Separator, \$38.75; Stirling Welding Shop, \$10.25; Bell Telephone, \$6.10; News-Argus, \$29.00; Grand and Toy, \$24.06; F. R. Mallory, \$5.85; Roofers' Supply, \$40.00; Municipal World, \$2.32; Sam Bowen, \$9.10; Daily Commercial News, \$16.10; Bird's Grocery, \$8.00; Hastings Sheet Metal, \$150.70; County of Hastings, \$50.00; J. R. Geen, \$20.00; John Hamilton, \$5.85; Hatton's Hardware, \$13.98; G. F. Faulkner, \$10.80; Committee Work, \$15.00; Belcourt and Cook, \$48.00; J. C. McGee, \$12.48; Wm. Sutherland, \$135.00; Stirling Hydro, \$170.12; Stirling Water Works, \$70.52.

### ROTARIANS HEAR DR. E. NICKLES NOTED NATURALIST

A rare treat was enjoyed by Stirling Rotarians at their weekly luncheon meeting on Tuesday evening when Dr. Ernest Nickles, of Beverly Hills, Cal., contributed to the program.

Dr. Nickles, who is in charge of bird calls for the Walt Disney productions, is on a visit to the district in search of material for a new production and, in company with a guide, is staying a few days at Glen Rose. He gave an interesting and instructive address on nature and interspersed his remarks by whistling numerous bird calls as well as the accompaniment to several popular musical selections played on a record player.

Dr. Nickles, who is a frequent visitor to the northern part of Hastings County, has consented to give an hour's program to the school students tomorrow (Friday) and the boys and girls are in for a real treat.

The meeting was presided over by President "Dick" Hadley, with twenty-two present, including E. A. Roberts and Lloyd Weese, of Trenton, and Bruce Bell, of town.

### SAVE THE WATER!

Due to the unusual Spring drought in this district, the local water supply is seriously affected. Council is asking citizens to use as little water as possible. This means cutting off that lawn or garden hose until conditions are improved.

That old adage, "You never miss the water until the well runs dry" is particularly applicable to Stirling citizens at the present time.

Save the water!

### Won Prize In Nursing

Congratulations are extended Miss Kay Fanning, daughter of Mrs. Anne Fanning, John St., on winning the highest standing in a class of 38 student nurses, who graduated at the Hospital for Sick Children, Toronto recently. Miss Fanning was awarded a travelling alarm clock as a prize.

### Officers Of Cheese Board

At the annual meeting of Belleville Cheese Board on Tuesday evening, several district men were chosen for office. Philip Carr, of Stirling, was elected to the office of first vice-president, and W. L. Pollock, of Wellman's, second vice-president, while F. R. Mallory, Stirling village clerk, was re-elected to the office of secretary-treasurer.

Other officers are H. B. McColl, of Wooler, president; Roy Sills, third vice-president, and Ernest Bateman and H. L. Adams, auditors.

### Graduate From O.A.C., Guelph

Earl Haslett, who has completed his four-year course at the Ontario Agricultural College at Guelph has been visiting his parents, Mr. and Mrs. Harry Haslett, of Bonarlaw. On Wednesday, May 25th, accompanied by his mother, he motored to Guelph for the graduation exercises and received his B.S.A. degree, returning home on Thursday. On Tuesday of last week he left for Toronto where he is taking a position in the civil service.

Thomas (Bud) Stocker, another Bonarlaw boy, also received his B.S.A. at this convocation and has obtained a position at Stirling with W. A. Sutherland. Both these boys attended public school at Bonarlaw and High School, at Stirling.

### Young Couple Presented With Many Gifts

Mr. and Mrs. Wellington Kosobucki, of Wellman's, have returned from their honeymoon and the groom is assisting Mr. Misses Haggerty at Plum Grove Cheese Factory, for the summer months.

The young couple are living in an apartment in the old Robert Totten home on the 6th Concession of Rawdon.

The community shower was held at the home of the bride's parents, Mr. and Mrs. Thomas Hinds, with a large attendance of folks from the Wellman's community and other friends.

Mr. James Chumbley was master of ceremonies and extended best wishes to the newlyweds. Mrs. Frederick Beckett and Mrs. Lorne Watson conducted a round of community singing. Mr. Gerald Taylor delighted with two piano solos. Mr. and Mrs. George Watson contributed two vocal duets. Miss Doris Dunham read a selection. Misses Annie and Margaret Dracup sang a duet. Miss Ruth Clancy delighted with two vocal selections. Mrs. Kenneth Tompkins sang two numbers.

An address of appreciation was read by Mrs. Burton Morton and was signed by Patsy Pollock Mary Heagel, and Jack Dunham.

#### Many Gifts

The young couple were the recipients of a large assortment of miscellaneous gifts and appreciated the kindness of their friends.

The ladies served refreshments and dancing was enjoyed with everyone wishing Wellington and Lucille much happiness on their matrimonial voyage through life.

### Stirling W.I. Chose Conveners

Delegates Appointed To District Annual — Appeal From U.N. Council Tabled

The June meeting of Stirling W.I. was held on Thursday, June 2nd, in the Community Hall with a very good attendance. The president, Mrs. H. Cooke, presided over the business portion of the meeting which opened with the W.I. Ode and Lord's Prayer.

An appeal was read from the Emergency Fund National Council for United Nations, boxes to be sent to the food care thrift.

#### Delegates Appointed

Mrs. H. Cooke, Mrs. W. West, Mrs. L. Rodgers, Mrs. M. Megginson and Mrs. H. Rodgers were appointed as delegates to the W.I. District Annual to be held in Stirling on June 13th next.

The following conveners for the Standing Committees of the local W.I. were appointed:

Agriculture and Canadian Industries — Mrs. P. Bronson.

Community Activities and Public Relations — Mrs. F. Heath.

Historical Research and Current Events — Mrs. H. Rodgers.

Citizenship and Education — Mrs. H. Tulloch.

Home Economics and Health — Mrs. M. Megginson.

Resolutions — Mrs. H. Cooke.

Girls' Work — Mrs. Louis Rodgers.

Mrs. Megginson gave a very descriptive talk on her trip to California.

A vote of thanks was extended by Mrs. L. Rodgers to Mrs. Megginson, also to Mrs. Tulloch for serving candy. The meeting closed with God Save the King.

### Won Awards At Ont. College Of Pharmacy

Stirling and district friends will be pleased to learn that Don Barton, son of Mr. and Mrs. Roy Barton, who reside west of Springbrook, has been awarded the Gold Medal for Proficiency, the John Roberts Scholarship (\$200) and the Borden Bursary (\$1300) at the Ontario College of Pharmacy.

The report in last week's issue, taken from a Toronto Daily, that he won the Silver medal, was in error.

Don, who is a graduate of Stirling High School, has just completed his second year at the college.

### Local Happenings of Interest About Town

Miss Marion Garver, of Toronto, spent the week end with her parents, Mr. and Mrs. W. Graver.

Mrs. H. A. Kerr, and daughter, Eleanor, of Toronto, were week end guests of Mr. and Mrs. H. C. Martin.

Mrs. W. H. V. Walker is spending this week in Toronto the guest of her son, Rowan.

Mrs. Walter Barker, Mrs. George Drewry, Stirling, Mrs. Fred Elgie and Audrey, of Belleville, were Sunday guests of Mrs. Janet Utman.

Rev. W. H. V. Walker will be in Kitchener this week attending General Assembly of Presbyterian Church in Canada.

Mr. and Mrs. W. T. Elliott, Mr. and Mrs. Earl Green and Mr. and Mrs. Harold Wells attended the Federation of Automobile Dealers Convention at Bigwin Inn this week.

Misses Betty and Shirley Kreh, of Toronto, are spending a two week's vacation at the home of their brother, Mr. W. Kreh and Mrs. Kreh.

Mr. and Mrs. Chas. Davidson formerly of Peterboro, have taken up residence in part of Walter Barker's residence on Emma Street.

Mr. and Mrs. Mac Holden and son, of Sarnia, are spending this week with the former's parents, Mr. and Mrs. S. Holden.

### St. John's Ladies Plan Banquet

Musical Programme By Misses Catherine Wright And M. McKee Enjoyed

The June meeting of St. John's Ladies' League was held at the rectory with the president, Mrs. Burton Woodbeck acting as hostess.

The meeting was opened by Mr. Anderson and the minutes of the last meeting were then read and approved.

Arrangements were made for the League Banquet, which will be held in the Parish Hall, Wednesday evening, June 16th.

Mrs. Walter Wright and Mrs. Harry Morrow are in charge of the programme.

The Reverend W. J. M. Swan, M.A., B.D., of St. John's Portsmouth, will be the principal speaker of the evening.

At the completion of the business session of the meeting we were favoured by a musical programme given by two guest artists, Miss Catherine Wright and Miss Mickey McKee.

Miss Wright played one of Chopin's lovely "Nocturnes", and Bach's "Jesu, Joy of Man's Desiring", which were greatly enjoyed and Miss McKee sang delightfully, "Can't You Hear Me Calling Caroline", and "Goway Bay".

Mrs. F. G. Peperall then read Jessie Alexander's very amusing story, "Friday, Bargain Day", followed by the resume of the chapter "Rival Ideologies", given by Mrs. Ernest Carr.

Ideologies try to mould men into one hard and fast "system of ideas". They all want to give man a complete programme of what to do and how to behave. They will not stand for any criticism or opposition. They may even claim the souls as well as the bodies and minds of their supporters.

When they do that, they usurp the authority of God.

Mr. Anderson closed the meeting with the Benediction. A delicious lunch was then served and Mrs. Woodbeck moved a vote of thanks to Mrs. Anderson for the use of the Rectory for the final meeting of the League for this season and also thanked her co-hostesses, Mrs. Peperall, Mrs. Carr and Mrs. Walter Savage. The next meeting will be in September at the home of Mrs. Bruce Bell.

The Editor is indebted to Thos. MacConnell, local painter and decorator, for the gift of several speckled trout. They provided a delicious meal and were greatly appreciated.

### Local Airman Promoted

Included among the seventy-eight Ontario officers appearing in the R.C.A.F.'s latest semi-annual promotion list, is E. F. Reid, D.F.C., of Stirling, who has been promoted from Flying Officer to Flight Lieutenant. The promotion was effective June 1st.

### Doubleheader In Midget Softball

The first doubleheader in the Stirling Midget Softball League was played at the Recreational Grounds on Saturday evening. In the first game West Huntingdon doubled Minto by a score of 22 to 6, while Stirling Rotary were victors by a score of 16-15. A schedule of future games may be found on page three of this issue.

### Band At Tweed Picnic

Stirling Citizens' Band fulfilled an engagement at the Basket Picnic held in Memorial Park, Tweed, yesterday (Wednesday) afternoon by the East Hastings Progressive Conservative Association in honour of Premier L. Frost, of Ontario.

### Permit Granted For New Bungalow

Clinton Hubble has been granted a building permit for the construction of a bungalow on Lot No. 4, Church St. It is understood construction will get under way in the near future.

### Stirling Wins Over Hastings

Scoring four runs in a rally featured by Kreh's home run, in the first half of the final inning, Stirling immediately defeated Hastings 8 to 6 on the latter's home grounds on Tuesday night. Due to the chilly weather, only a small crowd was in attendance. Rodgers was on the mound for Stirling for the first five innings, with I. Potts finishing out the game.

#### Wooler Here Tonight

At the local Recreational Field to-night (Thursday), Wooler will be the visiting Club. In their first meeting of the season, played in Trenton last week, Stirling was given a rough going over and the boys will be out to night to redeem themselves. A good game is assured and there should be a large crowd of fans on hand.

### Marion Daniels Speaker At W.A.

The June monthly meeting of St. Paul's United Church Women's Association was held at the home of Mrs. Gordon Bailey on Tuesday afternoon, June 7th, with a splendid attendance. Due to the unavoidable absence of the president, Mrs. W. T. Elliott, Mrs. P. Utman presided over the opening exercises and business portion of the meeting.

## By-Law No. 527

### A by-law prohibiting and regulating the running at large of dogs.

Section 6, subsection 2, Chapter 335 of the Revised Statutes of Ontario Dog Tax and Livestock Protection Act.

The Municipal Council of the Village of Stirling enacts as follows:—

1. No dog shall be permitted to run at large within the Corporate limits of the Village of Stirling during the months of May, June, July and August in any year, and any dog so found running at large contrary to this By-Law shall be seized by the Village Constable and placed in the common pound for the said Village and may be killed by such Constable either before or after impounding if deemed necessary or advisable by him.

2. Any dog so impounded may be released to the owner upon payment of the costs of impounding and keep-

ing in pound, otherwise it may be sold within two days after notice of intention to sell has been given to the owner specifying the day, date, time and place of the proposed sale, but if the owner is not known such dog may be sold without notice either privately or in any other manner; and if any sale proves abortive such dog may thereafter be sold privately and without further notice.

3. The entire proceeds of any such sale as aforementioned after the payment of costs of sale and impounding or keeping in pound shall belong to this Corporation.

4. For the purpose of this By-Law a dog shall be deemed to be running at large when found in a Highway, street or other public place within the Corporate limits of the Village of Stirling and not under the control of any person.

5. This By-Law shall come into force and effect from and after the passing thereof.

Passed and enacted this 3rd day of June, A.D., 1949.

Harold J. Wells, Reeve  
F. R. Mallory, Clerk

## By-Law No. 528

### Entitled a by-law to amend By-Law No. 78, known as the Stirling Cemetery By-Law.

And whereas By-Law No. 228 and By-Law No. 332 have been recorded as amendments to the Stirling Cemetery By-Law.

Be it hereby known that the amendments as recorded in By-laws 228 and 332 are hereby repealed and declared null and void.

And whereas the Corporation of the Village of Stirling has found it expedient and necessary to give more financial aid to the Stirling Cemetery, be it known that immediately on the passing of this by-law the following schedule of rates shall be established as applying to the operation of the Village Cemetery.

#### Sale of Plots:—

Large Plot, 9 x 17 feet — \$30.00  
Half Plot, 9 x 9 feet — \$20.00

Adult single grave, indigent or otherwise — \$10.00

Child single grave, indigent or otherwise — \$ 5.00

#### Opening and Closing of Graves:—

From May 1st to Oct. 31 — \$10.00

Children under six years — ½ price

Vault Charges (receiving and giving out of body)

Adult — \$5.00

Child — \$3.00

Vault Charges (if interred in another cemetery)

Adult — \$7.00

Child — \$4.00

#### Annual Care of Plots Now Sold:—

Full size plots — \$3.00

Half size plots — \$2.00

#### Perpetual Care:—

Full size plots — \$100.00

Half size plots — \$ 60.00

And be it further enacted that from the time of the passing of this by-law no plot of any size can be sold and a deed given for the said plot until the fees or monies for perpetual care have been paid.

And it is further agreed that upon the payment of the above fees or monies the Corporation shall grant a perpetuity guarantee under the signature of the Reeve and Treasurer of the Village of Stirling.

And be it further enacted that no

interments shall be made or opening made in plots until all arrears of indebtedness have been paid, as well as the fees required in the aforementioned schedule as applied to care, permanent care, openings or vault charges.

And be it further recorded that this by-law may be amended from time to time as may be deemed necessary by the Council of the Village of Stirling.

And that the by-law be now read a third time, signed, sealed and numbered.

F. R. Mallory, Clerk

## Community Honours Newlyweds

The Orange Hall, on the eighth line was filled to capacity on Thursday evening, May 26th, with friends neighbours and relatives, to congratulate Mr. and Mrs. John Courtney on their recent marriage and also to extend a welcome to Mrs. Courtney. Rev. A. J. Anderson acted as chairman for the evening. The program consisted of songs given by Misses Ruth Mumby, Audrey Harton and the Broadworth sisters; readings, by Mrs. Tom Clements, Mrs. Frank McGee and Mrs. Everett Sine; speeches by Messrs. Ernest Sables, Gordon Bailey, Hiram Dufee, W. J. Tanner, Fred Bateman and Percy Ray. Rev. A. J. Anderson then called on Mr. Arnold Ray to read the address and Mr. and Mrs. Courtney were presented with a tri-light floor lamp, a scatter rug, a buffet mirror, a satin cushion and a wall plaque from the community and also several gifts of silver, linen and china from friends and relatives. John, on behalf of himself and Mary, thanked everyone for their lovely gifts and extended an invitation to all to visit them in their home. "For They Are Jolly Good Fellows" was sung, after which lunch was served and a social hour spent.

# 10 GALLON TEST!

WITH

# SUNOCO DYNAFUEL

SAY THOUSANDS OF CANADIAN MOTORISTS!

### MAKE THE 10 GALLON TEST IN YOUR CAR AND PROVE FOR YOURSELF THAT:

1. No Other Gasoline Gives LONGER MILEAGE
2. No Other Gasoline Gives HIGHER, KNOCKLESS POWER
3. No Other Gasoline Gives FASTER ACCELERATION
4. No Other Gasoline Gives QUICKER STARTS

**REMEMBER** For best results, don't dilute Sunoco Dynafuel with other gasoline. Wait until your tank is nearly empty—then put in 10 gallons of Dynafuel. Compare its action against the best gasoline you ever used.

### New Dynafuel Users Tell What They Learned from Making The 10 Gallon Test...

JOHN J. ENLOW,  
Executive, Hamilton, Ont.

"I admire any manufacturer who allows his product to speak for itself. That's what the Sun Oil Company does in advocating the Ten Gallon Test with Dynafuel. And, believe me, it's the most convincing test I've ever tried. I'm a regular Dynafuel customer now, and I find I'm getting a bonus of power and smoothness in my engine's performance."

MERLIN J. GILROY,  
Electrician, Myrtle, Ont.

"In my opinion, Sunoco Dynafuel is decidedly superior to ordinary gasoline. When I made the Ten Gallon Test, I noticed the difference immediately. I set 28 miles of smooth, knockless performance from every gallon of Dynafuel with a standard size 6-cylinder car. No wonder I'm a regular Dynafuel customer now!"

## Newlyweds Honoured

Mr. and Mrs. John Mulherson Mount  
Pleasant, held a neighbourly get-  
together at their home on Wednesday  
evening, May 25th, in honour of the  
newlyweds, Mr. and Mrs. William  
Hubble. Over twenty neighbours  
were in attendance and the evening  
was spent in community singing,  
games and social chat, after which  
dainty refreshments were served. The  
guest included, Mr. and Mrs. Frank  
Smith, Mr. Herbert Smith, Mr. and  
Mrs. Arthur Phillips, Mr. and Mrs.  
John Hay, Mr. and Mrs. Arthur Couch,  
Mr. and Mrs. George Weaver, Mr. and  
Mrs. Ross Hoard, Mr. and Mrs. Ken-  
neth Weaver, Mr. Antoni Lolek, of  
Mount Pleasant, Mr. Sanford Hubble,  
Belleville, and Mrs. Janet Utman, of  
Stirling.

Mrs. Hubble was welcomed to the  
community and all expressed words of  
greeting.

## Polish Veterans

It is reported by the Department of  
Labour that at least 250 of the Polish  
veterans who came to Canada in 1946  
and 1947 for jobs on farms were now  
either operating farms for themselves  
or had well-laid plans of doing so in  
the future.

Approximately 80 of these men were  
in Ontario, with the remainder estab-

lished in every province with the ex-  
ception of Newfoundland. Some of  
them had purchased their own acre-  
age, while others had rented land or  
were operating farms on a crop-shar-  
ing basis.

There are many signs of new life in  
the summer. But traffic signs, says  
the Department of Highways are signs  
of long life the year round. Give  
those signs a chance to protect you  
by always obeying them when you  
drive. You'll be showing signs of  
good sense.

## THE RIGHT MAN FOR A MOST IMPORTANT JOB

RICHARD D. "DICK" ARNOTT needs no introduction to the electors of the Riding of South Hastings. A young man, who is known for his outstanding ability, he has established a reputation for "Getting Things Done."

Born and educated in the city of Belleville, his career includes experience as Alderman and Mayor, and he was the able Representative of West Hastings Riding in the Provincial Legislature from 1937 to 1945. He has developed one of the most successful legal practices in this part of Ontario, at the same time, working diligently in many civic activities.

R. D. "DICK" ARNOTT

THE PROGRESSIVE - CONSERVATIVES OF THE RIDING OF SOUTH HASTINGS are proud to present R. D. "Dick" Arnott as their candidate in this campaign. His proven ability is your guarantee of capable representation at Ottawa. CONSIDER THE ISSUES AND VOTE

### Candidate In South Hastings

There is every indication of a change of Govt. in Canada on June 27th. George Drew gave Ontario the best administration his Province ever had. He will do the same thing for the Dominion. The people are tired of Government by "Order-in-Council." They want the business of the country conducted by Parliament — not by The Bureaucrats.

Parliament was not dissolved for the convenience of the country . . . but for the convenience of The Liberal party.

Nationalized Marketing has cost the farmers millions of dollars . . . and over-taxation has cost the working man many more millions. Now the Govt. returns a small fraction of it as subsidies and tax refunds . . . JUST IN TIME FOR AN ELECTION . . . DON'T BE "BOUGHT WITH YOUR OWN MONEY"

### TENDERS FOR COAL AND COKE

Federal Buildings—Province of Ontario  
SEALED TENDERS addressed to the undersigned and endorsed "Tender for Coal" will be received until 3 p.m. (E.D.S.T.), Wednesday, June 15th, 1949, for the supply of coal and coke for the Dominion Buildings throughout the Province of Ontario.

Forms of tender with specifications and conditions attached can be obtained from the Purchasing Agent, Department of Public Works, Ottawa, and the Supervising Architect, 36 Adelaide St. East, Toronto, Ont.

Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto. Coal dealers' licence numbers must be given when tendering.

The Department reserves the right to demand from any successful tenderer, before awarding the order, a security deposit in the form of a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, or Bearer Bonds of the Dominion of Canada or of the Canadian National Railway Company and its constituent companies unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds, and a certified cheque, if required to make up an odd amount.

Such security will serve as a guarantee for the proper fulfilment of the contract.

By order,

J. M. SOMERVILLE,  
Secretary.

Department of Public Works,  
Ottawa, May 26, 1949.

### In Memoriam

SINE — In loving memory of our dear mother, Carrie Sine, who passed away June 7th, 1945, and our dear father, Hubbard Sine, who passed away June 27th, 1925.

Our parents are sleeping, so free from all pain.

Oh, wake them not, sweet spirit, to suffer again.

They slumber so soundly; O, let them sleep on;

Their sickness is ended, their troubles are gone —

Till God in His mercy sent down from above

An Angel that whispered a message of love.

— Sadly missed by the Family.

WALLACE — In loving memory of our dear parents, William and Florence Wallace, who passed from this life June 3rd, 1939, and June 13, 1942, respectively.

We do not need a special day

To bring you to our mind

For the days we do not think of you

Are very hard to find.

If all the world were ours to give,

We'd give it, yes, and more,

To see the faces of our parents dear

Come smiling through the door.

— Ever remembered by daughters,

Mrs. Ernest Lott, Hamilton

Mrs. Ernest McKee, Campbellford

### River Valley W.I.

The June meeting of River Valley Women's Institute was held at the home of Mrs. R. H. Philp on June 2nd with over thirty in attendance.

The new president, Mrs. Harold Morgan, presided and Mrs. Clarence Chard was in charge of the music in honour of the King's birthday on Monday.

The roll call was answered with the name of a flower and each paid member received an Institute pin which she is to wear at all meetings in order to avoid paying a fine.

Mrs. J. L. Donohoe, the newly-elected secretary-treasurer gave the financial report which was over two hundred dollars. It was decided to send fruit boxes valued at eighty cents to all sick folks.

Mrs. Alex Bush was appointed delegate to the District annual to be held in Stirling Community Hall on June 13th with Pine Grove W.I. as hostess.

Mrs. Don Donohoe gave a report of the recent Achievement Day held in Stirling and described the displays of the various groups.

The president read "Kitchen Meditations". Mrs. Percy MacMullen gave a concise report of the recent Speakers Conference held in Stirling when the speaker stressed that all Institute members should have a thorough knowledge of parliamentary procedure and presidents should strive to have as many members as possible participating in the meetings. Mrs. Roy Bush brought a few comments from that same meeting. A purse contest was won by Mrs. Hugh Jones. Mrs. Don Donohoe gave a "make-up"

### St. John's W.A.

The May meeting of St. John's W.A. was opened with the hymn "Soldiers of Christ, Arise", followed by the Litany and prayers by Rev. A. J. Anderson.

The minutes of the April meeting were read and approved. The correspondence included a letter of thanks for the bales which had been sent to the Mohawk Indians at Brantford. Several new members answered the roll call and we were glad to welcome several visitors.

Mrs. Belshaw reported for her Junior Branch and Mrs. Morgan gave a very full but concise report of the Festival

at Kingston. There was a display of knitted baby sweaters, woven materials, posters, scrap books, banners and some of the Girl's Branches put on plays of Bible stories.

At this point, Mr. Anderson urged the mothers to encourage their children to attend the summer camp at Lyndhurst.

Mrs. Ed Kent kindly offered her home in River Valley for the June meeting also inviting St. Thomas, Rawdon, and Trinity, Frankford. Mrs. Kent has brought a great deal of honour to our parish by accepting the office of Dorcas Secretary Treasurer. A splendid report of the 63rd annual meeting held at St. George's Cathedral in Kingston was given by Mrs. Kent. His Grace, the Archbishop of

Ontario, expressed pride in the W.A. workers and urged all members to try to interest non-members. His Grace also spoke of the great need for workers, especially in the West.

Miss Watts, W.A. Liaison Sec., on a tour of the West, gave a very vivid picture of conditions there and in closing said she often thought of the passage — "and God said, Rise up and go and possess the land". In the West, there is much land to be possessed and we need the young people of today to hold what we already possess.

Mrs. Payne, reporting for the Juniors, has a membership of 343. There are many demands on one's time, but we should decide, with God's help, which is the important task.

Mrs. M. Tanner, in her usual capable manner presented the chapter in the Study Book dealing with the Church in Japan and Present Day Japan.

A splendid reading by Mrs. H. Rodgers, "The W. A. Member I Want To Be", was followed by a solo, "My Task", by Mrs. B. Woodbeck, which was enjoyed by all.

The layette, which through the untiring efforts of our President, Mrs. Walter Savage, and other willing workers had been made ready during Lent, was also packed at this meeting.

The hymn "O God Our Help in Ages Past" and prayer by Rev. A. J. Anderson brought this outstanding meeting to a close.

A very delicious lunch was served and Mrs. Morgan very graciously moved a vote of thanks to all who helped with the program and lunch.

### Cretney--Mason

Springbrook United Church was the scene of an interesting and pretty double ring ceremony on Wednesday, May 25th, at 3 p.m., when Norma Nellie, only daughter of Mr. and Mrs. Murney Mason, of Springbrook, was united in marriage to David Taylor Cretney, son of Mr. and Mrs. R. P. Cretney, of 10 Grier St., Belleville. Rev. P. H. Christensen, of Dundalk, Ont., assisted by Rev. G. Crabbe, of Springbrook, officiated.

The ceremony was performed beneath an arch of pink and white with hanging bells, while the altar, banked with ferns, baskets of white lilies and burning candles, made a suitable background.

Mrs. George Williams at the organ played the Bridal Chorus from Lohengrin as the bridal party entered the church and Mendelssohn's Wedding March as they left the church. Mrs.

Tom Sables, of Stirling, cousin of the bride, sang "With This Ring, I Thee Wed", prior to the ceremony, and "Because" during the signing of the register.

The bride, who was given in marriage by her father, looked charming in a gown of white allover satin, buttoned down the back to the waist, sweetheart neckline, with long sleeves pointed over the wrists and a full skirt inset with tiers of chantilly lace. Her floor length veil was of French tulle illusion and was held by a coronet of seed pearls and brilliants. Her only ornament was a three-strand pearl necklace, the gift of the groom. She carried an arm bouquet of red roses, calla lilies and baby's breath, tied with a white satin ribbon.

Miss Dorothy Cretney, sister of the groom, was senior bridesmaid, in a floor-length gown of ashes of roses taffeta bengaline with poke bonnet and mitts to match, while little Miss Barbara Woodbeck was junior bridesmaid, in delphinium blue taffeta bengaline, fashioned on the same lines as the senior bridesmaid's, with poke bonnet and mitts to match. Each carried arm baskets of pink roses, lilies of the valley and baby's breath. Master Garry Mason, brother of the bride, in white flannels and navy jacket was ring-bearer.

The groom was attended by Bruce Parsons while Bob Cretney and Doc Dougherty were ushers.

Following the ceremony, a reception was held in the Orange Hall at Springbrook. The many guests were received by the bride's mother, gowned in powder blue crepe with navy accessories and wore a corsage of pink roses. She was assisted by the groom's mother, gowned in navy blue crepe with pink accessories and wore a corsage of pink roses.

Mesdames Florence Fargy, Audrey Bolderick and Misses Audrey Brown, Jean Morton, Lois Mason and Ruth Bain were serveurs.

Amid showers of confetti and best wishes the young couple left by motor for Watertown, Rochester, Niagara Falls and Toronto.

The bride chose a powder blue gabardine suit with navy accessories and a corsage of pink roses for travelling.

The groom's gift to the bride was a three-strand pearl necklace with matching ear-rings. The bride's gift to the groom was a leather travelling case; to her senior bridesmaid, a gold pendant; to her junior bridesmaid, a locket and to her ring-bearer a wrist watch. The groomsmen received a leather billfold, while the ushers each received engraved gold pen knives. The organist, soloist and serveurs each received cups and saucers.

Guests were present from Belleville, Brighton, Picton, Trenton, Stirling and Marmora.

### Popular Bride-To-Be Showered

The Intermediate Girls' Sunday School Class were hostesses at a delightfully arranged crystal and linen shower at the home of Mrs. Percy Mumby, Springbrook, on Friday evening, May 20th, in honour of Miss Norma Mason, a valued member of the class, prior to her marriage the following Wednesday.

Miss Ruth Leonard very capably performed the duties of mistress of ceremonies for a programme of community singing, readings, games and contests.

Norma was invited to take the bride's chair, which was artistically decorated in pink and white and presented with a corsage of blown balloons in varied hues, tied with many coloured ribbons. As she pricked each one with a pin she was showered with confetti and a note telling her where to hunt for a hidden gift.

An address was read by Miss Audrey Brown to which Norma replied expressing her most sincere thanks to all.

A lovely lunch served by the girls brought a pleasant evening to a close.

### Entered Into Rest

MRS. CHARLOTTE E. GREEN

Mrs. Charlotte Eliza Green, widow of Harrison Green, Frankford, died in the Belleville General Hospital on Sunday evening after a brief illness.

Born in Sidney township, near Oak Lake, the late Mrs. Green was in her 72nd year and was a daughter of the late Mr. and Mrs. Peter Palmer. All her life was passed in this district.

She was a member of Trinity Anglican Church, Frankford.

Surviving her are two sons, Lorne, of Oshawa, and Gordon, of Frankford; six brothers, Miles Palmer, of Frankford; Edward Palmer, of Stirling; Robert Palmer, of Victoria, B.C.; Peter Palmer, of Simpson, Sask.; Gerod Palmer, of Lindsay and James Palmer, of Regina, Sask. Her husband died 2 years ago.

The funeral was held on Wednesday afternoon, June 8th, to Trinity Anglican Church, Frankford, for service at two o'clock. Interment in Frankford Cemetery.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

"More of our friends have Telephones— and we all use the Telephone more!"

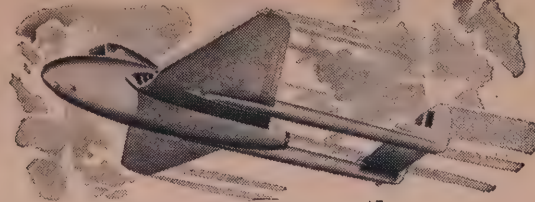

DAY AND NIGHT, seven days a week the telephone is at your service. Quickly and easily it keeps you in touch with everything and everybody everywhere. There are 400,000 more telephones and two million more calls a day than there were three years ago. And service is getting better all the time.

In three years, however, costs of important raw materials for telephone lines and cables have risen sharply. Copper prices have doubled, zinc and lead prices tripled. Yet, up to now, despite rising costs on all sides, there has been no increase in the basic telephone rates established 22 years ago. Few things give you so much real value at such low cost as your telephone.

We've broken all records but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever—to continue to provide more and better service at the lowest possible cost.

## Cemetery Bee At Mount Pleasant

On Thursday evening, May 26th, a bee was held at the South Cemetery, Mount Pleasant and the plots were given a general cleaning of small brush; grass was burned and holes filled in. Another bee will be held next Wednesday evening, June 1st, to repair the fence.

The five families interested in the cemetery were represented by Mr. and Mrs. Percy MacMullen, who planned the bee. Mr. Edward Montgomery, of Foxboro, Mr. and Mrs. Burton Bateman, Springbrook, Messrs. George Montgomery and Albert Montgomery, of Frankford, Mr. Percy Hubble, of Stockdale, Mr. Clifford Hubble, Glen Ross, Mr. Bob Hoard, of Hoards. A few from Mount Pleasant community also attended and their assistance was appreciated. They were Messrs. Will Potts, Harold White, Raymond McConnell, Orno Sharpe and Robert Hoard.

## Obtains Degree

Mr. C. A. Holmes, assistant to the superintendent at the Ontario School for the Deaf, has been successful in obtaining the degree of Bachelor of Pedagogy with honours from the College of Education, University of Toronto.

## St. Andrew's Ladies' Aid

St. Andrew's Ladies' Aid was held on Thursday at the home of Mrs. P. Craighead with a large attendance. The president, Mrs. Hermiston, opened the meeting by all singing, "The World Looks Very Beautiful", followed by prayer. Mrs. Hermiston read a short story, explaining the hymn sung.

The minutes of the last meeting were read and roll call answered. A short business period was followed by a reading by Mrs. L. Rodgers and Mrs. Ken Ray. The remainder of the afternoon was spent in quilting.

Mrs. Craighead and her assistants served lunch and a social half hour was enjoyed. Mrs. Hermiston moved a vote of thanks to the hosts for her hospitality.

## What Others Say

FARMERS LOSE \$1,000 A DAY  
FROM SALE OF MARGARINE  
(Renfrew Advance)

Renfrew merchants might do well to consider that when they sell margarine their profit, although it may be larger than on butter, is the only money which stays in this area. The rest goes back to city manufacturers, who in turn must send a good share out of Canada to foreign producers of the oils. When butter is sold, after the merchant's charges, which are usually small, the balance is paid to the creamery from where the most of it is returned to local farmers. He, in turn, uses it to pay for various goods and services the town people have to offer. The more money the farmers have to spend the more Renfrew will benefit, for a large share of the town's business comes from surrounding rural areas.

As matters now stand, farmers in the area served by creameries of Renfrew are receiving about \$1,000.00 less per day for their cream than they might have received had there been no margarine. Such a loss in purchasing power is bound to be severely felt by business people of Renfrew.

## Honoured By Friends

A large number of friends and neighbours gathered in Ivanhoe Town Hall on Friday evening, May 27th to honour Mr. and Mrs. John Courtney. Friends were present from Marmora, Madoc, Stirling, Tweed and Harold. Mr. T. A. Creaser acted as chairman for the evening's entertainment.

The short programme, opening with community singing, with Mrs. Reg. Haggerty at the piano, was as follows, reading, "A Snoring Husband" by Miss Margaret Wright; solo, "Peg O' My Heart" by Miss Marjorie Prest; reading, "Entertaining the Minister", Mrs. Clifford Mitz; solo, "Through The Years", Mrs. Keith Bray; reading, "Baby's Teeth", Miss Joyce Reid; solo, "Forever and Ever", by little Miss Linda Reid, aged four.

John and Mary were invited to the platform and a suitable address was read by Mr. Harry Lovibond. Mrs. Earl Benson made the presentation of a handsome silver tea service, a silver candelabra and a silver butter dish.

After John had expressed thanks

and appreciation, all joined in singing "For They Are Jolly Good Fellows". The singing of Auld Lang Syne and God Save the King brought the programme to a close. Lunch was served and the remainder of the evening

was spent in dancing.

Both Mr. and Mrs. Courtney have a host of friends in Ivanhoe and Harold, who join in wishing them a long and happy married life.

# Canada's great Leader

LOUIS ST. LAURENT, Prime Minister of Canada

At the polls on June 27 the voter must ask himself, ahead of anything else, who should be head of the government.

In Louis St. Laurent, Canada has found a great national leader.

That he had high abilities of the mind was proved by his career in law. That he had wisdom in cabinet, unique gifts in parliamentary debate and a quick grasp of large affairs became clear as soon as he entered the Government. In international affairs, as one of the original advocates of the Atlantic Pact, he made himself a world figure who spoke out as no Canadian before him, in the councils of the nations.

He also revealed an understanding of ordinary people, because he is

one of them.

This warm and essentially simple human being is the real St. Laurent, the product of the small town, of humble beginnings, hard work, a big family and the friendliness of country neighbors.

In blood, language and instinct he combines the qualities of two great races.

To the voter it is equally important that St. Laurent is the leader of a truly national party, with proved strength from coast to coast, the only party which can hope to form a stable government after the election. His character, his ability and his achievements have made him the leader of all the Canadian people.

### Ivanhoe

#### Special Church Service

A special service was held in Beulah United Church, Ivanhoe, on Sunday evening. The Church was beautifully decorated with white spirea.

Mr. Arnold Creaser welcomed the guest speaker, Rev. George Nickle, of Toronto, a former minister. Mr.

Nickle first came to Ivanhoe in July, 1896, and expressed pleasure in coming back once again to his old charge. He took for his text Matt. 16, 23 and spoke of the temptations of Jesus, and the driving of the money changers from the Temple. In closing, Mr. Nickle urged the congregation to take up the Cross and follow Him who gave His life for others. The music was under the direction of the organist, Miss Phyllis Twiddy. A duet, "Beneath His Wings", was given by Mrs. Earl McMaster and Mrs. George Wood. The choir sang, "God's Way is the Best Way". It was with regret that the congregation learned that Mr. Arnold Creaser, who has been in charge of the Ivanhoe circuit since Jan., will be leaving the end of June. Ivanhoe charge has been declared vacant.

Mr. and Mrs. Caleb Rose, of Brantford, Ont., called in Ivanhoe Friday, renewing old acquaintances after an absence of forty-five years. Mr. Rose visited at the Post Office, the home of Mrs. Chas. Mitz, where he used to reside, and Mrs. Baldwin Reid, a former school teacher. It will be of interest to the older Ivanhoe residents to know that Mr. Rose's mother, aged 84, is enjoying good health.

Mrs. Ernest Burns, of Sask., is visiting her brother, Mr. Reginald Haggerty and Mrs. Haggerty.

Miss Kathryn Duggan, of Ottawa, spent the week end with her grandparents, Mr. and Mrs. A. Duggan.

Mr. and Mrs. Wm. Shaw, Mr. and Mrs. Milton Shaw and Wayne spent Sunday with Mr. and Mrs. Blake Ketcheson, Moira.

Mr. and Mrs. Frank Brough and children, of Thomasburg, Mr. and Mrs. George Wood and children were

Sunday guests of Mr. and Mrs. Earl McMaster.

Mr. and Mrs. W. Kilpatrick, Belleville, visited Mr. and Mrs. Donald Fleming on Monday.

Mrs. Donald Fleming and Mr. Tod Fleming spent the week end in Bath.

Miss Shirley Fleming, of the Sick Children's Hospital in Toronto, will spend Wednesday at her home here.

She will be bridesmaid at the Armstrong-Blakey wedding to take place in Madoc United Church Wednesday afternoon.

Mr. A. M. Wootton, of Whitby, visited Mr. Harry Lovibond on Sunday.

Mr. Arnold Creaser will be in Toronto, for the next three months where he will take a Layman's course.

Mr. and Mrs. W. J. Burditt, Tommy and Bobby, of Niagara Falls, N.Y., spent the week end at the home of Mr. and Mrs. S. Twiddy.

JOHN M. HOLCOMBE

John M. Holcombe died suddenly at the home of his niece, Mrs. Harry Armitage, Coral, Michigan, May 27th.

Services were conducted at the Congregational Church, Coral, by Rev. Howard McDonald, after which the remains were taken to Stirling, Ont., where services were held at the home of his nephew, Harry Heath, conducted by Rev. H. C. Vachlavik with interment in Stirling Cemetery.

The late Mr. Holcombe was born in Belmont, Ont., son of the late Daniel Holcombe and his wife, Sarah Switzer. He was in his 88th year. He spent most of his life as a R.R. Engineer, living in Buffalo, N.Y., until he retired and made his home in Coral, Mich.

His wife, the late Finlay G. (Norris) Holcombe, predeceased him 17 years ago.

Left to mourn his passing are his daughter, Mrs. Wm. Brecht, Buffalo, one grandchild, Elspeth Ann Brecht; one brother, D. N. Holcombe, St. Petersburg, Florida; one sister, Mrs. J. T. Honeycutt, Kirkland, Wash.; also a number of relatives and friends in Michigan and Stirling, Ont.

Mr. Holcombe had just returned to

his home in Coral after spending the past few months with his nephew, Harry Heath and Mrs. Heath, Stirling. Mr. and Mrs. Harry Armitage accompanied the remains to Stirling returning to Coral on Wednesday.

## Community Recreational Council Plan Splendid Program For June 27

### Proceeds To Assist In Pro- viding Playground Equip- ment For Local Children

Plans are practically completed for the "Children's Night" programme to be sponsored by the Community Recreational Council on Monday, June 27th, at the Stirling Recreational Grounds. President Wm. A. Sutherland and the officers of the Community Council are making a special effort to raise funds to provide playground equipment for local children.

Arrangements have been completed for an exhibition softball game between Stirling's visitors and the local team. The visitors are expected to have a real team and fans should see a bang-up game.

Bingo and other attractions, as well as refreshment booths will be in operation on the grounds. The latest returns in the Dominion Election will also be announced over the public address system.

**Free Draw**  
The children under 16 years, who will be admitted to the grounds free, will have an opportunity to win five prizes in a draw. There will also be a draw for a mystery prize, which will be open to adults only.

An outstanding sports figure is expected to be present and will participate in the drawing, which entitles the winner to any one of three articles, (1) Sunbeam Mx Master; (2) Suit of Clothes, and (3) a bicycle. There will also be a consolation draw for a free pass to all ball games during 1949.

Remember the date, June 27th, and the place, Stirling Recreational Grounds, and be present to do your bit towards giving the boys and girls of the community a chance to enjoy sports at a well-equipped centre.

## Ralph Campbell Graduates

Stirling and district friends extend congratulations to Ralph Campbell, son of Mr. and Mrs. Fred Campbell of Foxboro, on his graduation in Political Science and Economics from University of Toronto, also on his forthcoming marriage to Miss Joy Winch, B.A., of Toronto.

At Convocation on Friday last, which was attended by his parents, Ralph received his degree and the Rhodes Scholarship for general proficiency. His fiancée received her Arts degree the previous Thursday.

Ralph is a former student of the Stirling High School and won the first Carter scholarship on his graduation. He served with distinction in the Royal Canadian Air Force winning the DFC and Bar for meritorious service during the last war, after which he entered Toronto University.

Following his marriage, which takes place on Saturday, June 18th, he and his bride will spend the summer with his parents. Later they will sail for England where Ralph will enter Oxford University for a two years' course in Philosophy and Economics.

## Past Grands' Club

The Past Grands' Club met at the home of Mrs. R. Duffin on Wednesday afternoon. Following the business part of the meeting Mrs. Megginson gave a talk on her trip to Pomona, Calif., which was humorous and much enjoyed by all. A contest by Mrs. P. Utman and a reading by Mrs. E. G. Bailey concluded the program.

A very dainty lunch was served by the hostess.

## Hostess To St. Andrew's W.M.S.

St. Andrew's W.M.S. held its June meeting at the home of Mrs. Ernest Cain with a good attendance. By way of introduction, Mrs. Chas. Farney, read a short poem:

Things Work Out

Because it rains when we wish it wouldn't.

Because men do what they often shouldn't.

Because crops fail and plans go wrong

Some of us grumble the whole day long.

But somehow, in spite of the care and doubt,

It seems at last that things work out.

So bend to your trouble and meet your care,

For the clouds must break and the sky grow fair.

Let the rain come down as it must and will,

But keep on working and hoping still.

For in spite of the grumblers who stand about,

Somehow it seems all things work out.

After singing a hymn, Mrs. Farney read the Scripture Lesson and led the meeting in prayer. Mrs. Farney read a short account of the life of Bartholomew.

Plans were made for attending the

## Passes Exams

Congratulations are extended to Fred Eggleston, son of Mrs. N. E. Eggleston, of town, who was successful in passing his second year Medical Examinations at the University of Toronto.

## In Hospital

Friends of Harry Potter, Henry St., will regret to learn that he is a patient in Belleville General Hospital, undergoing treatment on his foot. He will undergo an operation in an effort to overcome the trouble.

## Doubleheader In District League

A doubleheader in the District Softball League was played at the Recreation Centre on Monday night, when the local Juniors and the Legion were the victors.

In the first game the Legion team held the edge on Springbrook and won by a score of 12 to 7 in a five-inning tussle, while the Juniors were much too good for the Rylstone nine in the nightcap. They scored fifteen runs in the fifth inning to win 28 to 6.

The league standing up to the present date is as follows:

Teams	GP	W	L	T	Pts.
Juniors	4	4	0	0	8
Legion	3	3	0	0	6
Rylstone	3	2	1	0	4
Foxboro	2	2	0	0	4
Sidney	1	1	0	0	2
Glen Ross	1	1	0	0	2
Zion Hill	1	1	0	0	2
Springbrook	2	0	2	0	0
Ivanhoe	2	0	2	0	0
Minto	3	0	3	0	0

## St. John's League Annual Banquet

The Ladies' League of St. John's Church held their annual banquet in the Parish Hall last night, with over one hundred partaking of a delicious chicken dinner. The tables were decorated with spring flowers and candles and were laden with all the good things to eat.

Following the dinner, Rev. A. J. Anderson, rector, acted as toastmaster for the program. Mrs. Burton Woodcock, president of the League, welcomed the guests and led in a round of community singing. Mrs. Roy Eggleston and Mrs. Chas. Farney, accompanied by Mrs. H. Morrow, sang a duet, "Bless This House," followed by a solo by Miss M. McKee, accompanied by Miss Catherine Wright.

The toast to the Church was ably proposed by Mrs. Edward Kent and Rev. M. Swan, of St. John's Church, Portsmouth, responded with a very inspiring and thought-provoking address in which he admonished his audience to be enthusiastic worshippers and to uphold the fellowship of the Christian Church. Miss Catherine Wright and Mrs. Harry Morrow contributed a piano duet. The toast to the visitors was proposed by Mrs. Chas. Vance and the response was given by Rev. W. H. V. Walker, of St. Andrew's Presbyterian Church.

A duet, "The End of a Perfect Day" by Mrs. Eggleston and Mrs. Farney and the benediction by Rev. Anderson brought a happy occasion to a close.

Mr. and Mrs. John L. Donohoe, Mr. and Mrs. Fred Donohoe, Mr. and Mrs. J. Ryan, Misses Bernice Ryan and Colleen Golden, and Mr. Leo Ryan attended the celebration of Rev. S. Lescaze's 25th anniversary in the priesthood at Chesterville on Sunday.

Summer rally in Gananoque on June 21st.

Mrs. A. Hammond gave a full report of the giving for the first half of the year. These were most encouraging.

Mrs. M. Tompkins had charge of the remaining part of the program. Miss Gena Spry gave a reading, "The Forgotten Man." Mrs. R. Woodbeck gave a splendid story of the life of Miss Ruby Walker, one of our young energetic missionaries. Mrs. C. Tummon gave an account of the mission work in China. This topic was a challenge to each member of the Society to do her best to help in this great task. Mrs. M. Tompkins read a short poem "Jesus the Carpenter." The singing of a hymn followed, after which the meeting was closed by a Mizpah benediction. Mrs. Cain and Mrs. Tompkins served a delightful afternoon tea. A half hour of good fellowship followed. Mrs. Chas. Farney, on behalf of the society, thanked Mrs. Tompkins and Mrs. Cain for the very splendid Missionary program and lunch. Such meetings greatly stimulate the interest in the great Missionary cause of our Church.

## STIRLING LOSES TO CAMPBELLFORD

Stirling's Trent Valley softball entry dropped their second game of the week on Tuesday night, when they were defeated by Campbellford by a score of 10 to 7 at the local Recreation Centre. The visitors out-hit the locals, particularly in the early part of the game when they piled up a commanding lead, and were given some excellent pitching by Robertson, who had twelve strikeouts to his credit and walked four.

Faulkner, a Junior, started on the mound for the locals and the visitors socked his offerings to all corners of the lot for four runs in the first inning. In fairness to Faulkner, the fielders were guilty of some glaring errors. I. Potts took over and fared little better, giving up three runs in the second inning. However, he settled down and only allowed three runs the rest of the game, one each in the third, fifth and ninth inning. He had one strikeout and didn't issue a walk.

Stirling scored one in the third, two in the fourth, one in the sixth and three in the eighth, when "Ted" Dobson hit a homer scoring Bastedo and Dafeo ahead of him.

Robertson and Bibby, with homers, and Holmes and Herrington with triples, were the heavy hitters for the winners.

For the locals, Bastedo led the hitters with three singles and a walk. Dobson had two singles and a homer; Morton a double, while Kreh hit a triple but was called out when he overran the bag.

Campbellford — D. Holmes, ss; Hay, cf; Robertson, p; G. Holmes, 1b; Blake, lf; Hey, 1b; Sanders, rf; Bibby, 3b; Herrington, 2b.

Stirling — D. Bastedo, 3b; Dafeo, 1b; Dobson, rf; Kreh, c; Montgomery, 2b; Stocker, lf; Morton, cf; Rodgers, ss; Faulkner, p; Potts relieved Faulkner in the 2nd inning.

Score by innings:  
Campbellford — 4 3 1 0 1 0 0 1—10  
Stirling — 0 0 1 2 1 0 3 0—7

Umpires: plate, Hendy; bases, J. Kane.

## Midget Softball

Two games were played in the Midget Softball League at the Recreation Centre on Saturday night, with West Huntingdon downing Glen Ross 23 to 4 in the first game and Stirling Cubs defeating Minto 16 to 6 in the second game.

The league standing is as follows:

Teams	W	L
West Huntingdon	2	0
Stirling Cubs	1	0
Stirling Rotary	1	0
Glen Ross	0	2
Minto	0	2

All players' lists for these teams must be in the hands of the secretary before Saturday night, June 18th.

Mr. and Mrs. James Mashford,

## TRENTON EDITOR ROTARY SPEAKER

This week's meeting of the Rotary Club was perhaps one of the best attended since the presentation of the charter, with twenty-eight Rotarians and guests in attendance.

One of the features of the evening was a number of piano solos by Ron Hadley while the supper was being served.

The guest speaker, who was very ably introduced by Jack Sutherland, of Trenton, was Jim Ormiston, Editor of the Trenton Courier-Advocate. Mr. Ormiston, who is also a member of the Trenton Rotary Club, took as his subject "The Corporation of the Village of Stirling". He pointed out that it is our duty as Rotarians to be not only interested in our own local activities but also take an interest in the National and International picture of events. He also pointed out that the schools and churches were vital parts of the community as through them the young people of today were being moulded to form the leaders of tomorrow.

The guest speaker, Ron Hadley, and others who had helped make the meeting a success, were ably thanked by Cliff Hatton.

It was announced that Colborne is forming a Rotary Club so that Stirling will no longer be known as the baby club of District No. 168.

## Chatterton W.M.S. Meets At Oak Lake

Mrs. Fred Kingston and Miss Aletha were hostesses at a dinner for members and a few guests on Tuesday. This is the second year they have served dinner in aid of W.M.S. funds and the attractive service and grand meal made it an occasion no one willingly misses.

After dinner the regular meeting was held with Mrs. Bartindale, 1st vice president in the chair for the business session; Mrs. Fred Campbell assisted by Mrs. F. Finkle as reader, and Miss Mae Currie as soloist, with Mrs. B. Mitts at the piano.

Prayers were offered by Mrs. B. Finkle, Mrs. Mitts and Rev. A. L. Shorten, who afterward briefly addressed the meeting, speaking appreciatively of the helpful service of the W.M.S. in the community during his pastorate.

Mrs. Campbell also had charge of the program and called on Miss Marion Daniels, Foxboro, to take all the time she wanted to tell of her work and experiences. Miss Daniels is a fluent and easy speaker and as she is fairly well known to most of those present, was avidly listened to. Miss Mae Currie sang, "Keep on the Sunny Side of Life", and the three-fold benediction closed the meeting.

Niagara Falls were week end guests of Mr. and Mrs. Claude Tucker and Mr. and Mrs. Roy Tucker.

Mr. and Mrs. E. D. Ketcheson and family, Mrs. E. A. Ketcheson, of town and Miss H. A. Ward, of Peterborough, spent Sunday at Ivy Lea.

Mr. and Mrs. Norman Dault, of Toronto and Mr. and Mrs. J. Doran, of Belleville, were week end guests of Mrs. Jennie Donohoe.

Mrs. Glen Whitehead and Joey left on Wednesday by plane to visit the former's parents, Mr. and Mrs. A. Koucher, at Fort William, Ontario.

Mr. and Mrs. Everett Cooke, Mr. and Mrs. Roscoe Wright spent Sunday in Watertown, N.Y., and called on Mr. Wright's uncle, Mr. Clarke Wright.

Mrs. R. H. Nichols has returned to her home in Meeker, Colorado, after spending the past few weeks visiting her parents, Mr. and Mrs. Wm. Prest-Harold, and other relatives and friends.

Friends of Mrs. Harvey Boyd, nee Dorothy Hulin, of Ottawa, will regret to learn that she is a patient in Belleville Hospital. Mrs. Boyd has been visiting at the home of Mr. and Mrs. Arthur Hulin, Church St., and became ill last week.

The many friends of Mr. Wm. E. Fitchett, Stirling, who has been ill for the past two months will be glad to know that he is improving. Mrs. Fitchett were Sunday guests of his son, Mr. W. J. Fitchett and Mrs. Fitchett.

Mr. and Mrs. Jack Johnston, of Toronto and Mrs. O. Herrington, of Toledo, Ohio, are guests of Mr. and Mrs. James Chambers and other relatives in the district.

Friends of Miss Margaret Gray, daughter of Rev. and Mrs. David Gray of Augusta, formerly of Stirling, will be pleased to learn that she has graduated from Queen's University with a Bachelor of Arts Degree. Miss Gray has accepted a postgraduate secretary for Dr. Edwin Robertson, of Kingston.

Mr. and Mrs. R. M. Cooney spent a few days last week at the home of their son, Mr. and Mrs. Howard Cooney, at Peterborough, and on Thursday evening they attended an illustrated program on "Magic in Your Home Through Colour Dynamics" by Ruth Hamilton at the Collegiate Auditorium in Peterborough.

## Dept. of Planning Officials Here

MEETS. A. E. K. Bunnell and N. Keefe, of the Ontario Department of Planning and Development, Toronto, were visitors to this Village on Wednesday forenoon. In company with Councillors W. T. Elliott and J. V. Holt, members of the local Industrial Committee, and other members of the Council, they made a tour of the village to survey possible industrial sites.

## Earns Promotion

Announcement has been made of the appointment of Harold E. Baker, local representative of the London Life Insurance Co. to the position of supervisor in the Ottawa Valley. He will assume his new duties the first of next month and will reside in Pembroke.

His many friends throughout the community join in extending congratulations and best wishes for his future success.

## Lose To Wooler

Playing a smarter brand of ball in every department, Wooler defeated Stirling in a Trent Valley League game at the local Recreation Centre on Thursday night last by a score of 14 to 5.

Rosenplot, on the mound for the winners, had the edge, eating out of his hand throughout most of the game, while Rodgers, who looked after the pitching for the locals, was below his usual form. He had difficulty with his control at times and the winners advanced on the base paths on many a wild pitch to later dent the rubber for runs.

## County Council In Session

The June session of Hastings County Council opened in Shire Hall, Belleville, on Tuesday, and are continuing throughout the week. Those from this district in attendance are Reeve H. J. Wells, Stirling; Reeve W. Spencer and Deputy-Reeve V. Heath Rawdon Township; Reeve A. Hageman, Huntingdon Township; Reeve Ben Bleeker and Deputy-Reeve Lee Grills, Sidney Township.

## Conservative Rally Here

A meeting in the interests of Geo. S. White and R. D. Arnott, K.C., Progressive Conservative candidates in the ridings of Hastings-Peterborough and South Hastings, respectively, in the forthcoming election will be held in the Stirling Community Hall tonight (Thursday), at 8.15 o'clock. In addition to prominent speakers, musical entertainment will be provided.

## Musical Evening At Wellman's School

The public school at Wellman's Corners was filled to capacity for a special musical evening prepared under the direction of the music teacher, Mrs. Lorne Watson, and the public school teacher, Miss Joan Hoard.

Mr. Burton Morton was chairman and the program opened with "O Canada", followed by a chorus by the school, "In My Heart" Master Jimmie Chumley sang "Twinkle, Twinkle Little Star" with the seniors contributing two part selections entitled, "Lightly Row" and "The Hunter's Horn". Master Charles Nix sang as a solo, "Pop Goes The Weasel".

Misses Mildred Morton and Yvonne King sang a duet entitled "You're Adorable", "Our Flag" by senior pupils; "Gathering Apples, Off We Go" by Master Garry Preston, and "Diddle Duck" by the junior boys. Master Charlie Preston and his sister, Miss Dianne Preston were heard in a question and answer song, followed by a patriotic number by the juniors.

Master David Heagle was heard in a vocal selection, "Springtime" and the boys of the school contributed "Now is the Hour", and Miss Nancy Chumley sang "Cruising Down the River", followed with "The Little Red School House", by Craig Watson, and Keith Clancy, and a full chorus entitled "Springtime is Coming".

Interpersed between the singing were four recitations given by Miss Marlene Haggerty, Master Richard Royle, Miss Betty Watson and Master Jimmie Rainnie. Two piano solos were rendered by Miss Shirley Dunham and Miss Doris Hoard and a piano duet was pleasingly rendered by the Misses Muriel and Mildred Morton.

Both teachers were thanked for their efforts in training the pupils for such a splendid evening of entertainment.

A silver collection was taken and the proceeds will be used to procure equipment for a Rhythm Band in the Fall.

Those in attendance were loud in their praises of all numbers.

## Masons Attend Divine Worship

### Rev. Walker Delivers An Inspiring Sermon on "Our Vows" — Special Music

Some eighty members of Stirling Lodge, A.F. and A.M., No. 69, G.R.C., paraded from their lodge room, North Street to St. Andrew's Presbyterian Church on Sunday last for service at 11 a.m., with V. Wor Bro. Thomas W. Solmes acting as Marshal.

Rev. W. H. V. Walker warmly welcomed the visiting brethren and was assisted in the service by Wor Bro. James Johnston, Worshipful Master and Wor Bro. H. J. Wells who read the first and second lessons.

Special music for the occasion included a duet, "The Holy City" by Mrs. Roy Eggleston and Mrs. Chas. Farney, and an anthem, "Open the Gates of the Temple", by the choir. Mrs. R. H. Williams, organist, presided at the console of the organ for the service.

A most appropriate and thought-provoking sermon was delivered by Rev. Walker on the theme, "Our Vows".

Vows are not regarded as absolute duties which everyone is obliged to undertake. They are of a voluntary nature but when made are to be strictly performed. A vow is a sacred thing.

The vow of obedience taken by members of the Church and The Masonic Order is the fundamental law of life. In taking the vow, we pledge ourselves to serve not only our church and order but humanity by "a continued outreach for a better life."

In taking the vow of helping our brother in need, we offer to all friendship and charity. Freemasonry has been called a society of friends and brothers employing symbols to teach the truth. Next to faith in God your greatest principle is the Brotherhood of Man and in taking this vow of Fellowship, we erect our altars to a God of love. Here is the foundation of all fraternity. We have heard the question "Am I my brother's keeper?" and have answered it in the affirmative.

Then let us keep our vows and let the gratitude we feel owe to our Maker be paid in services rendered to your fellowman.

"If you love me and believe in me, keep my sheep", expresses the whole fraternal principle.

## Buys Feed Business

A business deal of interest was completed this week when Ashley Brooks disposed of his feed business on Mill Street to Chas. Davidson, of Peterborough. The new owner has been operating the business for the past two weeks and he and his family have taken up residence in W. Barker's house on Emma Street.

Mr. Davidson is a native of Winchester, in Dundas county, and has had several years' experience in the feed business in Winchester and Alexandria. For the past year, he was employed by the Trent Valley Feeds, in Peterborough. Stirling business men join in welcoming Mr. Davidson to their midst and wish him every success.

## Death Claims

### Mrs. Geo. Haggerty

The death of Mrs. George Haggerty of Wellman's, occurred in Belleville Hospital, on Tuesday, June 14th, after a lengthy illness.

The late Mrs. Haggerty, formerly Elsie Lillian Laine, was born at Rylstone, the daughter of the late Isaac Laine and his wife, Alice Cornish, and was in her 33rd year. In religion she was a member of St. John's Anglican Church, Stirling. She was held in high regard in the community and her passing has brought general regret to a large circle of friends.

She leaves to mourn her husband, one daughter, Marlene Haggerty, at home; her mother, Mrs. Isaac Laine, Wellman's; three sisters, Mrs. Ken MacAlpine, Stanwood; Mrs. John Thompson, Allan's Mills; Mrs. Malvin Andrews, Norwood; and three brothers, John Laine, Rylstone; Frank Laine, Norwood and Ross Laine, Ivanhoe.

The funeral was held from her late residence this (Thursday) afternoon for service at 2.30 p.m. Interment in Stirling Cemetery.

Funeral home, Mr. and Mrs. J. H. Haggerty.

## Depression Ahead or Not, Canadians Are Told Aggressive Communities Will Be Trebled in Size During Next Generation—Others Stay Still

By Wellington Jeffers,  
Financial Editor, Globe and Mail

It is quite logical to assume that every favourably located town or city in Canada will double in size the next 25 to 50 years. That is not an opinion arising out of day-dreams or wishful thinking; it was expressed by F. J. Lyle, director of Trade and Industry Branch of Ontario's Department of Planning and Development, and he told representatives of all the development agencies from every part of the mid-continent area of the United States and Canada in April last that this opinion was based "on the record."

"On the record," he continued, "it is just as logical to assume that in that development the aggressive municipalities will treble in size and the non-aggressive ones stand still in attaining the overall average of double."

Could anything better emphasize the vital importance to Canadian citizens of giving outright and able attention to their affairs, private and public at the municipal level? That is

not to be attained only by voting for mayors and aldermen and controllers, and then forgetting about municipal affairs during the rest of the year. In the report just received from Mr. Lyle's address, as given at length in the report, it makes plain that to attain best results valuable help must be obtained at the municipal level from agencies of the provincial and federal governments as well, and, more than anything else, that there should be a small, active committee representing a cross-section of the community, continuously at work planning for municipal industrial expansion. In fact, Mr. Lyle's department believes so entirely that future development depends on the aggressiveness and resourcefulness of citizens of various communities that for two years a field man has assisted Ontario municipalities in organizing and strengthening their industrial development work.

An outstanding feature of this work is that municipalities are advised to place existing industry first in their industrial development programs and the search for new industry from out-

side second. Mr. Lyle said that the field of existing industry is "universally neglected." Citizens everywhere should wake up in that case because the industry that already exists presents a most fertile and promising field for industrial development agencies at the municipal level.

When Mr. Lyle was speaking to this effect in Fort William recently, it led an alderman to emphasize the general neglect of existing industry in development work in Ontario and he proved his case by reading out a list of nine firms which had left Fort William and which might have weathered the storm successfully if their situations had been realized locally and understanding assistance given. Leading citizens had to acknowledge the truth of the charge. In that city, some of existing industries may get better attention hereafter as a result.

Mr. Lyle's department has published a small 16-page book, Guide to Industrial Planning for the Smaller Communities of Ontario, which towns and cities would do well to get. It tells them to go after new industries, but first to look after those already established and to aid them in expansion. Industrial executives already in the community could give efficient help. In that, help of the younger generation should be enlisted on the industrial committees so that industrial policy may be continuous. Mr. Lyle's department insists that 90 per cent of the work should be done by these committees which can have continuity of program only by including manufacturing executives, members of the local chambers of commerce and leading citizens. As municipal councils come and go, such committees should have more than the aldermen as members. Full co-operation from city councils is essential, but it is undesirable that the plans ever become political footballs.

There are thousands of things such committees can do for existing industry. Such a committee recently reported from a medium Ontario city and half of its extensive work had been for existing industry. I should think that would be an additional attraction for new industries. The same city did get a new industry from Toronto. Many manufacturers at the limit of present capacity in larger cities are considering smaller municipalities.

Though this speech by Mr. Lyle shows the work of his department is largely liaison and promotional and educational, that does not mean that

it is not the hub on which the program revolves. It could not hope to succeed without efficient personnel at Queen's Park in close touch not only with the municipalities and the development committees, but on the federal side with the National Research Council, the Dominion Bureau of Statistics, the Trade Commissioner Service, the Customs, Excise and Tax Departments and the Department of Labour and Immigration. It is also essential that leading citizens of municipalities get in touch with such opportunities for service and information.

Such moves are especially helpful to small organizations. Larger firms have their own research organizations though they do avail themselves at times of assistance of the character described. Wonderful help can be and is given by railroads and banks and very large corporations.

## Stirling Boy Discharged From Hospital

Stirling and district friends of Vernon Woodbeck, son of Mr. and Mrs. Roy Woodbeck, will be pleased to learn that he was discharged from a Kingston Hospital recently after undergoing treatment for three years. Says Thanks To Friends Here

In writing to have the address on his subscription to the News-Argus changed, he says in part:

"Getting the News-Argus these past few years while I've been in hospital has kept me in touch with happenings at home and I hope to be able to continue my subscription for a long time to come."

I was discharged from hospital after three years this week and hope to be able to visit all my friends in Stirling very soon, also would like to say thanks to the Canadian Legion in Stirling and all the people who sent cards, letters and gifts to me, while in hospital.

Sincerely,  
Vernon Woodbeck.

## Two Youth Burned To Death

Two brothers, John and Glen Maxwell, were burned to death when fire destroyed their home on the outskirts of Belleville early Saturday.

Their parents, Mr. and Mrs. Stanley Maxwell, and another brother, Ron, escaped by fleeing down the front stairs of the two-storey brick house.

John, 19, and Glen, 12, attempted to escape by coming down the back stairs of the two-storey brick house.

John, 19, and Glen, 12, attempted to escape by coming down the back stairs into the kitchen. Mr Maxwell said he met them in the kitchen but somehow got separated from them.

The boys' bodies were found in the kitchen burned beyond recognition.

## Oil in the driving gears

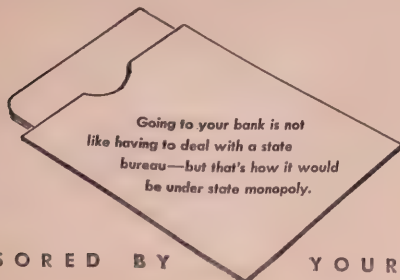

BANK CREDIT oils the driving gears of production, industry and commerce. It helps to produce the goods and provide the services and jobs which mark the Canadian way of life.

"Money in the bank" is the foundation of credit. You and some seven million other depositors have nearly seven billion dollars in the chartered banks.

To pay for work done, goods produced, bought and sold, Canadians issue—every month—upwards of six billion dollars in cheques.

Cashing these cheques, making loans, discounting notes—in many different ways your bank keeps money and credit moving through all the channels of trade and opportunity . . . like oil in the machinery.

This whole vast, private, competitive, efficient process is made possible by your "money in the bank"—and by the experience and skill and integrity of the men and women on Canadian bank staffs.

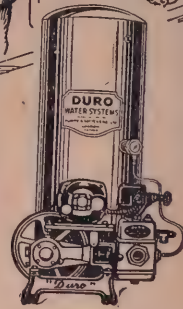

Going to your bank is not like having to deal with a state bureau—but that's how it would be under state monopoly.

# Major Details of The Progressive Conservative Party's Declaration of Policy — Drafted and Approved by Canadians from every Province — Representing Every walk of Life

George Drew

The importance of many of our statements of policy has been greatly emphasized by the conduct of the government during the recent session, but the policies themselves remain unchanged. They were prepared in the belief that they will serve the best interests of all the people of Canada. It is one statement of policy for the whole of Canada. The purpose of the undertaking we give to Canadians can be broken down under three headings: Opportunity, Security and Freedom.

## OPPORTUNITY

The Progressive Conservative Party will assure opportunity to all our people by a bold and progressive national development program.

Canada stands on the threshold of her greatest period of development. A vigorous Progressive Conservative government with faith in the future will bring into production the immense resources which we possess in every part of Canada.

There is no part of Canada where there are not new opportunities of development if we provide the electric energy and other sources of power to encourage new industries and new types of agricultural production.

The Progressive Conservative national development program will cover development of power, oil, coal mineral resources and the transportation facilities for their full use.

We will:

(a) Establish a National Development Advisory Council in co-operation with the provinces.

(b) Establish a National Power Authority to co-operate with the provinces in the technical examination of possible power developments and in the actual development of electric power at cost.

(c) Undertake the commencement of a joint conservation, irrigation and power project on the Saskatchewan River.

(d) Encourage the development of power in the Maritime Provinces from coal as well as other means.

(e) Promote the development of the great iron ore resources of Canada and the establishment of greatly expanded steel industry.

(f) Stimulate the development of petroleum and other mineral resources in co-operation with the provinces, by taxation and fiscal policies to encourage the investment of risk capital.

(g) Institute a vigorous program of water conservation, reforestation, flood control, irrigation and drainage schemes throughout Canada, for the reclamation of unproductive land and the preservation of our soil.

(h) Establish a positive program of marshland reclamation and development.

(i) Take effective steps as soon as possible to co-operate with the provinces in building the Trans-Canada highway and feeder roads, to not only greatly increase our transportation facilities, but also to develop Canada's tourist business.

(j) Remove the discrimination in freight rates between different areas.

(k) Deal effectively with the special transportation problem of Prince Edward Island, Newfoundland, Cape Breton and Vancouver Island.

(l) Take the necessary steps to proceed with the development of the power and waterways project on the St. Lawrence River.

**Expansion of Trade**

The Progressive Conservative Party will adopt every practical means to expand our external trade with the U.S., and all other nations. Specifically we will:

(1) Promote and expand overseas trade through reciprocal trade agreements.

(2) Remove all abnormal trade barriers imposed by way of license, quota or embargo.

(3) Remove the arbitrary provisions of the Foreign Exchange Control Act.

(4) Re-value the Canadian dollar within the limits permitted by the Bretton Woods agreement to assist our external trade.

(5) Open negotiations to make the dollar and the pound convertible, to regain our markets in the sterling area.

**Reduction of Taxes**

Sweeping reforms in our taxation system and reduction of taxes are necessary to encourage initiative and reward hard work.

The Progressive Conservative Party will:

(a) Increase exemptions to at least \$2,500 for married people and \$1,250 for single persons.

(b) Increase the exemption for dependent children by \$200.

(c) Lower the general rate of personal income tax.

(d) Allow deductions to farmers for work done on the farm by members of the family.

(e) End the persecution of our people by tax-collectors acting under arbitrary powers.

(f) Encourage development of small business operated by the owner, by allowing proper exemption for money re-invested in the business and not paid out in profits.

(g) Provide for a graduated reduction in taxes on other small businesses upon the portion of the income left in the business for further development.

(h) Abolish nuisance taxes and make substantial reductions in general sales and excise taxes on necessities.

**SECURITY**

**Security of Employment**

The Progressive Conservative Party assures security to all Canadians by the following Declaration of Policy.

In co-operation with the various provincial governments we will explore every possibility of expanding the opportunities for work by encouraging new types of production. We believe that the greatest security for employment in Canada is based upon the fullest development of our resources which will create new employment and increase domestic markets.

**Contributory Social Security Program**

This plan will provide the following benefits:

(1) Old-age pensions at 65 without a means test.

(2) Unemployment Insurance benefits to be extended to include payments for time lost due to accident or sickness.

(3) Adequate medical and hospital care to be provided under a national health program which will include the most extensive preventative health services.

(4) The same family allowance for every child, regardless of the number of children in the family.

These and other provisions in our program will be worked out in co-operation with the provinces.

**An Effective Program for the Construction of Houses**

1. Loans and priorities will be made available to those who desire to build their own homes.

2. Low-cost housing will be provided under plans jointly approved by the Dominion, Provincial and Municipal governments. These plans will be administered by the municipalities.

3. New types of construction will be encouraged to reduce building costs.

4. Restrictions on building supplies will be removed.

**Security for Farmers**

The Progressive Conservative undertakes to:

1. Enact floor price legislation based on the following principles: (a) A definite formula in the Farm Prices Support Act for arriving at floor prices. (b) The formula will allow for variations in production and demand. (c) Floor prices will be announced well in advance of the production period. (d) Floor prices will be arrived at in consultation with representatives of the producers.

2. We favour the restoration of the Canadian Wheat Board Act of 1935 to serve as a marketing agency for wheat producers.

Coarse grains as well as wheat will be handled on a voluntary basis by the Wheat Board.

The producers themselves will decide the method by which their wheat will be handled and sold.

Marketing boards and representatives of the producer organizations should and will determine their own method of marketing.

3. We will establish a board of livestock commissioners.

4. We will extend the activities of the Federal Farm Loan Board, so that farmers can take advantage of long-term, low-interest rates.

5. We will increase the facilities for agricultural research to find new uses for agricultural products.

6. We will in cooperation with Provincial Departments of Agriculture, conduct thorough studies of contagious animal and plant diseases to reduce the heavy annual loss from these causes.

7. In determining agricultural policy, we will enlist the cooperation of farmers' organizations throughout Canada.

The best interests of agriculture can be served under the guidance of those with practical knowledge of each phase of agriculture.

**Security for Labour**

Good working conditions for our people and friendly relations between workers and management, are not only in the best interests of the workers, but also in the best interests of the country.

The security and happiness of all our workers must be protected by legislation providing for effective collective bargaining, the determination of mutual rights, as well as conciliation and settlement of difficulties which may arise.

(a) We will establish a National Labour Council with equal representation from labour and management. This council will examine causes of labour disputes and propose solutions.

(b) We will conduct research to improve labour relations.

(c) We will provide for greater labour representation on government boards, commissions and agencies.

(d) We will encourage profit-sharing plans, through adjustments in taxation.

(e) We will improve legislation providing for compulsory collective bargaining; certification of labour organizations after a majority vote; machinery for conciliation of disputes; fair and adequate wages; standard hours of work, keeping in mind the industry concerned; holidays with pay.

**Security for Veterans**

(a) We will establish a standing committee of the House of Commons on Veterans Affairs to regularly

review veterans problems; (b) to retain and constantly improve all veteran legislation; (c) to eliminate all unnecessary delays in dealings with veterans and to simplify procedures; (d) to extend pension benefits to the members of the merchant navy; (e) to accept the medical category recorded on enlistment; (f) to stabilize pensions of First World War veterans, providing for upward revision where the disability has increased; (g) to increase and extend provision of war veterans' allowances—with an increase in the amount that a veteran may earn above the allowance paid.

**FREEDOM**

The Progressive Conservative Party pledges itself to terminate bureaucratic action by government-order-in-council, ministerial proclamation and departmental regulation.

(a) We will restore responsible government answerable to the elected representatives of the people.

(b) We believe in the widest possible measure of personal freedom consistent with law, order and the general welfare.

(c) We are opposed to powers which give the government control over the rights of the individual.

(d) We will restore the full supremacy of the law and the equality of every citizen under the law.

(e) We will conserve the authority of the provincial and municipal governments over local affairs.

(f) On assuming office we will convene a Dominion-Provincial conference.

(g) We believe that national unity depends upon respect for the federal constitution and the clear definition of the responsibilities of the Dominion, Provincial and Municipal governments, with assurance of adequate financial resources to carry out those responsibilities.

(h) We undertake to restore freedom of speech over the radio and to place the supervision of all Canadian broadcasting under an independent administrative body.

(i) We will abolish the license fee on radio receiving sets.

(j) We give our unqualified support to the North Atlantic Security Pact.

I believe this statement will provide convincing reasons why you should cast your ballot on June 27th for the Progressive Conservative candidate in your own constituency so that the public business of this great country will be handled by a strong, vigorous and progressive government in the years ahead.

bers and two visitors, each giving a verse of Scripture.

During the business part of the meeting it was decided to send for 2 blue books. Mrs. P. McInroy thanked the ladies for cards and letters sent her while away for the winter. Mrs. G. Ashley thanked all the ladies who helped with the dinner for the Sunday School Convention and the proceeds were most gratifying. The July meeting is to be in the form of a pot luck dinner at Mrs. Cooke's where the W.M.S. entertains the Mission Band and the Mission Band is to help prepare the programme.

The president gave the theme, "Keeping the Lord's Day". Hymn 188, "O Day of Rest and Gladness" was sung and all repeated Psalm 717 in the hymnary, followed by alternate readings from the Bible by Mrs. A. Wright and Mrs. C. Wright. Mrs. W. Fitchett favoured with a solo with her own guitar accompaniment. Mrs. J. Moorcroft gave a reading, followed by Rev. Burgess giving a very interesting account of the last chapter of the Study Book. Mrs. McCurdy and Joan gave a duet which was very much appreciated. Mrs. P. McInroy and Mr. Burgess led in prayer.

The meeting closed by singing hymn 500 "Take Time To Be Holy" followed by prayer by Mrs. A. Wright. Collection was taken and lunch was served

## WE'RE ON THE MARCH VICTORY IS IN THE AIR

THE PROGRESSIVE - CONSERVATIVES

WILL WIN ON JUNE 27

There is an undoubted swing across Canada, to the Progressive-Conservative Party. Much of this is due to the forthright views of George Drew, the leader of the party; to his energy and past record of success in hard-fought elections—all of which have inspired party supporters to work harder than ever, to bring victory for the Progressive-Conservatives. And that hard work is in turn reflected in the growing sentiment —

R. D. ARNOTT, K.C.

## It's Time For A Change In OTTAWA

When You Vote For R. D. "DICK" ARNOTT, K.C.,  
The Progressive-Conservative Candidate, on June 27th  
You'll Be Voting For:

- Higher Income Tax Relief for all.
- Free and Competitive Enterprise in Industry and Business.
- The Supremacy of Parliament and the elimination of bureaucracy.
- Abolition of 'Nuisance' Taxes and Reduction in The Sales Tax.
- Reduction in the cost of Government.
- A better deal for the Canadian Farmer.
- Increase in Veterans' Allowances.
- Completion of the Trans-Canada Highway.
- Drastic changes in Radio Regulations.
- The outlawing of Communism.
- Contributory Social Security Program.
- Elimination of The Radio License.
- Provision for Adequate Housing: long overdue.

## VOTE R. D. ARNOTT IN SOUTH HASTINGS

The Progressive Conservatives of South Hastings in nominating R. D. "Dick" Arnott, K.C., know they have a man who will look after the interests of every constituent. He has had experience as Mayor and Alderman in Belleville and was a member of the Provincial Legislature for 8 years. His qualifications will make him a good Federal Member.

## NEWS FOR THE BUSY FARMER

### Things To Do With A Clock

What the Missus does with the kitchen clock is to keep it twenty minutes fast. Then, in any afternoon when she sees it is quarter after five, and she therefore is twenty minutes late starting to get dinner, she secretly knows she is exactly on time.

The manipulation of the living room clock is more complicated. For the

use of guests it is kept half an hour fast. After the guests have left, apologizing for the lateness of their stay, the Missus usually flicks the big hand back a couple of hours. This lets them sit up in the luxury of idle reading without feeling they are ruining their health.

It is the bedroom clock, however, that is the most unscrupulously abused. This is one is given a flick ahead or back by the Missus whenever she happens to be passing and thinks of

it. Thus she happily loses track when morning light awakens them and they peer at the bedroom clock, they customarily have no idea at all what time it is. They say that if they knew the clock was fast or slow or right they would make the necessary calculations for time to be skimped in washing, dressing and eating and they would go on resting there, hoping that this morning more skimping could be achieved by a lucky fluke, somehow. But not having the vaguest idea what time it is, except that it seems to be morning, somebody gets up and barefoots it into the kitchen, which really has the time, a dependable twenty minutes fast.

Once up, they take a strong line with the children. Everybody gets off only a little late. Just as in a normal household.

### DDT Will Control Flea Beetles

Flea beetles are an annoying pest of vegetables, attacking many of the commercially grown kinds, and most of those grown by the "backyard" gardener.

As their name implies, they are very active insects, jumping easily from plant to plant. Most of them are shiny black, one-sixteenth to one-eighth of an inch long, but some are striped with cream coloured markings. They often appear suddenly in large numbers and make pitted feeding marks on the leaves, giving them a shot-holed appearance. In severe attacks the whole leaf surface of mature plants may be destroyed as well as the outer surface of the stems.

Fortunately flea beetles may be controlled with DDT either as a spray or dust, say officials of the Science Service, Dominion Department of Agriculture. As a spray, one pound of 50 per cent wettable DDT to 50 gallons of water, applied at the rate of 100 gallons per acre should prove satisfactory. Proprietary ready mixed dusts containing 2 or 3 per cent DDT may be secured at most seed stores. They should be applied at the rate of about 35 pounds per acre.

The amateur gardener who does not require such large quantities can obtain sprays or dusts containing DDT at most hardware or garden supply stores. They should be used according to instructions on the label.

It is important that the treatment is continued every ten days if flea beetles are present. A derris prepara-

tion should be substituted for DDT on cauliflower when this crop begins to head, as the residue of DDT might prove dangerous.

Infestations of flea beetles may be reduced by planting vegetables on new land at a considerable distance from previous crops of susceptible vegetables. Destruction of weed hosts—wild mustards, hoary cress, lamb's quarters, wild buckwheat and some others—and cleaning-up hibernating quarters will aid in reducing this pest.

### Mount Pleasant

Mr. and Mrs. Roy Thrasher entertained in honour of the seventy-second birthday of Mr. William Johnson, of Salem. ## HANDS IN TRAINING...FOR ONTARIO

### Learning Business Practice

IN Ontario the wheels of industry turn for the benefit of every single one of us. Our lathes, dynamos, drill presses, farm combines, tractors, business machines, etc. are producing goods and services which earn dollars. These dollars provide food, clothing, medical care and other necessities which contribute to our security and high standard of living. Every single one of us, therefore, has a very personal interest in the flow of a steady supply of trained workers to industrial plants. These workers will operate machines which are important to our way of life.

We should appreciate, then, the co-operative efforts of government, industry and labour in the field of employee training. In schools and in factories our workers, young and old, are given the opportunity to develop new and specific skills in every field of business and industrial activity. For instance, every effort on the part of office workers to become proficient in typing, filing, shorthand and secretarial work, will mean greater business efficiency—will help to make Ontario a finer place in which to live and work.

**THE BREWING INDUSTRY (ONTARIO)**

### Our Way of Life Rewards Trained Hands

Ontario workers know they can earn more, have executive responsibility and enjoy a higher standard of living in direct ratio to the skills they acquire and the way they make use of them. That's always true in a free economy—that's why our competitive system will continue to make Canada great and a great place in which to live.

Hello Homemakers! You will agree that as the temperature rises so does the waste of perishable food unless it can be refrigerated. It is also true that only with the aid of the refrigerator can shopping be done thriftily. Moreover, the refrigerator enables us to work more efficiently because new and left-over foods are kept in top condition when temperature is maintained at 40 degrees, while ice cream and other frozen dishes can be homemade by dialing to the coldest point. Quite literally, your refrigerator adds greatly to the deliciousness of the food you serve—from the soup to the sweet.

## TAKE A TIP

1. Set a tin of consommé, or a jar of strained chicken stock near the freezing unit of your refrigerator. To serve, break with a fork and

turn into soup cups. Top with cream and a slice of lemon.

2. Chill soup bowls for jellied consommé, plates for salad sherbets for frozen creams, in the refrigerator about a half hour before serving time.

3. Use crushed ice in a soup bowl surrounding a fish or fruit cocktail. We put ice cubes in a heavy piece of cotton and pound with a potato masher to make crushed ice.

4. You can make the cheaper steaks more tender if you pour a marinade over the meat and store in the refrigerator for a day. The marinade is a mixture of  $\frac{1}{2}$  cup salad oil,  $\frac{1}{3}$  cup vinegar, salt, pepper, paprika,  $\frac{1}{2}$  tsp. of Worcestershire sauce and 1 tsp. of onion juice. This solution is poured off the meat before it is broiled and can be kept in re-

frigerator for similar use again.

5. Prepare a simple dessert with left-over cake or graham wafers with a filling of soft custard, a little jam or crushed fruit, then mask the top and sides with whipped cream sweetened with honey or maple sugar. If such a glamorous dessert is kept in the refrigerator for a few hours or all day the flavours will blend delectably — and the cream remains firm.

6. Chill pastry dough and cookie mixtures to improve the texture and to merge the fat and flour. Do not let them freeze, but cover and store in the middle of the cabinet for a half hour at least before rolling on a lightly floured board—or slicing a cookie roll. Of course, any flour mixture for tea biscuits, rolls, pastries or cookies can be kept in a covered bowl directly below the freezing unit for a couple of weeks without deteriorating in flavour.

7. Fresh fruits should be as dry as possible to keep for any length of time in a refrigerator. Therefore, never wash berries, cherries or melons to be stored for four or five days, but spread them on a platter and place on the middle shelf of the refrigerator.

## CHEESE CAKE

$2\frac{1}{2}$  lbs. cottage cheese  
1 teaspoon vanilla  
2 cans condensed milk  
Juice of 3 lemons  
Grated rind of 1 lemon  
3 tablespoons plain gelatin  
2 cups whipping cream

Soak gelatin in lemon juice. Heat milk well, add grated rind and cheese and mix well. (Cheese should first be run through a sieve.) Add lemon juice and gelatin and fold in cream which has been beaten. Make a graham cracker crust and arrange in ring mold, reserving a few crumbs to sprinkle over top. Pour cheese mixture over crust, sprinkle with remaining crumbs and store in freezing tray for about three hours before serving. Serves 12.

## FRUIT SHERBET

1 orange  
1 banana  
1 $\frac{1}{2}$  lemons  
2 eggs  
1 cup sugar  
1 cup water  
10 green or red cherries  
Green or red colouring

Crush banana through potato ricer. Add fruit juices, cut cherries, a little vegetable coloring, and all but one tablespoon sugar. Beat egg yolks and stir all mixtures together. Place in freezing tray and freeze to mush. Remove to chilled bowl and beat. Add egg whites, beaten with the tablespoon of sugar, fold into mixture. Pour back into freezing tray and finish freezing. Makes one and a half quarts.

## REFRIGERATOR PIE

2 egg whites  
 $\frac{1}{2}$  cup sugar  
4 tbsps. powdered sugar  
1 quart strawberries  
1 cup whipping cream

Beat egg whites until almost dry, add sugar gradually and continue beating until consistency of marshmallow. Spread in crushed graham wafer pie shell. Cut berries in half, reserving enough to decorate top of pie. Press berries into meringue mixture. Whip cream, add powdered sugar and spread over berries. Decor-

ate with the whole berries.

Note: This pie can be made with many kinds of fresh berries.

## THE QUESTION BOX

Mrs. A. B. asks: How often should the refrigerator be defrosted?

Answer: When the ice is as thick as a lead pencil, defrost your refrigerator.

Mrs. S. A. asks: Can I use frozen spinach and berries which had frozen by accident when I left the unit turned to freezing point for 2 days.

Answer: If the spinach had been washed before freezing, it can be cooked just the same as a packaged frozen vegetable... that is, have an inch of boiling water in a saucepan then drop frozen spinach in it and cook for 10 minutes after water begins to boil again. If the berries were clean they can be left at room temperature until thawed out, then use crushed and sweetened on short-cake or biscuits, with whipped cream or thin sweetened cream.

Mrs. B. F. asks: Can chipped enamel on a damaged refrigerator be covered?

Answer: Ask your electrical dealer about enamel paint for this repair job.

## YOUR FUTURE... AND CANADA'S

Conditions have been good the last few years. More people are working than ever before — making more, spending more, saving more.

Isn't that what you want? After all, you have a family to think about... and you are planning for their future...

The Liberals are planning and working for your family's future too.

Here are some of the things the Liberals are doing:

**Family Allowances are increased.** Already a billion dollars has been invested in Canada's children. Millions of boys and girls are better clothed, fed and housed — have a better chance for an education and a real start in life — because of this Liberal measure. It has brought new security and well-being to countless Canadian homes.

**In housing, too,** the Liberals have taken the lead in providing Canadians with decent homes. More homes have been built in Canada, in relation to population, than in any nation. Already a million Canadians live in homes built since the war. The Liberal government is ready to help solve the low-rental housing problem and has offered its cooperation to provinces and municipalities.

**Then, there is the Liberal health program.** Already federal grants are helping the provinces to increase their health services. But the Liberals' aim is a nation-wide contributory health insurance plan which will end, for everyone, the tragedy of inadequate health care and the financial strain of lengthy illness.

**Or take employment.** Liberal measures are helping to maintain employment in Canada at record levels, and at the same time unemployment insurance reserves have been building up. The government has encouraged enterprise and high production. Plants have expanded, new industries started up. New opportunities are being created every day.

**Old Age Pensions** and pensions for the blind have been steadily increased by the Liberal government. But it isn't stopping there. Its aim is a nation-wide plan of contributory pensions which will help everyone to enjoy a comfortable and secure old age — automatically and as a right.

These are all part of the Liberal program of social betterment... a program to achieve a "national standard of social security and human welfare which assures the greatest possible measure of social justice to all Canadians."

### Huntingdon Tp. Sunday School Ass'n. Annual Meeting

The Huntingdon Township Sunday School Association held their annual meeting in the United Church, West Huntingdon, on Wednesday, June 8th. There was a fair attendance from the nine Sunday Schools in the organization.

Mr. George Wood, the president, presided over both morning and afternoon sessions in a most efficient manner. The White Lake Sunday School conducted the worship service for the morning session with Messrs. Kenneth Holland and Earl Holland, the acting officials. Arthur Wilson gave the official welcome. Mr. H. R. Burke with Mrs. W. J. Fitchett at the piano, conducted a lively sing song of the old-fashioned hymns and Ernest Holland, who has been the efficient secretary-treasurer for a number of years, gave the report from the various schools and he also recorded the minutes of the day's proceedings. Mr. J. Gendron, newly appointed minister of the local W.A. in the Orange Hall.

The delegates then enjoyed a fine fellowship hour as they partook of the dinner provided by the members of the local W.A. in the Orange Hall. The afternoon session was opened with the devotional conducted by the Rev. W. Bowes, of the Holiness Movement Church. A very interesting panel discussion was conducted by Rev. Harold Burgess. He was assisted by Mrs. Warren Harlow, Mr. Philip Carr, Mr. Wesley Farrell and Mr. Don McInroy.

Mrs. William Grant assisted by some of the pupils of the West Huntingdon Sunday School, gave a fine demonstration of the advantage of using choruses and motion songs in the Sunday School programme. Marilyn Fitchett gave a solo as did Mrs. Grant, Donna and Sharon Hammond contributed two duets. Mrs. John Lansen presided at the piano for this service. The special address of the afternoon was given by Rev. H. C. Vaclavik, of Stirling and was much appreciated.

Messrs. P. Carr and J. Gendron gave the report of the Resolution Committee. The officers appointed for this year were:

President — George Wood.  
1st Vice-Pres. — John Holden  
Sec.-Treas. — Ernest Holland

### Dedication At St. Andrew's

Family of late Mr. and Mrs. Robert Eggleton Presented 4 Brass Collection Plates

A special feature of Father's Day Service in St. Andrew's Church was the presentation of four offering plates by Mr. Roy Eggleton, on behalf of the family to St. Andrew's Presbyterian Church, Stirling, in loving memory of their father and mother, the late Mr. and Mrs. Robert Eggleton.

The minister, Rev. W. H. V. Walker, received this generous gift with deep gratitude in honour of the faithful and devoted lives to whose memory they were given and in the name of the Father, Son and Holy Spirit, dedicated them to the glory of God and as a tribute to valued services to the church of Mr. and Mrs. Robert Eggleton.

The choir rendered an anthem during the service and Misses Marilyn Eggleton and Arline Tummon sang a duet in keeping with the service.

An appropriate message was delivered by the minister who closed with a challenge to rededicate our lives anew and be faithful in our stewardship.

When the Church becomes a witnessing church, it will be stirred to new life. Many have too long gone along in a mediocre way, largely unresponsive to the real challenge of the day.

As we dedicate these useful gifts, may we also consecrate ourselves anew and be more fruitful in our Christian Witness.

### Flasher Signal Installed

Work of installing a flasher warning signal and bell at the C.N.R. Railway Crossing on North St. has been completed and went into operation yesterday afternoon. This crossing has been a danger spot and the installation of the safety signal will fill a long-felt need.

### Elected As Grand Marshal

High honour was bestowed on R. Earl Fox, of this Village, at the sessions of Grand Encampment I.O.O.F., in Toronto this week, when he was elected to the office of Grand Marshal.

Mr. Fox has taken an active part in the work of the various I.O.O.F. Lodges and his many friends join in extending congratulations.

### Urged To Save Water

Water users in Stirling are again reminded of the need for conserving water. The extended drought has seriously effected the source of supply and according to Village officials, there must be a saving if trouble is to be avoided.

Speaking to the News-Argus, Reeve H. Wells stated "The majority of our citizens have been co-operating but unfortunately there are those who refuse to do so. It may be necessary to cut off the water supply of those who persist in wasting water insofar as lawn sprinkling goes. I cannot stress too heavily the necessity of Stirling residents conserving water to the best of their ability."

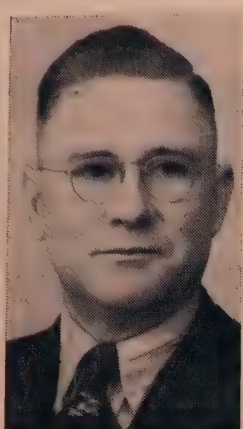

### Kingston Presbyterial Summer Rally

A Summer Rally of Kingston Presbyterial was held in Gananoque Church on Tuesday of this week. Delegates were present from Trenton, Belleville, Madoc, Amherst Island, Sand Hill, Pittsburgh, Deseronto, West Huntingdon and Stirling.

Mrs. D. L. Fleming, Pres. of Belleville, presided over the executive meeting which was held at eleven o'clock a.m. The keynote of the Scripture Lesson was "Lift Up Thine Eyes". Plans were made for the next annual meeting to be held in Trenton on January 16th, 1950.

Miss M. Nesbitt, of Kingston, gave the financial report. She urged for greater generosity during the Fall term if our allocations are to be met. Miss M. Mackintosh, of Belleville, spoke on behalf of the "Glad Tidings". An invitation from Amherst Island to hold the next summer rally there was accepted. This should be an especial privilege next year.

At noon a pot-luck luncheon was satisfying. The Gananoque in-

### M.P.P. INJURED IN ROAD CRASH

Injured when his car and a truck collided on Highway 14, near Ketcheson's store, south of Foxboro, on Tuesday afternoon, Elmer Sandercock, Progressive Conservative MPP for Hastings West, is in Belleville Hospital with fractured ribs.

Hospital attendants said Mr. Sandercock's condition was satisfactory.

According to police, the truck driver, G. Lazier, of Belleville, said when the wheels locked when he applied his brakes to avoid another truck and he skidded sideways across the highway. The Sandercock vehicle went into the ditch and broke off a telephone pole and was badly damaged.

Mrs. Sandercock, a passenger in her husband's car, was shaken up. Dr. V. Blakeslee, of Belleville, attended them.

### Attend Rebekah Assembly

Among those attending sessions of the Rebekahs Assembly being held in Toronto this week are Mrs. R. E. Fox, delegate from Laurel Rebekah Lodge No. 211, Mrs. R. B. Duffin, District Rebekah President and Miss Gena Spry.

### Attend Postmasters' Convention

Among those from this district attending the Postmasters' Convention held in Ottawa last week were Mr. and Mrs. F. Houchin of Stirling; W. J. Barlow, of Bonarlaw; Warren Hickey, Marmora; Thos. Fleming, Ivanhoe; W. S. Hart, Madoc; Mrs. H. Mumby, Springbrook and Miss E. Emerson, of Moira.

### Rotary Ice Cream Social

Campbellford Rotary Club were the winners over Stirling Rotarians in the Challenge Softball game played in connection with the Ice Cream Social sponsored by the local Club at the Recreational Centre last night. The locals took a commanding lead in the first part of the game, but Campbellford rallied to win by a score of 12 to 11. Cool weather with a strong west wind blowing across the grounds put a damper on the sale of ice cream and refreshments.

### Kingston Presbyterial Summer Rally

After dinner the session of Gananoque Church sponsored a boat ride through the Islands for the ladies as well as the ministerial group.

At two o'clock, the afternoon meeting was opened. Mrs. D. L. Fleming in her opening remarks said that the word "rally" means to recover strength. Thus, the purpose of these meetings.

Mrs. Hazell, of Toronto, spoke showing clearly the vastness of our national work as well as our overseas work. She urged for greater effort on the part of our Supply secretaries.

Mrs. C. A. Smart, of Kingston, gave the report of the Synodical in Peterborough last April. This message was full of sincerity. In her report, Mrs. Smart said that Miss Pelton's pleading message was "Is It To Be Christ or Chaos?"

Greetings from Presbytery were expressed by Rev. W. H. V. Walker.

### Honoured On 75th Birthday

Mrs. Delilah Barrons Tendered Party By Immediate Family and Old Friends

Some seventy-five relatives, including members of her immediate family, gathered at the home of Mr. and Mrs. Jim Spry, Bonarlaw, on Monday evening to honour the latter's mother, Mrs. Delilah Barrons, of Cordova Mines, on the occasion of her 75th birthday.

Ross Barrons, eldest son of the honoured guest, acted as chairman for a programme consisting of vocal numbers with guitar accompaniment by Miss Ruth Mumby, of Harold; solo, by Miss Mumby, accompanied by Mrs. Goldie McInroy, of West Huntingdon, on the piano, and short addresses by a number of her old friends and neighbours as well as Messrs. James, Charles and Lindsay Mumby, her brothers, and Mrs. Matilda McInroy, of West Huntingdon, a sister. Two sisters, Mrs. Elizabeth Linnen, of Moosomin, Sask., and Miss Milda Mumby, of Toronto, were not present for the family gathering.

During the evening, Mrs. Barrons was presented with numerous birthday gifts and although taken completely by surprise, she expressed her extreme pleasure at visiting her old home community and meeting so many of her girlhood chums. She voiced her sincere thanks for the many gifts, after which a bountiful lunch was served and a social hour enjoyed.

Friends were present from Peterborough, Havelock, Marmora, Oshawa and West Huntingdon.

### District League Doubleheader

Two games were played in the Centre Hastings District Softball League on Monday night at the Recreational Centre. In the first game, Glen Ross defeated Springbrook by a score of 20 to 8. R. Pyar started on the mound for the winners but was replaced by Brooks in the fourth while Phillips did the catching. For the losers Cousins pitched the first innings and Andrews finished the game with McInroy behind the bat.

In the second game the local Legionnaires were much too good for Foxboro, who played below their usual form. It was just a case of the winners being able to do nothing wrong and the losers nothing right. Geldard on the mound for the Legion, pitched exceptionally fine ball with Kreh doing the catching, while Priest and Spencer formed the battery for the losers. The final score was 26 to 7 for Legion.

### Honour Student

Stirling friends will be pleased to learn that Miss Helen Johnstone, daughter of Mr. and Mrs. G. L. Johnstone, of Tweed, formerly of Stirling, obtained second class honours in third psychology at Trinity College, University of Toronto.

### Bride-To-Be Is Given Shower

Miss Rosella Fitchett Recipient Of Numerous Gifts From Friends and S.S. Class

The home of Mr. and Mrs. Nathan Wannamaker, Madoc Junction, was the scene of a happy gathering on Monday evening last when their daughters, Mesdames Ernie Gray and James O'Brien, of Belleville, were joint hostesses at a kitchen shower in honour of Miss Rosella Fitchett, a bride of the month.

About twenty-five friends and neighbours were present and Miss Mary Chambers acted as mistress of ceremonies. Following a short program, Miss Chambers read an appropriate address and the bride-to-be was presented with a basket of gifts. Miss Fitchett voiced her sincere thanks for the gifts, after which a social hour was enjoyed.

On Sunday at the regular session of the Sunday School, Miss Fitchett was presented with a Bible in appreciation of her services as pianist and S.S. teacher. The presentation was made by Miss Gladys Clarke and Mrs. W. Harlow read the accompanying address.

### Gifts Presented Rev. A. L. Shorten

On Wednesday last a pot-luck dinner was served in the church to members of Holloway congregation. At the close of a bountiful dinner Mr. Earl Snider called the gathering to order and Mrs. Don Rose read an address to Rev. A. L. Shorten who leaves soon for his new work in Toronto. Mr. Coleman Townsend made the presentation of a beautiful wristwatch. Mr. Shorten graciously expressed his thanks for the gift and good wishes.

Mrs. Ed. Emerson then read an address to Mrs. Shorten and Mrs. Ernest Wilson presented her with a silver cream and sugar set. Although taken completely by surprise, Mrs. Shorten thanked all who had so kindly remembered her.

### Midget Softball

West Huntingdon Midgets won their third straight game in the district League on Saturday night at the Recreational Centre when they defeated Stirling Rotary by 12 to 7. In the other game, Stirling Merchants downed Glen Ross 17 to 10.

The league standing is as follows:

	W	L
West Huntingdon	3	0
Stirling Rotary	1	1
Stirling Merchants	2	0
Minto	0	2
Glen Ross	0	3

### Accepts Call

Rev. J. A. Koffend, who has been minister of St. Andrew's Presbyterian Church at Merriton since late in 1947 after his discharge from R.C.A.F. at Trenton, has accepted a call to St. Lambert's Presbyterian Church, in Montreal. Mr. Koffend is a former minister of St. Andrew's Church, Stirling.

**'Meet The Candidate'**  
**Night At Frankford**

A social evening and "Meet the Candidate" night held in the interests of Frank S. Follwell, in Memorial Hall, Frankford, on June 17th, saw a crowded hall give an enthusiastic reception to Frank S. Follwell, Liberal Candidate for South Hastings.

Introduced by Charlie Rush, Reeve of Hungerford, Mr. Follwell spoke of the social benefits which the Liberal Government has been responsible in securing for Canada. He spoke of the Unemployment Insurance Act, Mothers' Allowance and Reduction of Income Taxes as examples of what the present Government has done for the country. Mr. George Jordan, President of the South Hastings Liberal Association, reminded the people of Drew's 22 point platform and other promises which he had not fulfilled.

Old and young alike enjoyed cards and dancing. Earl Bonisteel acted as chairman of the evening.

**Tax Rate of 14½ Mills**  
**Increase of Half-Mill,**  
**Set By County**  
**Council**

The Estimates Committee of the Hastings County Council struck the tax rate for 1950 at 14½ mills, an increase of one-half mill over the 1949 rate, at the Wednesday afternoon session of the government body.

Chairman James Sprckett, presenting the report told council that a motion to strike a rate of 15 mills to

cover estimated expenses of the new Hastings County Home was defeated in committee session by a close vote.

Estimated expenditures for the county covering all phases, were named at \$433,685.00 with the county levy of \$265,100 balancing the estimated 1950 budget. Expenditures in 1949 were estimated at \$412,471.83.

Expenditures and revenue bore an overall estimated increase for 1950 with the exception of jail and court house expenditures due to cost of decorating this year. Registry office construction grants were reduced from \$21,000 to \$8,800.

**Mount Pleasant**  
**Y.P.U. Entertain**

On Friday evening over on hundred adults and children gathered on the spacious lawn of Mr. and Mrs. John Holmes for an outdoor meeting sponsored by Mount Pleasant Young Peoples' Union.

Several games were enjoyed and the pastor Rev. H. C. Vachlavik delighted the audience with the showing of four sets of picture on "The Peace River Valley", "Newfoundland", "Jasper Park" and "Indian Totems". The young folks served sandwiches, wieners, buns and a cold drink and all enjoyed a social half hour.

On behalf of the Y.P.U., the vice-president, Mr. Bert Sharp extended thanks for hospitality and to all who had contributed to the success of the evening.

**What Others Say!**

**A BUYER'S MARKET**

(Toronto Financial Post)

The average consumer in this country and in the United States has no particular prejudice against the manufacturer of another country. But in normal times, at least, he is not willing to hunt all over the place for goods either imported or domestic. He expects the seller to come to him, to have the good properly displayed and advertised and to offer lines that he, the buyer, considers suitable and at a reasonable price.

**INDIVIDUAL SECURITY** — Employment, trade, income are all at new high levels. Taxes have been reduced. New factories, new developments of oil, mineral and other natural resources are creating more wealth, more jobs.

**SOCIAL SECURITY** — The Liberals have put through all these social benefits: Old Age Pensions, Pensions for the Blind, Family Allowances, Hospital and Health Grants, Unemployment Insurance, Floor Prices under farm products. The Liberal aim is nation-wide contributory old age pensions and contributory health insurance.

**NATIONAL SECURITY** — The Atlantic Pact against aggression and war has the complete support of all Liberals. Rt. Hon. Louis St. Laurent was one of its first and strongest advocates. Canada stands united and ready, in cooperation with other democratic nations, to do her part in building peace and security.

YOU CAN still find people who "don't believe in banks" . . . who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts. In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.

GREELEY—BRAY

The marriage was solemnized at Westminster Presbyterian Church on Saturday, June 11th. The bride is the daughter of Mr. and Mrs. Myron O. Bray, of Elham Road and the groom is the son of Mr. and Mrs. George F. Greeley, of Arnett Boulevard. The double ring ceremony was performed by Reverend Richard S. Blair, D.D., before an altar decorated in all white flowers. Carnations, larkspur and gladioli filled the beautiful baskets which were interspersed with palms and lighted with seven branch candelabra.

Previous to the marriage, the bride was entertained at five variety shows.

The residents of Havelock went to the polls on Wednesday and defeated the two questions re the establishment of a Liquor store and a Beer Warehouse in the village. While the actual vote showed a majority in favour, the liquor store failed by 26 votes and the Beer Warehouse by 33 votes of obtaining the required three-fifths majority to carry.

• R. D. "DICK" ARNOTT, born in Belleville 45 years ago, has had a wealth of experience in public and municipal affairs. He served as Mayor and Alderman of his native city, and for eight years represented West Hastings in The Provincial Legislature. With his past experience, he is well aware of your problems.

• R. D. "DICK" ARNOTT believes in a maximum of freedom and opportunity for the business man and insists on full rights of the employees.

• R. D. "DICK" ARNOTT supports his leader, George Drew, in his aim to cut Govt. Administration Costs (Not Social Security) and Govt. Extravagance. The 8 per cent Sales Tax on everything you buy, will be reduced.

• R. D. "Dick" ARNOTT will support the abolition of the Radio License Fee and the elimination of a large portion of the "Nuisance" Taxes. Over-taxing must stop.

• R. D. "DICK" ARNOTT will support George Drew in his effort to regain foreign markets for Apples, Canned Goods, Bacon, and Eggs — that have, to a large degree, been lost. It's time for a new deal for the farmers.

## NEWS FOR THE BUSY FARMER

### JUNE SURVEY FOR FARM STATISTICS

During the last week of May farmers throughout Canada will again be receiving the annual June questionnaire concerning live stock, poultry, farm labour and acreages on their own farms. The questionnaire is being sent out by the Agriculture Division of the Dominion Bureau of Statistics in co-operation with the provincial Departments of Agriculture. The answers given by farmers to the questions on the forms will provide the

basis for estimating the acreage sown to field crops in 1949 and the numbers of live stock and poultry in Canada at June 1, 1949.

The success of the survey and the accuracy of the agricultural statistics published by the Bureau and the several provincial Departments of Agriculture depend on the co-operation of farmers in filling out and returning the questionnaires. A widespread response from all types of farmers throughout each province is needed in order that the statistics can be based out the year. The Dominion Bureau

of Statistics is the official source of statistical information in Canada and its figures are used by governments, farm organizations and industry to plan future operations. International organizations such as the World Food and Agriculture Organization depend on the Bureau to supply up-to-date figures on Canada's agricultural industry. The farmer, through his response to the questionnaires sent out by the Bureau, has a real opportunity to help form a true picture of agricultural conditions, and it is in his own interest to do so.

The survey has no connection with taxation. The farmer's individual form is seen only by workers in the Dominion and Provincial agricultural on a sufficiently large number of reports from a representative sample of farms throughout Canada.

The statistics obtained from the survey are used extensively through statistical offices and the farmer is

protected by law against the wrong use of his return. All individual forms are kept strictly confidential.

### BROODING CHICKS WITH RADIANT HEAT

The brooding of chicks in colony houses with brooder stoves has proved very satisfactory, but efficiency of operation is low and each brooder stove is a potential hazard. For these reasons, the trend has been toward large brooder houses with a central heating plant. The usual method is by heating the air with hot water pipes. A newer method is by embedding the pipes or electric heating elements in the concrete floor to produce radiant heat. An electric heating unit costs less to install than a hot water system, and it requires very little attention, but the cost of current is relatively high in most localities.

Excellent results have been obtained at the Dominion Experimental

Station, Fredericton, N.B., with radiant heat from an electrical installation, says Leonard Griesbach, who is in charge of poultry. In the first test conducted, chicks brooded in a pen with radiant heat were inferior to a control lot brooded with conventional brooder stoves, but it was found that temperatures maintained in the pen with radiant heat were too low. When suitable temperatures were maintained with subsequent lots, excellent results were obtained. It was found that chicks should be started with a floor temperature of 100 to 102 degrees Fahrenheit, with the bulb of the testing thermometer actually touching the floor. This will give an air temperature of approximately 92 degrees about one-half inch above the floor and slightly lower temperatures at higher levels. The air temperatures may vary slightly with a given floor temperature, according to the amount of ventilation provided. The action of the chicks is the best indication of the proper temperature to maintain, but these temperatures are a reliable guide.

It is advisable to install the heating elements in such a way that lower floor temperatures can be maintained at the sides of the pen than in the centre, to enable the chicks to select the most comfortable location. Temperatures should be reduced gradually after the first few days to promote hardness and rapid feathering.

No litter is required with floor radiant heating. The droppings dry quickly and may be allowed to accumulate in order to provide some slight insulation from the heat as the chicks grow older. Chicks require less floor space with radiant heating than with brooder stoves but overcrowding should be avoided. Each square foot will accommodate up to approximately five to six chicks for two or three weeks or about half this number for six weeks. If overcrowding is avoided and ventilation is adequate, the droppings remain powdery dry and the danger of an outbreak of coccidiosis in the brooder house is eliminated.

### West Huntingdon Y.P.U.

The Young People's Union meeting was held at Alex and Joan McCurdy's

on Friday evening with a good attendance. Miss Margaret Haggerty led in a sing song service and Donald Wilson conducted the Scripture reading. Rev. H. Burgess offered prayer. Plans were made for the annual weiner roast to be held next month. Rev. H. Burgess gave the special address. The group then sang a number of negro spirituals with Mrs. Geo. Ashley at the piano.

## HAVE YOU \$10 in U.S. FUNDS?

If you have more than \$10 in U.S. cash you should turn it in to your bank, in exchange for Canadian dollars, without delay. Existing regulations make it illegal for any Canadian resident to retain in his possession more than \$10 in United States cash.

### HERE'S THE REASON

Canada must have the U.S. dollars spent here by tourists in order to make them available for the payment of imported goods and services needed to keep production and employment at a high level.

## Experience in the Public Service COUNTS

### GEORGE DREW

Alderman, Mayor, Provincial Party Leader, Three Times PREMIER OF ONTARIO :::

Then— LEADER OF THE OPPOSITION in The House of Commons, Ottawa.

No other national leader can match this record of public service on ALL LEVELS OF GOVERNMENTAL ACTIVITY.

George Drew, more than any other national leader knows that government—to remain DEMOCRATIC, —must remain in the hands of the people. As an alderman he concerned himself with the problems of his ward. As mayor, he worked for a better community. As provincial legislator, he worked in the interests of the people of his constituency. As Premier of Ontario he gave his native province the finest administration in its history... George Drew has succeeded as an administrator because he believes in TEAMWORK and CO-OPERATION on all levels of government.

As PREMIER OF ONTARIO he held more cabinet meetings and with greater frequency than any government in Ontario's history. As leader of the official opposition at Ottawa, he brought new life and energy into the House of Commons,

and a renewed respect for the principle of Parliamentary Government.

PROGRESSIVE CONSERVATIVE CANDIDATES give wholehearted support to George Drew because they will be Members of Parliament in FACT as well as in NAME. No longer will members be forced to yield all power to bureaucratic cabinet ministers and centralizers and fail to give full representation TO THEIR CONSTITUENCIES... Compare the records of George Drew and YOUR PROGRESSIVE CONSERVATIVE candidate with those of other party leaders and candidates.

Your vote on June 27th for your PROGRESSIVE CONSERVATIVE CANDIDATE will mean that you will be represented in Parliament by a supporter of A PROGRESSIVE CONSERVATIVE GOVERNMENT under the leadership of George Drew.

**Mount Pleasant**

Mr. and Mrs. Ross Hoad and Mrs. Roy Thrasher spent a couple of days at Dundas and Toronto.

Mr. and Mrs. John Holmes spent the week end with Mr. and Mrs. Clifford Holmes and family in Kingston.

On Friday the 'Two-By-Two Club' catered for the auction sale at the Williams Farm at Hoad's and the group realized forty dollars clear of expenses.

Several folk from Mount Pleasant attended Wellman's United Church Anniversary on Sunday. Rev. A. Poulter, Madoc, was guest minister. The choir rendered several lovely numbers. Miss Mina Dracup and her sister, Mrs. Frederick Beckett, contributed a vocal duet "Bless This House" at the morning service.

Mrs. Frank Easton, Belleville, spent the week end with Mr. and Mrs. Bert

Jeffs and Robert.

Mr. and Mrs. Ernest White and Mrs. Marguerite McMullen spent Thursday with Mr. and Mrs. Alex Sharp, Frankford.

Rev. C. Totten, of Vancouver, B.C., spent a few days with his sister, Mrs. John Reid and other relatives.

On Wednesday, July 6th, one week earlier than the regular schedule, Mount Pleasant W.M.S. plan to entertain the Baby Band and Mission Band, their mothers and leaders at the church hall. Mrs. O. Bertrand, Corbyville Baby Band Secretary of Belleville Presbyterian will be guest speaker. All ladies and children in the community are welcome.

Mr. Lorne White spent a Sunday recently with Mr. and Mrs. Ray White and Judy, at Eldorado.

Several families spent Saturday afternoon at Trenton and enjoyed the Air Force Display.

A donation was received recently from Mr. Thos. A. McMullen for the South Cemetery.

Mr. and Mrs. Ernest White entertained Mr. and Mrs. Will Wright and Mr. Wm Hagerman, of Salem, recently.

Mr. and Mrs. Will Potts and Mrs. James Sharp spent the week end with Mr. and Mrs. Frank Hutchinson, at Deltior.

Mr. and Mrs. Edward Montgomery left on Tuesday to visit relatives in the prairie provinces and the Peace River District. Mr. and Mrs. Percy MacMullen paid them a visit previous to their departure.

Mrs. Percy MacMullen, Mission Circle Secretary of Belleville Presbyterian attended the twenty-third annual meeting of Prince Edward Section at Cherry Valley United Church on Tuesday, June 21st and gave the address on "Mission Circles" and urged that more be organized.

**Bonarlaw**

Mr. and Mrs. Geo. Neal, of Toronto, visited their daughter, Mrs. Wm. Neal and family over the week end.

Mrs. W. J. Barlow, District Secretary of the W.I. attended the District Convention of North Hastings at Madoc last week. She was accompanied by Mesdames Chas. Gordanier, A. V. Brown, Jason Baker and Thos. McKeown.

**Entered Into Rest**

MRS. AGNES M. SHORTT

Mrs. Agnes May Shortt, wife of Mr. George W. Shortt, 2nd concession of Sidney township, died in the Belleville General Hospital after an illness of three years' duration.

Born in Madoc the late Mrs. Shortt

was in her 64th year and was a daughter of the late Mr. and Mrs. Hugh Blair. For some time she lived in Rawdon township and for the past 32 years she resided in Sidney township. She was a member of the Centenary United Church and when health permitted she took an active part in church work, having served as treasurer of the Woman's Missionary Society and also as a teacher in the Sunday School.

Surviving her are her husband; one daughter, Mrs. Arnold (Laura) Valieu, Belleville; one son, Wilmot Shortt, Sidney township; her step-mother, Mrs. Jennie Blair, Oshawa; three sisters, Miss Mabel Blair, Aneroid, Sask.; Mrs. J. M. Elliott, Aneroid, Sask.; and Mrs. J. A. Coulter, Moose Jaw, Sask.; three brothers, Dr. J. H. Blair, Vancouver, B.C.; Dr. W. K. Blair, Oshawa, and Mr. J. B. Blair, Toronto; four grandchildren, Jean Valieu, Jack Valieu and Joyceline Valieu, all of Belleville, and David Shortt, of Sidney township.

The funeral was held from Belleville Burial Home to Centenary United Church on Tuesday.

Interment White's Cemetery.

**Bethel W.A.**

The June meeting of the Bethel W.A. met at the Church Hall on Thursday, June 16th with a fair attendance. The meeting took the form of a quilting. The president, Mrs. Laycock called the meeting to order with the singing of the theme song. The minutes were read and accepted and bills were paid. Mrs. James Warren then gave a report of the morning session of the W.A. Convention held at Trenton and Mrs. Edgar McKeown gave a report of the afternoon session. The president thanked the delegates for their very fine reports. The July meeting is to be at the home of Mrs. Harry Heath and to entertain the children. Mrs. Stewart Hoover and Mrs. Walter Warren were appointed programme committee. Mrs. Thos. McMullen closed the meeting with prayer. Lunch was served and a social hour was spent.

**Election Don'ts**

(St. Catharine Standard)

You'd better leave your sword at home when you go to vote on election day.

Somebody might not understand. And you might spend two years in penitentiary, or be fined \$200 — or both.

As far as that goes, you'd better not have any "firearms, sword, staff, bludgeon or other offensive weapon in the hands or personal possession" on election day.

The Dominion Election Act—which regulates the conduct of all federal elections — says you can't. It provides those penalties for anyone who doesn't surrender any weapons on election day if he has them within one-half mile of a polling booth. If you're a stranger and armed, you have to stay a mile away.

It's all part of the elaborate precautions taken in the Election Act to guarantee that elections are orderly, fair and secret and that no visitor is coerced or intimidated.

**Consumers Like Graded Poultry**

Consumers are showing a distinct preference for good quality chickens, and there are still not enough Grade A birds to go round.

Grade A conformation — meat type — is largely a matter of better selection and breeding. The fat factor is largely one of better feeding and management—the applied art of feeding as well as the composition of the ration.

Eighty per cent A Milkfed and better, has been attained in some recent broiler feeding tests. Forty-three per cent is the average for Grade A inspected shipments for all Canada in 1948.

### Feather Picking

Feather picking in laying birds may be a problem of the past for Canadian poultrymen, if long-term experience bears out initial results achieved

In tests at the Dominion Experimental Station, Harrow, Ont.

Green foods—chopped alfalfa hay is the most effective tried so far—seem to hold the cure for this vicious habit. Cut in half-inch lengths, steeped in cold water overnight, drained in the morning and fed in shallow tubs, the alfalfa makes a hit with gourmets of the chicken coop, leaving them with neither the taste nor the inclination to pick at one another.

The steeping overnight is important. If the alfalfa is fed dry the birds are uninterested. It must be steeped to stimulate their appetites and to get the desired results.

Overcrowding inactivity and lack of bulk in the feed have frequently been identified as contributing to outbreaks of feather pulling, but even where these conditions do not exist the trouble still occurs. Once under way feather picking leads to cannibalism if allowed to run unchecked.

### Keep The Soil

It takes about 400 years to produce an inch of soil. One heavy rain can undo centuries of Nature's soil making if the rain water is not controlled. Given the opportunity, the soil will be washed into creeks, rivers and out to sea.

The top six inches of the soil is the main natural resource of farming lands the world over. In all too many countries it is being allowed to "run away". Governments are conscious of this soil loss and are spending millions of dollars on drainage, reforestation, assistance in the use of fertilizers and agricultural lime, and on other conservation projects.

In the final analysis the only asset of a farm is the soil. If the soil becomes unproductive, the farm is useless. The soil cannot be too well cared for, and part of that care is to keep it on the farm.

### TO THE PEOPLE OF HASTINGS-PETERBORO

When the election comes along on June 27th you will see my name on your ballot as Liberal Candidate for Hastings-Peterborough.

Some of you people are saying, "Does he know anything about politics?" I don't claim to be a great politician, but during the last ten years I have been across Canada from coast to coast and spent some time in each of our provinces. In addition, I have in the Air Force, been stationed in a great many of the countries in Europe. I have seen enough to realize that Canada is the best and most fortunate country in the world and that the Liberal government is the best for our country. That is why I am running on the Liberal ticket.

I don't think any man can do the best job for Hastings-Peterborough while he sits on the Opposition side of the House of Commons. For nine years we have been behind the eight ball politically speaking. Hastings-Peterborough has political hardening of the arteries at present.

If you young people, particularly, will get out and vote we can change

I have disposed of my flour, feed and seed business to Chas. F. Davidson. Mr. Davidson has several years' experience as a foreman in Winchester, Alexandria and Peterborough. He is a native of Winchester, in Dundas County, having a keen interest in the feeding and management of all kinds of livestock. It is Mr. Davidson's intention to carry a full line of Master feeds as well as chops, grains and seeds.

It is my sincere desire that the public and Stirling and vicinity will favour him with the patronage that I have received in the past. You will find him willing and ready to discuss your feeding problems.

I take this opportunity to thank all my customers for their business in the past.

## Village Tax Rate Struck At 52 Mills At Special Meeting of Council

F. A. R. McFadden, Village Auditor, and Council Discuss Corporation Finances

The tax rate for the current year for the Village of Stirling was struck at 52 mills at a special meeting of Council held in the Council Chambers on Friday night. F. A. R. McFadden, of Toronto, Village auditor, was present and assisted Council in making up their budget for the current year. Arrangements were made for the payment of the taxes in two instalments as in other years, with the first instalment being due on or before August 15th and the second on or before December 15th.

The 52-mill rate is three mills higher than last year and is accounted for by an increase in the town rate; hydrant rentals; Board of Health; Debentures on War-time housing; and the Band tax of half a mill. On the other hand there are slight decreases in the county tax and school tax.

A comparative table of the mill rate for 1948 and 1949 is as follows:

County	9.40 Mills	9.60
Schools	9.00	10.60
Library	1.50	1.50
Town Rate	20.80	19.15
Hydrant Rentals	1.80	1.70
Board of Health	.80	.75
Debentures	4.20	2.75
Street Lighting	4.90	4.00
Band Tax	.50	—
	52.00	49.00

## Transferred To Hespeler

Carl Reid, a member of the local staff of the Bank of Montreal for the past year and a half, has been transferred to the branch at Hespeler, Ont., and left on Saturday last to assume his new duties.

The vacancy on the local staff is being filled by Robert Cagle, of Bloomfield, who has been stationed at Yorkton, Ont.

## School Board Asks For New School

The regular meeting of the Stirling Board of Education was held in the Board Room at the High School on Thursday evening last with Chairman C. I. Hatton presiding. He was supported by Messrs. M. J. Black, W. H. Donnan, R. E. Fox, C. E. Macklin and H. R. Tompkins.

Principal C. A. Wells spoke of the work in the school garden and recommended that some one be secured to keep it in shape during the summer months. He also stated that the school shop had been cleaned and the machines given a protective coating of oil to prevent rusting during the vacation. In closing his remarks, he said both Mrs. Wells and he had enjoyed their year's work and were very appreciative of the co-operation extended to them by the Board. He suggested that Grade I be dismissed for the vacation on Friday in order to make ready for Entrance candidates.

J. L. Good, principal of the High School, informed the Board that the limits of the territory from which pupils would come to Stirling High School from Centre Hastings School Area would be fixed by the High School Area Board and spoke of his annual visitation to prospective pupils.

In view of the above action to be taken by the Area Board, it was deemed unnecessary to have the principal make his customary visitation and the secretary was instructed to so notify Mr. Good.

H. R. Tompkins, chairman of the teachers' committee reported on the efforts being put forth to fill the vacancy on the High School staff occasioned by Miss Muirhead's resignation.

The reports of D. W. Gordon, Inspector of shop work and Miss O. M. Brownie, Inspector of Home Economics, were tabled and received and filed. Recommendations in the report relating to additional equipment were referred to the property com-

## RE-ELECTED IN LOCAL RIDING

George S. White, Progressive-Conservative member for Hastings-Peterborough since 1940 was returned at the polls in this riding on Monday with a substantial majority.

From the very first as the polls reported Mr. White took the lead and was never headed off. As the Hastings county polls reported, his gains increased and then as the Peterborough county end came in Munro came in stronger but seldom carried a township.

Final figures gave Haffey, (CCF), 726, J. W. Munro, (Liberal), 4661, and Geo. S. White (PC), 6586, a majority of 1905 over Munro and over-all majority of 1179.

The results in the Stirling Poll were Haffey 23, Munro 92, and White 252, a majority of 160 over his Liberal opponent.

In the recent examinations at Stirling High School, Eleanor Wells and Grant Richardson were tied for the highest marks in Grade XII, (Middle School). In Grade XI, (Middle School) Ruth Welbourn was high, while Margaret Drew topped the list in Grade IX, and Denise Burgess in Grade IX.

## mittee.

In the absence of R. A. Patterson, chairman of Finance, H. R. Tompkins, presented the report of the finance Committee recommending a requisition of \$6500 for Public School purposes to the Village Council. This was adopted and the secretary requested to make the requisition. He also presented the regular accounts for payment.

High School — Bell Telephone, \$4.50; W. A. Sutherland, 90c; Stirling Welding Shop, \$1.25; J. L. Good, express, etc., \$1.50; Stirling Lumber Co., spruce lumber, \$2.30; H. C. Martin, insurance projector, \$15.00.

Public School — Dominion Stores, 75c; Mrs. Don Rodgers, half-day supply, \$4.00.

## Ask For New School

The matter of accommodation for the public school pupils during the coming year was discussed at some length. Chairman Hatton felt that Council were not anxious to build a new school at this time when costs of construction were so high and following a letter received from the Municipal Board with reference to consulting the ratepayers and submitting costs the matter was at a standstill.

It was pointed out by H. R. Tompkins that if a new school were out of the question some steps should be taken at once to renovate and make necessary additions to the old school. The Board of Education was faced with finding accommodation for two hundred pupils for September 6th and once the local High School passes into control of the High School Area, he doubted if the Beginners' Class could be accommodated there. Other members spoke of the inadequacy of accommodation in the village and on motion the secretary was instructed to write Council asking for a new school.

The next meeting of the Board will be at the call of the chairman.

## ORANGE ORDER AT ST. ANDREW'S

Members of the local Orange Lodge, Stirling L.O.L. No. 110 and Stirling L.O.B.A. No. 655, attended St. Andrew's Presbyterian Church at 11 a.m. on Sunday morning.

There was a large attendance and Stirling Citizens' Band led the parade from the lodge room to the church and return. The minister, Rev. W. H. V. Walker, warmly welcomed the fraternity and delivered a very inspiring sermon on the subject, "Striving Together For the Faith of the Gospel."

The times demand that Christian people take a firm stand for the Faith of Our Fathers.

Many voices are raised to enforce duty. Still it cannot be doubted that in many cases this aspect of our Christian calling is too languidly conceived and too intermittently put into practice. There is a call today for both the church and the Orange Order to cultivate a livelier sense toward the fulfilling of our obligation and to appreciate more than ever, the company our Protestant Religion and in the words of our text, "Stand fast in one spirit, with one mind, striving together for the faith of the gospel."

Then we rediscover that true freedom as well expressed by Longfellow: "The truer step, the fuller breath, The wide horizons grander view, The sense of life that knows no death, The life that maketh all things new."

Special music by the choir included a solo, "Abide With Us" by Clayton Tummison and an anthem, "Trust Ye the Lord," by the choir. Mrs. R. H. Williams presided at the console of the organ throughout the service.

## Dominion Day At The P.O.

Tomorrow (Friday) is Dominion Day and all business places in Stirling will be closed. At the Post Office, the public wicket will be open from 8 to 9 a.m. only, but the lobby will be open as usual for the convenience of boxholders. There will be no delivery on the rural routes.

## Successful Tournament

A very successful Men's "Triples" Tournament was staged by the Stirling Lawn Bowling Club yesterday afternoon and evening. Twenty rinks competed and three 12-end games were played.

High honours for the day went to Morley Simpson's rink, of Brighton, with second prize going to Archie Meyers and his rink from Campbellford. Third prize also went to a Campbellford rink, skipped by Walter Wiggins, and fourth prize was won by Sam Netley's rink from Brighton. The ladies of the Club served a dinner at six o'clock.

FRANK S. FOLLWELL

## LIBERAL WINS SOUTH HASTINGS

Characteristic of the Liberal landslide across Canada in Monday's Federal election, South Hastings went Liberal when Frank S. Follwell, ex-mayor of Belleville, won a convincing victory over Richard D. Arnott, K.C., Progressive Conservative and Arthur Cole, C.C.F. standard bearer. The riding has been represented by Geo. Stokes since 1940.

Complete official figures released by Returning Officer M. C. Burgess gave Follwell 12,703; Arnott, 10,276 and Cole 179. Follwell's majority was 2,427.

The successful candidate gained a majority in every municipality in the riding with the exception of Stirling, Frankford and Thurlow Township. The city of Belleville gave him a majority of 1099, Trenton 917, Sidney 234; Deseronto, 40; Tweed, 71... and Hungerford 93.

Stirling gave Arnott a majority of 49 Frankford 6 and Thurlow 24. The total vote in the south half of Stirling was Arnott 130; Cole 8; and Follwell, 81.

## Grand Draw Won By Mrs. Maurice Bell — Hastings Defeats Jrs. In Ball Game

A large crowd was in attendance at the programme staged by the community Recreational Council in aid of Children's Sports at the local centre on Monday night. President W. Sutherland and his co-workers had plenty of entertainment, including a ball game, bingo and other games, arranged for the patrons, while a refreshment booth did a flourishing business on the grounds.

### Juniors Vs. Hastings

In the softball game Hastings were too good for the local Juniors to win 9 to 5. The visiting pitcher held the local hitters in check most of the route and when they did get to his offerings, his fielders gave him sparkling support. Faulkner, on the mound for the local Juniors, pitched excellent ball but errors by the fielders accounted for several runs tallied against him.

C. I. Hatton was master of ceremonies and announced the election returns over the public address system during the evening.

The draw for the children resulted in Bobby Palmer, Barry Hewton, Ken Sine, Jeanette Ayrhart and Harold Burgess each winning a softball.

The Grand Prize, which was a choice between a mixer, suit of clothes or bicycle, was won by Mrs. Maurice Bell, who held ticket No. 1220. Mrs. Wm. McMullen was the winner of the gate prize, a little pig, all washed up with a pink ribbon about its neck. The winning ticket was No. 215. The consolation prize, a free pass to the ball games during 1949, was won by Walter T. Elliott, with ticket No. 845.

During the evening, president Bill Sutherland expressed the appreciation of the Recreational Council for the splendid support of the citizens of Stirling and surrounding district in the program to promote sports among the youth of the community. He emphasized that the local recreational centre was for the use of every boy and girl in the surrounding community and urged every boy and girl to fill out a registration sheet. Mr. Don Rose, the sports director, was anxious to meet all the boys and girls as soon as possible and get his program of training and instruction in various phases of sports underway.

The event was a great success and the members of the Community Council are deeply grateful to the public for a generous patronage and to all who assisted in any way.

### In Hymen's Bonds

WALKER-HOPKINS

Norfolk Street United Church, beautifully decorated with spring flowers, was the setting for the marriage of Dora Grenoviers, only daughter of Mr. and Mrs. Llewellyn Hopkins to Dr. Charles Victor Rowan Walker, Toronto, son of Rev. and Mrs. W. H. V. Walker, of Stirling, Ont., on Saturday, June 11, 1949, with Rev. R. O'Brien officiating.

Given in marriage by her father, the bride was radiant in a gown of white brocade taffeta, fashioned on princess lines with full bishop sleeves, set-in yoke and high neckline. Her long sweeping train of the same material extended from the waistline. The bridal veil of tulle illusion was fastened to a headpiece of Old English design. She carried a white testament with a cascade of white orchids.

The maid of honour, Miss Jean McDonald, looked lovely in a corset taffeta gown. The dress was made with low neckline and bouffant skirt. The halo hat and mittens of the same material and slippers of the same colour, completed the costume. Her flowers were white roses extending from a white testament.

The bridesmaids, Miss Louise Cooke and Miss Joan Adams were attractive in their gowns of Nile green taffeta. Their dresses were fashioned on similar lines as that of the maid of honour. The halo hats and mittens were in Nile green taffeta and slippers were the same colour. They carried yellow roses cascading from their white testaments.

Dr. John Walker, brother of the groom, was best man. The ushers were Mr. Mervin Rowan, of Peterboro, and Dr. Clifford Plant, St. Catharines.

An interesting feature was the part the bridegroom's father took in the ceremony. Assisting the Rev. O'Brien, Rev. Walker united his son and his bride in holy matrimony.

The reception was held in the Elizabeth room of the Royal Hotel. The individual tables were attractively decorated in pink and white. The head table was lighted with tall pink candles. The wedding cake, in three tiers, was tastefully decorated with love birds.

Receiving with the bridal couple,

the bride's mother was dressed in grey figured crepe and pink accessories. Her corsage was of orchids. The groom's mother wore a dress of navy and pink crepe, navy accessories and corsage of orchids.

For their wedding trip to Chicago, New York and Lake Placid, the bride donned a fuschala suit with white accessories and wore a orchid corsage.

The happy couple plan to take a scenic route back to Ontario and then take up residence in Toronto.

Guests were present from Toronto, Stirling, Buffalo, Hamilton, Kitchener and other points.

### St. John's W.A.

The River Valley home of Mrs. Ed. Kent was beautifully decorated with summer flowers for the June meeting of St. John's W.A. when members from Trinity, Frankford and St. Thomas, Rawdon, were guests of St. John's. The Rev. A. J. Anderson opened the meeting with prayer and the hymn, "The Love of Christ Constrains", was sung after which the Scripture lesson was read by Mrs. S. McMurray.

Following the roll call and treasurer's report, the president welcomed all the visitors and called on Mr. Anderson to speak. As W.A. members, we are doing a great work, all working together to do God's work and should follow Christ's command — "Continue ye in my work".

Mrs. Ed. Kent then welcomed all and asked for prayers of all in her new work of Dorcas Sec-Treas. Mrs. Lindsay Tanner, Deanery Sec., and Mrs. Baker, Tweed and Mrs. Jeffrey, also spoke briefly and expressed pleasure at being able to attend this meeting.

The chapter or Study Book, "India's Independence, Our Opportunity" had been prepared by Mrs. Chas. Vance and was read by Mrs. E. Kent and proved very interesting.

A fine programme by the different branches represented followed. Mrs. Mumby Stirling, gave a very humorous reading entitled "Jane Brown"; Mrs. Tanner, Rawdon, two splendid readings "Do You Just Belong" and "Living Epistle"; Mrs. E. Ketcheson, Frankford, a reading "Beyond Horizon"; Miss Edna Tanner, Rawdon, "The Average W.A. Member"; Mrs. Johnson, Frankford, "The Little Red Enemy", were followed by a sacred solo by Mrs. B. Woodbeck "What a Friend We Have in Jesus" with guitar accompaniment.

Rev. A. J. Anderson closed with prayers and a delectable lunch provided by the River Valley group and served by the girls of the Girls' Auxiliary brought another splendid meeting to a close.

### Belleville-Trenton Highway Improved

Motorists driving the Belleville-Trenton highway are finding a difference these days with the bumps now in process of being ironed out.

Employees of the McFarland Construction Company, Picton, are engaged in applying a hot mix, top dressing for the highway and are now well

on the way toward completion.

Commencing at the C.P.R. crossing near the cemetery the construction firm is working toward Trenton and by mid-week had progressed beyond the former Rileys' pavilion. The new surface is a smooth black surface which motorists will appreciate in comparison with the former cracked surface.

A business never becomes so large or so old that it can afford to stop telling its public about itself, its employees, its merchandise and its service — through the advertising columns of its "home town" newspaper.

School Area. This proved to be the final game of the home and home series between the two schools for the championship. If a third game had been necessary it would have been played in Frankford. These two schools and Belcrest had emerged as leaders in their respective groups in the regular schedule. Fifteen of the eighteen Sidney schools had taken part. For the play-offs Marsh Hill won a bye, so that Harder's and Belcrest played a sudden-death semi-final game. This was played at Belcrest and won by Harder's by a very close score, giving them the right to meet Marsh Hill.

### Finals

The first of the finals was played at Marsh Hill Monday night, June 20th. This was a thrilling game with each side taking the lead and then losing it when the opposing side rallied. Final score was 18 to 14 in favour of Marsh Hill. The second game, and as it turned out, the final game, was played on the Johnstown diamond on Wednesday night, June 22nd. Quite a number of spectators were on hand to cheer their team. Batteries for Harder's were Delmer Wannamaker and Allen Parks; for Marsh Hill, Carl Dafeo and Carman Dafeo. Umpires were Harry Brown and Herb Rankin. The game was better and more exciting than the score would indicate. The fourth innings proved disastrous for Harder's when the opposition scored 13 runs. They came back to score 9 runs in the fifth. Shirley Meyers and Joyce Curtis were the only two girls taking part. Shirley played a fine game at first base for Harder's while Joyce patrolled right field for the same team. Evelyn Olmstead, of Marsh Hill, was unable to play on account of a sprained finger. Batting stars for Marsh Hill were Carman Dafeo with a home run, a double and 4 singles, Cameron Sine with five singles and a walk, and Carl Dafeo had a double, triple and four singles. Harder's heavy hitters were Delmer Wannamaker with three doubles and a single; Earl Gregory with a double, triple and single; and Allen Parks with a home run and a single to his credit.

After the game, the teams were lined up on the field and the Softball Trophy was presented to the captain of the Marsh Hill team by James Campbell, Chairman of the Board. He congratulated the Marsh Hill team on being the first to win the trophy, and congratulated the Harder's team on the sportsmanlike way they had played. The trophy will remain in their possession for the coming year and next spring will be up for competition again. It will become the permanent possession of any school which wins it three years, not necessarily in succession.

### Attendance Banner

Eggleton's School (S.S. 24) won the Attendance Banner for the best attendance for the month of May. Miss Gunter's school had the fine mark of 98.55 per cent. Marsh Hill school, under Mrs. Good, came a close second with 98.31 percent. Centenary school's

98.31 per cent won them third place.

### School Closing

School closing for the year on Wednesday. During the last few days teachers and pupils were busy completing the year's work and straightening up for the holidays. Many of pupils were busy preparing exhibits for the fair which come too early in the fall to give them much opportunity to get anything ready then. Belleville Fair, coming as it does in August, makes it necessary for exhibits to be prepared before school stops. It is expected that quite a large number of exhibits will be entered.

## Tip To Wives: If He's Going To Live He's Got To Fish

(By Pete McGillen)  
In the Toronto Telegram

Did you ever hear of a woman dying from coronary thrombosis? No, sir, such cases are as scarce as hen's teeth. But the men, hmmm, this disease is knocking them off like ten pins, and in the early forties, too. Now why is that so? Well, a woman gets married, lives a sheltered life and gets fat. She gets her work done in the morning, and either sleeps or plays bridge in the afternoon. At night she makes her dog-tired husband go to a show or a dance—which she enjoys, and the old man endures. This is just another straw added to the camel's—I mean the husband's back. Moreover, and this is important, the woman is king of her castle. She is boss in her own home. She isn't a slave under some Simon Legree who cracks the whip from morning until night. She is not subject to the stress and strain of modern business. In short, she is not afraid of

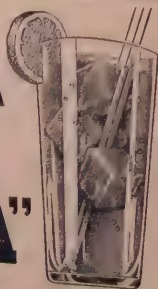

losing her job.

The husbands haven't time to worry about their health, they are too busy pushing their noses against the grindstone. They can't take a nap in the afternoon. They can't even sleep Saturday, because that is the day the Queen takes over and gives orders. "Put up the screens, cut the grass, weed the garden fix the hinges on the front door, wash the windows, paint the verandah." Then, in the face of this tremendous pressure, the poor guy, prematurely old, curls up like a withered leaf and dies of coronary thrombosis. So his fresh young wife, catches the insurance, and being remarkably well-preserved marries some other guy, and keeps her job—as boss.

What can be done? I think the answer is "escape". I don't mean to hit the rods and forsake the good, kind little woman. But still the hubbubs need escape from work, from people, from noise, from civilization, from those week end chores. And the place to go—why fishing of course. After all, girls, that harmless-looking slave you married is an investment worth protecting. Think of all the headaches you would have training a new one. He is entitled to several days whipping a stream for browns or speckles, or casting for browns or pike. He needs the stimulating, refreshing contact with the outdoors. He needs to hear the frogs croaking, the birds singing, smell the lush green meadows, and the dank deep woods. He needs to have the cobwebs of modern-day living swept away by the sunlight and cool breezes that haunt every trout stream. And when he comes home dog-tired but happy, he will sleep like a log. Good healthy, strength-restoring sleep, and as a result the ticker will beat out a rhythm assuring old age, or at least three-score years.

## How to Make ICED TEA

Make tea double strength and while still hot pour into glasses filled with cracked ice... Add sugar and lemon to taste.

## "SALADA"

You think I'm kidding, do you girls? Well, I am very serious, and after you have chuckled a bit about the digs I gave you, just take a look at that guy you see once in a while at meal-times and figure it out yourself. What chance has he of reaching 50, if he keeps on his highgear living? Is he not like many more men who in their crazy, stupid, eternal fight for the dollar, have forgotten what it means to play, what it means to laugh, what it means to live? Perhaps a little soul-searching might be the stitch in time. Send the guy off fishing, and tell him to leave the booze at home on the trips, because the exercise he gets is sufficient stimulation.

amounts. Largest grants were those of \$500 each to Canadian Legion branches in Bancroft and Madoc with similar sums given to recreational projects in Frankford and Cooper. Belleville Fair Rawdon Recreational Centre and Mayo Township Roads Committee received \$300 each.

Junior Boys' Work was given a grant of \$400 while \$54 was allocated to projects for Senior Boys.

# "THE 10 GALLON TEST CONVINCED ME!"

R. H. NOBLE, Automobile Dealer  
Brantford, Ont.

"The Ten Gallon Test proved to me that Dynafuel is a superior gasoline. The ten gallons I used in the test gave me extra miles of smooth driving and generally pepped-up engine performance. I'm now a permanent Dynafuel user."

B. B. KENNEDY, Builder  
Toronto, Ont.

"Until I made the Ten Gallon Test, I was dubious about the claim that Dynafuel is different from ordinary gasoline. But that ten gallons was a revelation! My car is performing with a bonus of high knockless power and running sweeter than ever before. You can take my word for it... Dynafuel is the best value for your gasoline dollar."

J. E. HAMILTON, Railroad Agent  
Montreal, P.Q.

"I wish I'd made the Ten Gallon Test with Dynafuel years ago. I'm getting more satisfaction out of driving than ever before, because I have the feeling that my car is giving its best performance. I notice a decided improvement in accelerating power particularly... and I get instantaneous starts in all weather."

MERLIN J. GILROY, Electrician  
Myrtle, Ont.

"In my opinion, Sunoco Dynafuel is decidedly superior to ordinary gasoline. When I made the Ten Gallon Test, I noticed the difference immediately. I get 28 miles of smooth, knockless performance from every gallon of Dynafuel with a standard size 6-cylinder car. No wonder I'm a regular Dynafuel customer now!"

## Married

ROGERS-MCMULLEN

A very pretty wedding ceremony was solemnized on Saturday, June 25th at 2 p.m. at the Presbyterian Manse, Stirling, when Rev. W. H. V. Walker united in marriage Thelma Bernice, youngest daughter of Mr. and Mrs. John A. McMullen, of Stirling, Ont., to Frank Robert Rogers, son of Mr. and Mrs. Louis Rogers, Stirling, with several members of both families in attendance.

The charming bride was gowned in a street-length frock of blue sheer and she wore white accessories and a corsage of red roses.

Miss Gertrude McMullen was her sister's attendant, wearing a frock of grey sheer, white accessories and a corsage of Talsman roses.

Mr. Eric Cook, Belleville, friend of the groom, was best man.

Following the ceremony, the bride donned a blue suit and the happy couple left amid showers of confetti for a motor trip to Ottawa and Brockville and a boat trip through the Thousand Islands. On their return they will reside in their new home in Belleville.

The bride is an employee of the Northern Electric Plant, Belleville, and previous to her marriage she was presented with a silver tea service.

The groom is a plumber with the firm of Howe and Hagerman, Belleville and he was the recipient of a pair of Kenwood blankets from his fellow-workers.

## ACT GUARDS BUYER OF MIXED FEEDS

A ration for any class of livestock must contain the essential nutrients which are proteins, carbohydrates, fats, minerals and vitamins. Most farm-produced feeds contain these nutrients but the quantities of each are not present in the most effective proportions. A properly proportioned or "balanced" ration increases production, while an unbalanced ration leads to lower production, failure to reproduce, and eventually to loss of livestock. This is particularly true of feeds deficient in minerals, vitamins and certain qualities of protein.

(Campbellford Herald)  
The best softball tee-off of the present season took place Tuesday night with ideal weather conditions prevailing. The Stirling nine were visitors at the High School diamond, and turned the tables on the home team, the closeness of the 5-4 score in the nine-inning encounter indicating the difficulty of either team to hold the upper hand by any more than the narrowest of margins. field in the seventh inning went through to allow the hitter a home run with two men aboard. This widened Stirling's margin from 2-1 to 5-1 temporarily, but there was nothing temporarily about the ultimate result of this play, for although Campbellford fought back in the thrilling climax, they fell one run short in the final reckoning.

George Bibby's first inning double went for naught, and Stirling went on to score the first run of the game after Montgomery duplicated Bibby's 2-sacker. From the second inning onward the visitors held the margin on the score sheet. Dafoe, Stirling's first

sacker, caught the eye of fans by his dazzling performance.

## The District Annual Convention of The West Hastings Women's Institute

Success again registered at the West Hastings Forty-Eighth District Annual Convention held in the Community Hall at Stirling on Monday, June 13th, with a large representation from the seven branches. The registration was in charge of Mrs. F. Finkle and Mrs. H. Coulter, of Pine Grove Branch. Despite the prevailing heat wave the Hall presented a cool and refreshing appearance with its floral decorations and model table set for two. This was the project of the Stirling Girls' Club and their leader, Mrs. S. Nicholson, Dist. Pres., capably presided over the day's programme, with Mrs. E. B. Finkle as Sec.-Treas.

Rousing community singing led by

Mr. George Crown, of Stirling, with Mrs. C. Ketcheson, Bay of Quinte Branch, at the piano, opened the morning session.

Mr. Holt, councillor, substituting for the Reeve, of Stirling, in a brief address, welcomed the visitors to Stirling and said that when organizations such as the Women's Institute get together to plan for better living, the more vitality democracy will have.

The following reports from the Standing Committees of work being done in the branches, were given by the convenors:

Agriculture and Canadian Industries — Mrs. John Reid, whose highlights were films on "Home Beauti-

fication" given in various localities and the topics "Minerals", "How to Make Poultry Pay in Winter Months", "A Garden Club", "Perennial Beds and Weed Control". A talk was given by Mr. Douglas Harry, a Junior farmer, winner of the trip to Chicago, who related his experiences. Roll calls included "Ways and Means of Improving Our Back Yard", "Making Pin Money on the Farm", "A Garden Pest or Helper" and "Samples from a Local Industry".

Citizenship — Mrs. Harold Phillips reported on topics and discussions of which she stressed "The D. P. Immigration to Canada", "Racial Prejudice", "Women and Legislation", "What It Means to Be a Canadian", "Our Obligations as a Citizen and Our Responsibilities", "Roll calls include 'How to Improve Our Neighbourhood', 'Suggestions of Welcome to Tourists and Immigrants'.

Historical Research — Mrs. Alex Tanner touched on the following demonstrations, "Pioneer Housekeeping", "Grandma Sets Her Table", with antique dishes and silver. A display of antiques was given with papers on the "History of Hastings", "Restoring Broken Relics", "Antiques Owned by An Ontario Family" and "The Origin of Voting". The roll calls brought historical interest on "The First Settlers on Your Farm", "Famous Women" and "My Birthplace". Community history has been compiled for the Tweedsmuir Village History Book.

Home Economics — Mrs. Wm. West gave interesting details on a number of demonstrations such as "Oven Meats", "Interior Decorating", "The Caring of Silverware", "Making Soups", "Converting Cotton Sacks into Drapes and Cushions". Papers enumerated the success of "The Gracious Hostess", "Household Aids" and "Hospitality". Roll calls of "Hot Dishes for Healthy Appetites", "How to Entertain" and "Household Hints" were also added with humorous quotations.

Social Welfare — Mrs. B. Blecker outlined. Roll calls — "Health Suggestions", "Home Remedies", Demonstrations — "An Appetizing Patient's Tray". Addresses by doctors, nurses and Social Welfare worker on Communicable diseases and child welfare and "United Nations and Its Set Up", by a local minister and donations to Red Cross, Community Hall, scholarships, Benefit Sports Night.

Publicity — Mrs. Clarence Chard, who enlarged on the branch's efforts in this line as "Announcements and Reports of Institute Events by Press and Radio", (one branch inserts a short weekly column in local newspaper). Institute badges, printed programmes and publicity gained through card parties, dances, potluck dinners, banquets, folk school activities, meals served at Belleville Fair, Dist. Rally With a Guest Speaker from England and an address on "Personality and Dress", demonstrated by a speaker from the Institute Dept., Toronto. As publicity will emerge into wider fields of "Public Relations" contacts and co-operation with other organizations were advised.

Girls' Work — Mrs. Louis Rodgers spoke of the high standard of Girls' Club work maintained in the project "The Club Girl Entertains", based on hostess and table etiquette, floral decorations, menus and food preparation.

The Achievement Day held in the Community Hall in Stirling presented many outstanding events which included a demonstration of the project "Setting a Table for Two", complete with menu, competitions, exhibitions and a talk by one of the girls.

Resolutions — Mrs. P. Utman presented a verbatim report of resolutions submitted by that committee, which were later discussed. Mrs. Clarence Holmes, Past Prov. President, conducted the discussion and outlined correct procedure. Two of the resolutions carried for presentation at the Annual Convention in the Fall were: "The wartime measure of rental control be abolished" and "Old Age Pensions at the age of sixty-five without the means test".

In discussing report, Miss McKercher of Home Economics Branch, Department of Agriculture, Toronto, commended the convenors on their fine efforts and suggested that the branch convenors keep their ears tuned to the needs of the Institute, then base their reports accordingly. She also advised that helpful responses to roll calls be recorded.

Miss McKercher also conducted the various phases of "Co-operative Planning", directed by the Dept. with speaker and address at certain centres. The project of "Modern Medicines" was chosen to be given in March of next year at Stirling and Wallbridge.

The financial report, given by Mrs. E. B. Finkle, sec-treas., showed branch receipts of \$2,259.02, leaving a balance of \$345.50, while Dist. receipts were \$379.11 and cash on hand, \$98.85.

Miss Elsie Irvine, Home Economist from Dept. of Agriculture, in speaking on "Girls' Work", strongly urged that encouragement be given the girls in all their efforts. She stated that two county honours went to Hastings County last year, and added that the project for Fall is "The Club Girl Stands on Guard", while "Dressing Up Home Grown Vegetables" is the Spring project.

Mr. Dairymale, Agric. Representative gave a informative address on "The Eradication of Weeds By Spraying" and advised 2-4-D as a reliable means of destruction of the crop menace.

Timely remarks were made by the president, Mrs. S. Nicholson in which she expressed pleasure at the increased activity in W.I. work during the past year and asked that the same lively interest and activity be continued. She made a special appeal for aid to the United Nations War Children Victim's Fund. The sum of twenty-five dollars is being donated by the district supplemented by donations from the branches. A trip to Ottawa was discussed and plans are being made for the proposed trip by an appointed committee with branch executives to complete individual branch arrangements of this sight-seeing excursion of Canada's capital. The date set for the trip is July 5th.

The ladies of Pine Grove Branch were hostesses to the noon-day meal and served a sumptuous dinner which was thoroughly enjoyed. Mrs. Fred Campbell, on behalf of her branch graciously extended a welcome to all and Mrs. Louis Rodgers very fittingly replied. In her remarks she emphasized friendly co-operation and enthusiasm which are the leading lights

to ultimate world unity and illustrated the essentials in appropriate poems.

Bright community singing preceded the afternoon session and created a stimulating atmosphere for further action. This was conducted by Mrs. Don Rose, of Holloway, accompanied on the piano by Mrs. Clarence Chard. Mrs. James Black of Campbellford, Provincial Board Director, brought greetings from the Federated Board with summarized reports of this Board meeting held in Toronto and Guelph. She eulogized the achievements in various phases of the Women's Institute and suggested adult recreation in music and drama could be improved by uplifting radio programmes.

Five annual scholarships are being awarded for outstanding merit in Junior activities and W. I. notoriety is being established by an oil painting of Mrs. Hoodless, founder of the Women's Institute, which is to be hung in the Archives at Ottawa in the near future, as a memorial to that worthy lady. This will also further prestige of the W.I. by the picture of its founder being added to those celebrated leaders of Canada in the Gallery of Notables.

Mrs. Clancy, Pres. of North Hastings and Mrs. McCullough, Pres. of East Northumberland each brought greetings from their districts, expressing pleasure at being present and wishing success to all future endeavors of the West Hastings District.

Appreciable entertainment was provided during the afternoon by a delightful solo by Mrs. R. H. Williams, of Stirling, whilst Mrs. Percy MacMullen received her usual round of applause by a humorous reading, "Separating", delivered in her inimitable style.

Mrs. Morley Sine presented the slate of officers for the coming year and the following were elected:

## More Telephone Workers... AND HIGHER WAGES HAVE GREATLY INCREASED OUR COSTS

IN THE PAST five years the number of employees has doubled and our payroll has gone up from 20 million dollars to over 50 million dollars. Yet, up to now, despite rising costs on all sides there has been no increase in the basic telephone rates established 22 years ago.

To meet unprecedented post-war demand for more telephones, our expansion and improvement of service have of necessity taken place in a period of rapidly rising costs. Most businesses have offset their higher costs by higher prices for their products. We have not yet done so.

You can be sure we will keep on doing our best to provide you with adequate and constantly improving telephone service — and to provide it at the lowest rates consistent with a fair return to our investors and employees.

Mrs. Roy Bush, newly-elected president, in assuming her new responsibilities invited the past, present and future Dist. and branch officers to the platform and referred to these ladies as representatives of this Dist. Women's Institute which is based in the lives of the past, the actions of the present and the hopes of the future. She spoke briefly of her future work and her desire to carry on in the interests of "Home and Country".

Mrs. C. Holmes then moved a vote of thanks to Mrs. S. Nicholson retiring president for her commendable work during her term of office. In reply, Mrs. Nicholson expressed her thanks and appreciation to the officers and all the branches for their co-operation and wished them success in all their future undertakings.

The Courtesy Committee report was given by Mrs. George Birkett, who in her gracious manner extended thanks to all who had helped to make this District Annual an enjoyable and successful event.

The strains of the National Anthem announced the climax of another convention of accomplishments and marked one more milestone in the annals of the West Hastings Women's Institute history.

## As Ontario Schools Close Safety Drive Is Launched

As part of Ontario's continuing program to reduce traffic accident losses, the Department of Highways and the Department of Education have again joined forces in a special child safety drive.

Timed for the closing of schools throughout the Province, the campaign consists of:

(a) A special bulletin to some 26,000 inspectors, teachers and principals.

(b) A Carry-Home Safety message from the Honourable George Doucet for each of Ontario's 700,000 school children.

Printed materials for both teachers and children was sent out early in June to all schools. The teachers' bulletin stresses "the great seriousness of traffic accidents involving children in the summer months".

Quoting Highways Department statistics on children killed and injured, it states that: "A record number of cars (both resident and visiting) is expected on Ontario streets and highways during the summer. There are also more school children than ever before. If the coming holidays are to be kept unmarred by tragic losses of life and limb in traffic accidents, our combined efforts must be redoubled."

"The Department of Education and the Department of Highways are again co-operating to get a safety message into the hands of every school child in

the Province just before school closes. When this literature is delivered to your class room:

"1. Stress its importance to your pupils and urge them to take their copies home to their parents."

"2. Have each pupil's name written in the space provided on the front of the folder before giving it out."

"3. Make summer safety your theme on the last day of school and on the opening day next fall."

Mr. Doucet's Carry-Home Safety Message for each school student consists of a short letter, an illustrated chart showing how 68 children of school age were killed in 1948, and a miniature poster to be put on screen doors at home telling the children to STOP, LOOK, WAIT and WALK.

Of the 68 victims of traffic accidents 42 were on foot. "Crossing the highway, coming from behind parked cars and playing in the streets" were the three most common causes. Thirteen children were killed when riding in automobiles. The message closes as follows:

"To help you remember how you can play walk and ride safely this summer, we are sending you this little folder. Please read it. Then put it somewhere where you will see it often."

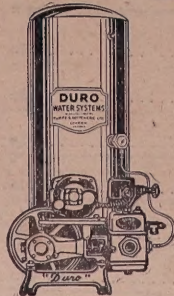

In order to make the letter personal the schools write in the name of each student.

## BRITAIN STRESSES HOME-GROWN FEED

An attempt is being made in Great Britain to break away from the artificially low prices of feeding-stuffs, both as a subsidy-saving measure and as an encouragement to farmers to grow their own feed, it is reported in "Agriculture Abroad", a publication of the Economics Division, Dominion Department of Agriculture.

Prices for feeding-stuffs other than home grown grains have been increased from levels at which they were stabilized in September, 1940. When the British Minister of Agriculture announced the increases he said that there was no possibility of a resumption of heavy imports of feeding-stuffs and that farmers must rely more on home-grown supplies, particularly grass—as grazing, hay, silage or dried. The Minister, who has repeatedly pointed out the value of grass as a feed, said that the artificially low prices of feeding-stuffs has led some farmers to undervalue grass and other home-grown feeds.

In 1949 farmers are to be allowed to retain for their own use, 25 per cent of their wheat including screenings—in 1948 the allowance was 20 per cent. They may retain all the barley they wish, as against 20 per

### In Hymen's Bonds

CLANCY-FITCHETT

Eggleton United Church was the scene of an interesting and pretty double wedding ceremony on Saturday, June 25th, at 12 o'clock, when Rosella Jane, only daughter of Mr. and Mrs. Clarence Fitchett, Holway, was united in marriage to Maurice Greenville Clancy, son of Mr. and Mrs. Carl Clancy, of Harold.

The ceremony was performed by Rev. H. N. Burgess, before an altar banked with ferns, beautiful baskets of flowers and potted plants.

Miss Mae Saries at the piano played "The Bridal Chorus" (Lohengrin) as the bride and groom entered the church and Mendelssohn's "Wedding March" as the bride and groom left the church.

Miss Marilyn Fitchett, cousin of the bride, sang "Always" before the ceremony and "I Love You Truly" during the signing of the register.

The bride, given in marriage by her father, wore a gown of white slipper satin, buttoned down the back, with sweetheart neckline, long sleeves pointed at the wrists and a full skirt with lace inserts. Her floor-length

veil of tulle illusion was held in place by a halo of orange blossoms. Her only ornament was a three-strand necklace of pearls, gift of the groom, and on her arm she carried a shower bouquet of American Beauty roses.

The matron of honor, Mrs. Douglas Clancy, wore a floor-length gown of yellow taffeta and lace, with matching shoulder-length veil and headpiece, while the bridesmaids, Miss Iida Ketcheson and Miss Frances Morrison were gowned alike in floor-length gowns of orchid and green moire taffeta, with matching shoulder-length veils and headpieces. All three carried nosegays of roses and sweetpeas.

The pianist wore a floor-length gown of yellow taffeta with a corsage of pink rosebuds, while the soloist wore a blue floor-length gown and carried a nosegay of roses and sweetpeas.

Douglas Clancy, brother of the groom, was groomsmen, while Roy Strickland, of Lindsay, cousin of the bride, and Keith Clancy, of Harold, brother of the groom, were ushers.

Following the ceremony, a reception was held at the home of the bride's parents, where the guests were re-

ceived by the bride's mother, who wore a powder blue crepe gown with grey accessories and corsage of pink roses. She was assisted by the bridegroom's mother, who wore a blue crepe gown with black accessories and corsage of pink roses.

The only living grandmother of the bride and groom, Mrs. Wm. E. Fitchett, of Stirling, wore a navy sheer gown with navy accessories and corsage of pink roses.

Rev. H. Burgess, toastmaster proposed a toast to the bride which was responded to by the groom.

Rev. Burgess also called on Mr. Kenneth Stewart, a former pastor of Eggleton Church, for a few remarks. Mr. Stewart extended best wishes and congratulations to the bride and groom and also voiced his pleasure at meeting with all his friends at Eggleton again.

Later the happy couple left amid showers of best wishes and confetti for a motor trip to Muskoka Lakes and points in Western Ontario.

For travelling, the bride wore a navy gabardine suit with white accessories and corsage of roses.

Guests were present from Picton, Tweed, Peterborough, Lindsay, Actonville, Harold, Lakefield, Harold, Foxboro and Stirling.

week end with Mr. and Mrs. J. R. Lomieux, in Ottawa.

Miss Joan Bower, of Richmond, is a guest at the home of her aunt and uncle, Mr. and Mrs. H. R. Tompkins.

Mr. and Mrs. C. Brintell, of Thurlow, attended service at St. Paul's church on Sunday and spent the day with the latter's sister, Mrs. Russell Stapley.

Mr. Ross Jarvis and Mrs. Jarvis, of Los Angeles, Cal., were recent callers at the home of the former's cousin, Mrs. R. Stapley.

Miss Evelyn Bailey and Mrs. Roy Brown, of Harold, spent Thursday as guests of Mrs. Everett Cooke.

Mr. and Mrs. Geo. Snarr, of Harolds, and Mr. and Mrs. Everett Cooke and girls, spent Sunday evening in Belleville and Thomasburg and called on Mr. and Mrs. Harold Geen.

### Springbrook Boy Wins \$1000 Scholarship

Congratulations are in order for Wendell Thompson, son of Mr. and Mrs. Geo. E. Thompson, Springbrook, who has been awarded a scholarship at the London School of Economics, England. Overseas students are eligible for the scholarship which amounts to \$1000 and Mr. Thompson was one of fourteen applicants for it.

Wendell was educated at the Springbrook Public School and Stirling High School before entering Toronto University, where he obtained his B.A. Following graduation, he was employed by the Department of Finance at Ottawa for six years before entering Queen's University, where he obtained his M.A. degree in 1948. Last year he began a two-year course leading to his Ph.D. degree at the London School of Economics.

His many friends throughout the district will be pleased to learn of his award and will join in extending best wishes for his continued success.
